**Maat** Ra Un Nefer Amen,2003 In 1985 Ra Un Nefer Amen received through divine revelation the Metu Neter Word of God oracle In Maat the 11 laws of God he shares the revelations he has received concerning the laws correlated with the Tree of Life that influence and govern people s lives Back cover His preface indicates that he refers to the Kamitic Tree of Life rather than the somewhat different Hebraic version      **Vision for Regenerative Harmonious Society of Woman & the Law of Maat** ABUNA HETEP RA,2009-08-19 This book is an African American Womans Vision realized from societies paradigm of addictions to a paradigm shift in Consciousness back to her True Self To you the reader know this may not be what you expected in that the title appears to be all about women Well this is true however we have all asked the question why am I here Book I is only intended to validate the true status of women Who hold the sacred portal of love to transport YOU into the world The primary counterpart who complement and set the premise for the protective and social qualities That bond society and man to suckle nurture an affection of love and that it is you who must keep the love flowing Therefore apparently this quest includes men as well Everybody Realized God did not leave us alone with academia to point the way of discovering who we are or why we are here on Earth That there are Universal Laws that support all of academia yet these laws unveil a greater purpose and our collective destiny      **From Mythology to Reality: Moving Beyond Rastafari** Seon M. Lewis,2013-10-19 The main thesis of this book is based on the Rastafarian Movement This book presents information about this movement in one place that is largely not know by the many adherents of the faith Moreover this book presents a unique view of the Movement a view embedded in a Grenadian Caribbean experience This view however is not narrowly placed but is argued within a wider world context and thus explains whether the Rastafarian movement can be a force for good both within the black community and the world at large Editor and author Norm R Allen Jr said that This well researched book expertly demolishes the ridiculous notion among Rastafarians that Emperor Haile Selassie of Ethiopia is God Moreover Lewis offers many excellent critiques of theism the Bible Rastafarianism Afrocentric thought and religion in general This book is informative to everyone      **The God in Us** Hlumelo Biko,2024-06-07 This book traces the unitary source of all of the world s major religions The book underscores the fact that there are many ways in which humanity has sought revelation of God yet there is a common inspiration behind humanity s God concept The author s analysis of world religions or faiths adopts a multi interdisciplinary approach taking the reader through historical anthropological archaeological and theological viewpoints to make juxtapositions God in us is a rich resource that helps the readers understand the origins of human civilisation and how humans began to worship God domesticate animals like sheep invent astrology and create languages Biko s research also delves deeper into unveiling African indigenous knowledge systems and science that predate the arrival of the colonisers on the African soil Print edition not for sale in Sub Saharan Africa      **A River Called Time** Courttia Newland,2025-07-01 A monumental speculative fiction story of love loyalty politics and

conscience set in parallel Londons Short listed for the Arthur C Clarke Award A dystopian multiverse imagined at thrilling scale Extraordinary The excitement lies largely in its ideas about power and personal responsibility Times Literary Supplement The Ark was built to save the lives of the many but rapidly became a refuge for the elite the entrance closed without warning Years after the Ark was cut off from the world a world much like our own but in which slavery has never existed a chance of survival within the Ark s confines is granted to a select few who can prove their worth Among their number is Markriss Denny whose path to future excellence is marred only by a closely guarded secret without warning his spirit leaves his body allowing him to see and experience a world far beyond his physical limitations Once inside the Ark Denny learns of another with the same power whose existence could spell catastrophe for humanity He is forced into a desperate race to understand his abilities and in doing so uncovers the truth about the Ark himself and the people he thought he once knew

