which have been used by us with a grateful recognition of their merits but also with a constant regard to their deficiencies and our own peculiar wants In addition to a number of earlier and later labors of this kind we would specially mention Caspari s admirable Explanation of the Catechism which incorporates the best results of earlier labors in this department Its vigorous popular style and original independent treatment of the subject are inimitable and its fulness of thought is in the highest degree instructive and suggestive We have made a grateful use of it at times even word for word without however surrendering our independence or forgetting our duty And so may this little volume go forth into the world finding many faithful readers and students and charitable judges and accomplish much good through the blessing of God and to his glory In the name of the Evangelical Lutheran Synod of Pennsylvania and adjacent States W J MANN G F KROTEL PHILADELPHIA June 25 1863
