Survey of the History of Global Christianity, Second Edition Mark Nickens, 2020-12-15 Since Jesus s resurrection Christianity has expanded across the globe and shaped a vast array of groups and movements A Survey of the History of Global Christianity Second Edition provides an overview of the Christian faith from the apostolic age to the global present In a friendly and informative tone author Mark Nickens outlines the historical context of important developments in doctrine and practice including o the persecution and resilience of the early church o the results of increasing papal power in Europe during the Middle Ages o the Reformation and later movements that influenced European Christianity o the various sects of American Christianity that arose in cycles of revival o an examination of Orthodoxy and the history of Christianity in Asia Africa Latin America and the West Indies In addition to historical information this book features quotes and spiritual lessons from noteworthy Christians throughout the centuries By understanding how Christian doctrine has developed over the ages and across the globe readers will better understand where their own faith tradition comes from [Explorations in a Christian Theology of Pilgrimage](#) Craig Bartholomew, Fred Hughes, 2021-11-18 Many Christians go on pilgrimage whether to Jerusalem Rome Santiago or some other destination but few think hard about it from the perspective of their faith This book fills that gap looking at the biblical and theological elements in pilgrimage and asking how we could do pilgrimage differently Exploring the current resurgence of pilgrimage from a Christian viewpoint this book seeks to articulate a theology of pilgrimage for today Examination of pilgrimage in the Old and New Testaments provides a grounding for thinking through pilgrimage theologically Literary missiological and sociological perspectives are explored and the book concludes by examining how such a theology could change our practice of pilgrimage today raising such questions as how tourism to the Holy Land should reflect the situation in the region today Pilgrims students and all interested in contemporary pilgrimage will find this accessible book a valuable articulation of the different elements in a Christian theology of pilgrimage

INERRANCY OF SCRIPTURE Edward D. Andrews, 2020-08-13 Inerrancy of Scripture How Can We Believe Inerrancy of Scripture in the Originals When We Don t Have the Originals delves into the complexities surrounding the authenticity and inerrancy of the Bible Author and conservative Bible scholar provides a comprehensive exploration of how faith in the

inerrancy of Scripture can be maintained even in the absence of original biblical texts Throughout the book the author examines the formation of the Canon scrutinizes the doctrine of biblical inerrancy and infallibility and explores why we don't necessarily need the original manuscripts to believe in the inerrancy of Scripture The discourse extends to why the Holy Spirit would allow for errors in copies after inspiring the original inerrant texts and probes how we can reconcile belief in inerrant originals when we don't possess them Diving into the book writing process of the New Testament the author discusses the place of writing the role of the scribe and the influence of inspiration and inerrancy during the writing process Further sections of the book tackle the issues of textual variants the early Christian view of the integrity of the Greek New Testament books and the legacy of the Hebrew Scriptures As skepticism grows in the modern age the author brings attention to the dangers of skepticism ambiguity and uncertainty and offers readers a faithful response to selective skepticism when it comes to God and the Bible The book also explores the role of the Holy Spirit in the inspiration of the Bible's authors and presents explanations for common Bible difficulties Inerrancy of Scripture concludes with a thoughtful consideration of why God has allowed the proliferation of different religions numerous Christian denominations and a multitude of textual variants in the books He inspired This work serves as a detailed and nuanced study for those seeking to navigate the intersections of faith historical criticism and scriptural understanding in the pursuit of biblical inerrancy Ideal for scholars theologians and anyone seeking a deeper understanding of the reliability of Scripture this book is an invaluable addition to your theological library

Mission and the Coming of God Tim Chester, 2006-10-01 How does the eschatological future impinge on the present Is the kingdom of God present outside the confession of Christ in movements towards social justice Is Christian hope a stimulus to social involvement or an alternative And how does the present impinge on the eschatological future What is the relationship between our actions now and the new creation Is there eschatological continuity between the two Jürgen Moltmann one of our most influential contemporary theologians has had much to say both on eschatology and its relationship to mission This book explores his thought along with evangelical responses to it Eschatology has been central to evangelical debates about social involvement ever since the Lausanne Congress in 1974 The book examines how evangelicals themselves have related hope and mission The book highlights the important contribution Moltmann has made while offering a critique of his thought from an evangelical perspective In so doing it touches on pertinent issues for evangelical missiology The conclusion takes John Calvin as a starting point proposing an eschatology of the cross which offers a critique of the over-realized eschatologies in liberation theology and triumphalistic forms of evangelicalism This is a work of major importance engaging with crucial themes and leading Christian thinkers A must read for all reactive evangelicals Tim Chester's work is always good but this is the best yet i Martyn Atkins Principal Cliff College Calver UK Despite the attention of Moltmann and despite intra evangelical debate on the nature of mission over the last three decades the task of bringing Moltmann and evangelicalism into dialogue has remained on the table for some time Tim Chester takes up the agenda His

combination of practical experience in mission and theological ability equip him well for this task and the result is a study which brings academic reasoning to bear on Christian thought about eschatology and its vital connection with the missionary responsibility of the church. It rewards our careful attention. Stephen Williams, Professor of Systemic Theology at Union Theological College, Belfast. Eschatology in relation to mission is often reduced to plans for Ohishingi the Great Commission as soon as possible or to lurid end time scenarios that feed our fantasy more than they fuel biblical mission. So it is refreshing to have this wide ranging in depth study of the theme that engages with one of the most well known theologians of biblical hope Jürgen Moltmann alongside a number of renowned evangelical scholars yet stays rooted in the text and vision of the Bible itself. This is searching theology in the service of biblical mission as all theology ultimately should be. Chris Wright, International Director, Langham Partnership International. **Events That Formed the Modern World** Frank W.

Thackeray, John E. Findling, 2012-05-31 This comprehensive five volume set contains readable essays that describe and interpret the most important global events since the European Renaissance some accompanied by related document excerpts and primary source materials. What were the effects of the Age of Exploration on today's ethnic groups and social structure? How did the development of moveable type pave the way for Facebook and Twitter? Why is the Reformation so critical for understanding today's religious controversies? This set will help readers answer these questions by exploring the most significant historical events of the modern world. This five volume set covers times from the Renaissance to the present. Each volume focuses on a specific historic period and examines 12 events within those time frames that changed the world. Each entry provides an introduction that lays out factual material in a chronological manner, an in depth essay interpreting the event's significance, and an annotated bibliography of the most important current works on the topic. Select entries are followed by primary sources pertaining to the event under consideration such as diary entries. Targeted to both general readers as well as entry level university students, this book also directly supports high school and undergraduate curricula, allowing students to identify and contextualize events in order to think critically about their causes, aftermath, and legacy.

An Introduction to Colonial African-American Evangelical Theology Cory J. May, 2025-02-04 Who were some of the early pioneers of colonial African American Christianity? Were there specific doctrines that shaped colonial African American evangelical theology? Did influential colonial African American Christians prioritize their racial identity above and beyond their Christian identity? How did some African American Christians construct their Blackness, sense of belonging, and existence within shared space with the human Other? The genuine Christian faith of many colonial evangelical African Americans has been for some time systematically ignored, dismissed, and neglected. The darker aspect of this agenda, at least for some, is that when these colonial Christians are discussed, their existence is typically reinterpreted through contemporary Western racialized politics. The greatest protagonists of this sociopolitical drama have been various influential Black scholars within and outside the academy. This project serves as an introductory discourse into the theology and authentic faith of

various colonial evangelical African Americans who influenced the identity sense of belonging and conceptions of shared space for Christians within and outside the colonial Black church The journey this book will take some through is within the conservative evangelical tradition of African American Christianity