**The Black Experience and Navigating Higher Education Through a Virtual World** Hairston, Kimetta R.,Edmonds, Wendy M.,Clark, Shanetia P.,2021-06-25 The treasure of the Black experience at a Historically Black College University HBCU is that it offers a personal and intimate experience rooted in Black heritage that cannot be found at other institutions On campus face to face instruction and activities focused on addressing issues that plague the Black community are paramount This provides students with small classroom environments and the personal support from administrators faculty and staff In March 2020 the Black experience was interrupted when a global pandemic forced governors to declare states of emergencies and mandate stay at home orders The stay at home orders forced universities to transition into fully remote environments Doing so heightened an array of emotions compounded by the reality of previously recognized disparities in resources and funding amongst higher education institutions As a result of this abrupt transformation the HBCU experience was impacted by positive and negative implications for Black people at the campus local state and national levels The Black Experience and Navigating Higher Education Through a Virtual World explores the reality of the Black experience from various perspectives involving higher education institutions with a focus on HBCUs The book provides an overview and analysis of a virtual experience that goes beyond the day to day technological implications and exposes innovative ideas and ways of navigating students and faculty through a remote world It focuses on heightening the awareness of disparities through the Black experience in a virtual environment provides guidance on transitioning to fully remote environments examines leadership dynamics in virtual environments analyzes mental health balance and examines implications on the digital divide Covering topics such as online course delivery self health and social justice this book is essential for graduate students academicians diversity officers in the academy professors and researchers Ancient Egypt Stewart Ross,2005-12-30 Presents full color illustrated photographs and drawings depicting ancient Egyptian civilization and examines ancient ruins works of art and what life was life in ancient Egypt *The Undivided Heart* Zachary Alan Starr,2025-07-31 The Undivided Heart presents a history of legal and moral thought in Jewish civilization from the earliest

times until 200 CE It discusses Israelite wisdom literature biblical law collections the prophets works of the Hellenic Jewish Diaspora the apocrypha apocalypses the Dead Sea Scrolls and the Mishnah and it compares the moral teaching of the Pharisees tannaim the Essenes and Jesus of Nazareth Among the book s important insights is that ancient Israel experienced a fundamental moral change from people esteeming qualities and conduct having competitive value to people esteeming qualities and conduct having cooperative value These newly esteemed qualities and conduct were moreover not originally justified as being commanded by God but as promoting the nation s well being Another important insight concerns Jeremiah s belief that human beings would not be righteous until given a single heart Although Jeremiah is typically understood as envisioning the end of free will this book argues that Jeremiah was actually envisioning the integration of human desires and emotions and that a single heart is better translated an undivided heart The notion of an undivided and a divided heart was used throughout the Second Temple period to explain respectively moral rectitude and moral failure *Cosmos, Chaos, and the World to Come* Norman Cohn, Professor Norman Cohn, 2001-01-01 All over the world people look forward to a perfect future when the forces of good will be finally victorious over the forces of evil Once this was a radically new way of imagining the destiny of the world and of mankind How did it originate and what kind of world view preceded it In this engrossing book the author of the classic work *The Pursuit of the Millennium* takes us on a journey of exploration through the world views of ancient Egypt Mesopotamia and India through the innovations of Iranian and Jewish prophets and sages to the earliest Christian imaginings of heaven on earth Until around 1500 B C it was generally believed that once the world had been set in order by the gods it was in essence immutable However it was always a troubled world By means of flood and drought famine and plague defeat in war and death itself demonic forces threatened and impaired it Various combat myths told how a divine warrior kept the forces of chaos at bay and enabled the world to survive Sometime between 1500 and 1200 B C the Iranian prophet Zoroaster broke from that static yet anxious world view reinterpreting the Iranian version of the combat myth For Zoroaster the world was moving through incessant conflict toward a conflictless state cosmos without chaos The time would come when in a prodigious battle the supreme god would utterly defeat the forces of chaos and their human allies and eliminate them forever and so bring an absolutely good world into being Cohn reveals how this vision of the future was taken over by certain Jewish groups notably the Jesus sect with incalculable consequences Deeply informed yet highly readable this magisterial book illumines a major turning point in the history of human consciousness It will be mandatory reading for all who appreciated *The Pursuit of the Millennium* **Jealous Gods and Chosen People** David Leeming, 2004-03-04 Scholar Leeming offers the first comprehensive narrative study of the mythology of the Middle East that tumultuous region that was the cradle of civilization Leeming begins with a brief history followed by an in depth discussion of the mythology of the region ranging from prehistoric figures such as the mother goddess of Catal Huyuk to Mesopotamian gods such as Marduk and mythic heroes such as Gilgamesh to the pantheon of Egyptian mythology He also explores the mythology of the three great

