Sex Trafficking Siddharth Kara, 2017-08-29 The best book ever written on human trafficking for sexual exploitation the basis for the feature film *Trafficked* starring Ashley Judd. Kevin Bales president of Free the Slaves. Every year hundreds of thousands of women and children are abducted, deceived, seduced or sold into forced prostitution. These trafficked sex slaves form the backbone of one of the world's most profitable illicit enterprises and generate huge profits for their exploiters, for unlike narcotics which must be grown, harvested, refined and packaged, sex slaves require no such processing and can be repeatedly consumed. In this book Kara provides a riveting account of his four continent journey into this unconscionable industry, sharing the moving stories of its victims and revealing the shocking conditions of their exploitation. He draws on his background in finance, economics and law to provide the first ever business analysis of contemporary slavery worldwide, focusing on its most profitable and barbaric form, sex trafficking. Kara describes the local factors and global economic forces that gave rise to this and other forms of modern slavery over the past two decades and quantifies for the first time the size, growth and profitability of each industry. Finally he identifies the sectors of the sex trafficking industry that would be hardest hit by specifically designed interventions and recommends the specific legal, tactical and policy measures that would target these vulnerable sectors and help to abolish this form of slavery once and for all. The author will donate a portion of the proceeds of this book to the anti slavery organization Free the Slaves. Sex trafficking is more of a problem than most people realize. Read this well written book and find out.

Comfort Women Not "Sex Slaves" Koichi Mera, 2015-06-30 COMFORT WOMEN NOT SEX SLAVES Presents an alternative view about Comfort Women to the prevailing one in the United States but is well established among intellectuals in Japan. This is a story of misconception which took place with evil intention of a few persons but spread widely in the world as a wild fire. One promoter was Asahi Newspaper, hitherto highly respected national newspaper of Japan but which confessed its mistakes in the summer of 2014. This was a significant momentum in changing the view on Comfort Women of many in Japan. This book is

dedicated to revising the knowledge on Comfort Women of English speaking people in light of new developments Sex, Power, and Slavery Gwyn Campbell, Elizabeth Elbourne, 2014-12-10 Sexual exploitation was and is a critical feature of enslavement Across many different societies slaves were considered to own neither their bodies nor their children even if many struggled to resist At the same time paradoxes abound for example in some societies to bear the children of a master was a potential route to manumission for some women Sex Power and Slavery is the first history of slavery and bondage to take sexuality seriously Twenty six authors from diverse scholarly backgrounds look at the vexed traumatic intersections of the histories of slavery and of sexuality They argue that such intersections mattered profoundly and indeed that slavery cannot be understood without adequate attention to sexuality Sex Power and Slavery brings into conversation historians of the slave trade art historians and scholars of childhood and contemporary sex trafficking The book merges work on the Atlantic world and the Indian Ocean world and enables rich comparisons and parallels between these diverse areas Contributors David Brion Davis Martin Klein Richard Hellie Abdul Sheriff Griet Vankeerberghen E Ann McDougall Matthew S Hopper Marie Rodet George La Rue Ulrike Schmieder Tara Iniss Mariana Candido James Francis Warren Johanna Ransmeier Roseline Uyanga with Marie Luise Ermisch Francesca Ann Louise Mitchell Shigeru Sato Gabeba Baderoon Charmaine Nelson Ana Lucia Araujo Brian Lewis Ronaldo Vainfas Salah Trabelsi Joost Cot Sandra Evers and Subho Basu A Hero and Some Other Folk William Alfred Quayle, 1900 The American Illustrated Methodist Magazine, 1899 Sex, Slavery and the Trafficked Woman Ramona Vijayarasa, 2016-03-03 Sex Slavery and the Trafficked Woman is a go to text for readers who seek a comprehensive overview of the meaning of human trafficking and current debates and perspectives on the issue It presents a more nuanced understanding of human trafficking and its victims by examining and challenging the conventional assumptions that sit at the heart of mainstream approaches to the topic A pioneering study the arguments made in this book are largely drawn from the author's fieldwork in Ukraine Vietnam and Ghana The author demonstrates to readers how a law enforcement and criminal justice oriented approach to trafficking has developed at the expense of a migration and human rights perspective She highlights the importance of viewing trafficking within a broad spectrum of migratory movement The author contests the coerced female victim archetype as stereotypical and challenges the reader to understand trafficking in an alternative manner introducing the counterintuitive concept of the voluntary victim Overall this text provides readers of migration and development gender studies women's rights and international law a comprehensive and multidisciplinary analysis of the concept of trafficking Sex Slave in Cinema Aga Skrodzka, 2025-03-31 This book examines the visual politics of the cinematic figure of the sex slave from its origins in silent film to its iterations in blaxploitation cinema European art cinema Nollywood and in its most concentrated form the Hollywood blockbuster thriller Through close analysis of several film texts that is informed by feminist theory visual studies critical race studies and the political economy of sex work this book argues that the sex slave has long functioned as a disciplinary spectacle that simultaneously commodifies and

punishes female flesh The sex slave is used to sell a libidinal fantasy of rescue not of the trafficked woman or child but of the very economic and social order that exploits them The Fourth of August Edward Elgar, Laurence Binyon, 1917 *Sex and Life* Walter Franklin Robie, 1920 **The Reader's Companion to U.S. Women's History** Wilma Mankiller, 1998 Contains articles on fashion and style household workers images of women jazz and blues maternity homes Native American women Phillis Wheatley homes picture brides single women and teaching **The Plague of Lust** Julius Rosenbaum, 1901

Selling Sex in the City: A Global History of Prostitution, 1600s-2000s, 2017-08-28 Selling Sex in the City offers a worldwide analysis of prostitution since 1600 It analyses more than 20 cities with an important sex industry and compares policies and social trends coercion and agency but also prostitutes working and living conditions **Pearls from the British Female Poets** George Washington Bethune, 1875 **Sex Trafficking and Human Rights** Heather Smith-Cannoy, Patricia C. Rodda, Charles Anthony Smith, 2022-09-01 Case studies explore how women's rights shape state responses to sex trafficking and show how politically empowering women can help prevent and combat human trafficking Human trafficking for the sex trade is a form of modern day slavery that ensnares thousands of victims each year disproportionately affecting women and girls While the international community has developed an impressive edifice of human rights law these laws are not equally recognized or enforced by all countries Sex Trafficking and Human Rights demonstrates that state responsiveness to human trafficking is shaped by the political social cultural and economic rights afforded to women in that state While combatting human trafficking is a multiscalar problem with a host of conflating variables this book shows that a common theme in the effectiveness of state response is the degree to which women and girls are perceived as and actually are full citizens By analyzing human trafficking cases in India Thailand Russia Nigeria and Brazil they shed light on the factors that make some women and girls more susceptible to traffickers than others This important book is both a call to understanding and a call to action if the international community and state governments are to responsibly and effectively combat human trafficking they must center the equality of women in national policy
