

Mab And The Lords Supper

Tobias Bleicker

Mab And The Lords Supper:

The Last Supper Paul Elie, 2025-05-27 This enthralling group portrait brings to life a moment when popular culture became the site of religious strife that set the stage for some of the most salient political and cultural clashes of our day. Circa 1980, tradition and authority are in the ascendant both in Catholicism via Pope John Paul II and in American civic life through the Moral Majority and the so-called televangelists. But the public is deeply divided on issues of body and soul, devotion and desire. Enter the figures Paul Elie calls cryptoreligious. Here is Leonard Cohen writing Hallelujah on his knees in a Times Square hotel room; Andy Warhol adapting Leonardo's *The Last Supper* in response to the AIDS pandemic; Prince making the cross and altar into signs of the times; Toni Morrison's spirits speak from the grave; Patti Smith and Bruce Springsteen deepen the tent revival intensity of their work; Wim Wenders offers an angel's eye view of Berlin; U2, the Neville Brothers, and Sinéad O'Connor reckon with their Christian roots in music of mystic yearning. And Martin Scorsese overcomes fundamentalist ire to make *The Last Temptation of Christ* a struggle that anticipates Salman Rushdie's struggle with Islam in *The Satanic Verses*. In Elie's acclaimed first book *The Life You Save May Be Your Own*, Catholic writers ventured out into the wilds of postwar America in this book, creative figures who were raised religious go to the margins of conventional belief, calling forth controversy. Episodes such as the boycott sparked by Madonna's *Like a Prayer* video and the tearing up of Andres Serrano's *Piss Christ* in Congress are early skirmishes in the culture wars, but here the creators, not the politicians, are the protagonists, and the work they make speaks to conflicts that remain unsettled. *The Last Supper* explores the bold and unexpected forms an encounter with belief can take. It traces the beginnings of our postsecular age in which religion is at once surging and in decline. Through a propulsive narrative, it reveals the cryptoreligious imagination as complex, credible, daring, and vividly recognizable.

Moravian Soundscapes Sarah Justina Eyerly, 2020-05-05 In *Moravian Soundscapes*, Sarah Eyerly contends that the study of sound is integral to understanding the interactions between German Moravian missionaries and Native communities in early Pennsylvania. In the mid-18th century, when the frontier between settler and Native communities was a shifting spatial and cultural borderland, sound mattered. People listened carefully to each other and the world around them. In Moravian communities, cultures of hearing and listening encompassed and also superseded musical traditions such as song and hymnody. Complex biophonic, geophonic, and anthrophonic acoustic environments or soundscapes characterized daily life in Moravian settlements such as Bethlehem, Nain, Gnadenhütten, and Friedenshütten. Through detailed analyses and historically informed recreations of Moravian communal, environmental, and religious soundscapes and their attendant hymn traditions, *Moravian Soundscapes* explores how sounds, musical and nonmusical, human and nonhuman, shaped the Moravians' religious culture. Combined with access to an interactive website that immerses the reader in mid-18th century Pennsylvania and framed with an autobiographical narrative, *Moravian Soundscapes* recovers the roles of sound and music in Moravian communities and provides a road map for similar studies of other places and religious traditions in the
