brand of religion that is essential for healthy politics the overlooking of coercive forces that reduce politics to power and the loss of true authority In this book Cristante comprises Machiavelli as a virtuous unprecedented extreme humanist in stark contrast to the common incessant interpretations of him being a teacher of evil a diabolical soulless political advisor A subversive satirical interpretation of The Prince has been formed herein extending from the generated knowledge of history and the history of Machiavelli's own experience From the vivacious and unraveling Italian Renaissance a cogent force prompted Machiavelli to create his literary works in order to form an educational cure for the deteriorating human condition of his time and any time There is in Machiavelli a differing sense of newness from that which is commonly known today which circumvents its worth in this distinct educative interpretation Machiavelli goes back in time in order to produce lessons applicable to correct the shortages in his and every present day With a divergent view of the works of art and literature outlined in this analysis Machiavelli's education becomes revived today in creating a virtuous political spiritual and cultural dynamism as a battle cry to repel the ignorance and great misfortunes in our human condition **Machiavelli** Niccolò Machiavelli, 1989-07-27 From praise for the 1965 edition Allan Gilbert is unquestionably the most accurate and reliable translator of Machiavelli into English the publication of this edition is an altogether happy occasion Students of the history of political thought owe a particular debt of gratitude to Allan Gilbert Dante Germino The Journal of Politics A most remarkable achievement Felix Gilbert Renaissance Quarterly **Black Athena** Martin Bernal, 2020-02-14 Black Athena an audacious three volume series strikes at the heart of today's most heated culture wars Martin Bernal challenges Eurocentric attitudes by calling into question conventional explanations for the origins of classical civilization Provocative passionate and colossal in scope this thoughtful rewriting of history continues to stir academic and political controversy *Diplomatic Theory from Machiavelli to Kissinger* G.