monotheistic religions of the region Judaism Christianity and Islam In a provocative epilogue Leeming notes that fundamentalists in the area s three religions today all see their way as the only way forgetting that myths represent truths that are spiritual and philosophical not historical events that can be used to justify acts of violence From publisher description **Egyptian Wisdom in the Revelation of John the Divine** Gerald Massey,2008-11-01 The drama opens in Revelation the same as in the Book of the Dead with the resurrection and the glory of the coming Son Behold He cometh with the clouds and every eye shall see Him It is the risen Lord of Resurrection who says I was dead and behold I am alive evermore and I have the keys of death and of hades Ch i 18 This is Horus of the resurrection risen from Amenta in his triumph over death and hell or Sut and Akar He proclaims himself to be the all one Har Sum tau Neb U Jesus like Horus is the faithful witness for the Father from Egyptian Wisdom in the Revelation of John the Divine It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey s massive Ancient Egypt The Light of the World first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 11 of Ancient Egypt in which Massey demonstrates how Scripture was created from the remains of Egypto gnostic traditions with little knowledge of the ancient wisdom upon which it drew through the specific example of the Biblical story of the Book of Revelation and John the Divine Using Egyptian mythology Massey makes sense of the apocalyptic visions of Revelation by showing how they are actually the work of Taht Aan a pre Christian John the Divine Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including A Book of the Beginnings and The Natural Genesis **The Symbolism of the Biblical World** Othmar Keel,1997 Originally published New York Seabury Press c1978 *Living and Dying Well in Philippians* Gregory E. Lamb ,2025-03-17

**Revival: Book Of The Dead (1901)** Ernest Alfred Thompson Wallis Budge,2018-05-08 The translations of the Egyptian hymns and religious texts printed in this and the two following volumes form a representative collection of the various compositions which the Egyptian inscribed upon the walls of tombs and sarcophagi coffins and funeral stelae papyri and amulets etc in order to ensure the well being of their dead in the world beyond the grave These translations first appeared in the third volume of my work on The Book of The Dead which was published under the title The Chapters of Coming Forth by Day at the end of the year 1897 where they seemed to be a necessary accompaniment to the edition of the hieroglyphic texts of Theban Recension and the hieroglyphic vocabulary thereto The demand for that bulky and comparatively expensive work proved that it filled a want but soon after its appearance frequent requests were made that the English translation might be issued in a smaller and handier form **Finishing the Mysteries of Gods and Symbols** Seven Star Hand,2010-09-17 Here

is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them

**Character Ethics and the Old Testament** M. Daniel Carroll R., Jacqueline E. Lapsley, 2007-01-01 Throughout the Old Testament the stories laws and songs not only teach a way of life that requires individuals to be moral but they demonstrate how In biblical studies character ethics has been one of the fastest growing areas of interest Whereas ethics usually studies rules of behavior character ethics focuses on how people are formed to be moral agents in the world This book presents the most up to date academic work in Old Testament character ethics covering topics throughout the Torah the Prophets and the Writings in addition to the use of the Bible in the modern world In addition to Carroll and Lapsley contributors are Denise M Ackermann Cheryl B Anderson Samuel E Balentine William P Brown Walter Brueggemann Thomas B Dozeman Bob Ekblad Jose Rafael Escobar R Theodore Hiebert Kathleen O Connor Dennis T Olson J David Pleins Luis R Rivera Rodriguez J J M Roberts and Daniel L Smith Christopher
