

"This is not Johnson's war. This is America's war.
If I drop dead tomorrow, this war will still be with you."
—LBJ, October 13, 1967

LYNDON JOHNSON'S WAR

Larry Berman

Lyndon Johnsons War The Road To Stalemate In Vietnam

Donald L. Westerfield

Lyndon Johnsons War The Road To Stalemate In Vietnam:

Lyndon Johnson's War Larry Berman,1989 Illuminates the bankruptcy of the campaign against North Vietnam
Lyndon Johnson's War Larry Berman,1992-05 **Vietnam's American War** Pierre Asselin,2018-01-11 A survey of the Vietnamese communist experience during the Vietnam War 1954 75 with a focus on high level decision making and military planning *Review of Current Military Literature* ,1990 *Military Review* ,1990 **Professional Journal of the United States Army** ,1990 *Presidential War Power* Louis Fisher,2004 For this new edition Louis Fisher has updated his arguments to include critiques of the Clinton Bush presidencies particularly the Use of Force Act the Iraq Resolution of 2002 the preemption doctrine of the current U S administration the order authorizing military tribunals **Uncertain Warriors** David M. Barrett,1993 Lyndon Johnson when it comes to his role in the Vietnam war is popularly portrayed as an irrational hawkish leader who bullied his advisers and refused to solicit a wide range of opinions That depiction David Barrett argues is simplistic and far from accurate *Shadow on the White House* David L. Anderson,1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In *Shadow on the White House* seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon com **The Johnson Years: LBJ at home and abroad** Robert A. Divine,1987 *Honorable Warrior* Lewis Sorley,1998 A man of extraordinary inner strength and patriotic devotion General Harold K Johnson was a soldier s officer loved by his men and admired by his peers for his leadership courage and moral convictions Lewis Sorley s biography provides a fitting testament to this remarkable man and his dramatic rise from obscurity to become LBJ s Army Chief of Staff during the Vietnam War A native of North Dakota Johnson survived more than three grueling years as a POW under the Japanese during World War II before serving brilliantly as a field commander in the Korean War for which he was awarded the Distinguished Service Cross for extraordinary

heroism The latter experiences led to a series of high level positions that culminated in his appointment as Army chief in 1964 and a cover story in Time magazine What followed should have been the most rewarding period of Johnson's military career Instead it proved to be a nightmare as he quickly became mired in the politics and ordeal of a very misguided war Johnson fundamentally disagreed with the three men LBJ Secretary of Defense Robert McNamara and General William Westmoreland running our war in Vietnam He was sharply critical of LBJ's piecemeal policy of gradual escalation and his failure to mobilize the national will or call up the reserves He was equally despondent over Westmoreland's now infamous search and destroy tactics and reliance on body counts to measure success in Vietnam By contrast he advocated greater emphasis on cutting the North's supply lines helping the South Vietnamese provide for their own internal defenses and sustaining a truly legitimate government in the South Unheeded he nevertheless continued to work behind the scenes to correct the nation's flawed approach to the war Sorley's study adds immeasurably to our understanding of the Vietnam War It also provides an inspiring account of principled leadership at a time when the American military is seeking to recover the very kinds of moral values exemplified by Harold K Johnson As such it presents a profound morality tale for our own era

Lyndon Baines Johnson Thomas Langston, 2002-08 Now that much of the political and emotional heat that Johnson 1908-73 generated during his political career has cooled Langston political science Tulane U assesses his leadership as president of the US and what it has meant to the country and the world After a biographical sketch he considers campaigns and elections administration policies crises and flashpoints institutional relations and retirement Each chapter appends several relevant documents Annotation copyrighted by Book News Inc Portland OR [Looking Back on the Vietnam War](#) William Head, William P. Head, Lawrence E. Grinter, 1993-07-13 This text is the first to closely compare and contrast the Gulf and Vietnam Wars on both the war and home fronts Widely respected experts give a balanced new perspective on the Vietnam War based on considerable new primary research to explain the salient factors that contributed to the decision making air and ground considerations and outcome This text carefully focused for classes in modern American history and military studies appraises the legacies of the Vietnam War that have been felt in the United States for the last two decades

War Powers Donald L. Westerfield, 1996-04-16 This study provides a balanced and scholarly analysis of the war powers controversy a controversy as old as the Constitution and as current as the conflicts in the Persian Gulf and the Balkans The work examines the debates among the Founding Fathers Congressional and United Nations resolutions communications between the Executive and Congress as well as other issues surrounding the use of military force in foreign conflicts The author considers the impact on the war powers controversy of the ways in which warfare has changed from conventional to electronic and from major ground force actions to swift air strikes and rapid response troop deployments Particularly relevant is the author's examination of war powers in the present time of overall world peace but sporadic regional conflict the context in which the struggle between Congress and the Executive over war making limits and constraints continues This

work will be of interest to scholars and students alike in American government politics and military studies

Teaching the Vietnam War Joe P. Dunn, 1990

Thinking Through the Past: Since 1865 John Erwin Hollitz, 2001

The Journal of Military History, 1996 Includes scholarly articles and book reviews on topics in military history

The Longman Handbook of Modern American History, 1763-1996 Chris Cook, David Waller, 1998 This brand new Handbook will be greatly welcomed by all those teaching and studying American history and politics and indeed by all those simply interested in American affairs It comes as a natural companion to the existing and now well established Handbooks of British and European history The book covers the period from the War of Independence to the present day and is aimed at providing the reader with a handy user friendly desktop companion on all major aspects of modern American history and politics It includes A section devoted to Political History This includes a detailed chronology of the main events information on the Constitution and subsequent amendments listings of all the presidents and major office holders notes on the legislature the judicature and the political parties The actual Constitution and the Bill of Rights are reproduced as appendices at the end of the text Chronologies backed up by key statistics on all the major themes in Social and Religious History Readers will find information on for example public health and social welfare black American history American Indians the women s movement pacifism and the anti war movement and the environment Key facts and figures in Economic History including sections on population immigration industry and trade agriculture and transport Detailed information on Foreign Affairs and Defence The authors have provided concise summaries of all the major wars and two chronologies one on the armed forces and a second on the Cold War nuclear rivalry and detente between 1942 and 1991 Supporting these main sections are over two hundred succinct Biographies of the key figures a remarkably comprehensive Glossary of Terms running to over sixty pages of text an extensive thematically arrange Topic Bibliography and six maps The book packs an immense amount of information into a convenient and accessible form and will be an invaluable resource for anyone for whom the study of American history is a preoccupation or a pleasure

Quotations on the Vietnam War Gregory R. Clark, 2001 In the history of American warfare no military action is so controversial or misunderstood as the Vietnam Conflict Since America s first involvement in the 1940s to the present the causes effects and lingering ambiguities have been discussed and debated at great length Vietnam is the quintessential intellectuals war This dictionary of quotations records the words of the famous the nonfamous and the infamous alike Presidents and dissidents and everyone in between cover the gamut of topics related to the war and their comments range from the sobering to the shocking to the ironic to the profound The quotations are arranged by year beginning in 1944 with the first hints of the trouble to come in Southeast Asia and continuing up through the present day The final section is a collection of generally undated proverbs graffiti and comments that describe war in general and capture the Vietnam experience in particular Each quotation includes the speaker and the time or occasion that prompted it as well as background information on the utterance and the events to which it refers Subject keyword and name indexes allow for easy
