The European Commission of the Twenty-First Century Hussein Kassim,John Peterson,Michael W. Bauer,Sara Connolly,Renaud Dehousse,Liesbet Hooghe,Andrew Thompson,2013-06-27 The European Commission is arguably the world s most powerful international administration It plays a central role in the political system of the European Union The Commission is a permanent presence in the life of the member states but its influence is felt far beyond their borders Viewed historically as the motor of European integration the Commission is the subject of intense controversy It is portrayed frequently as technocratic monolithic and unaccountable but also as fragmented and weakly led According to accepted

wisdom it is populated by career bureaucrats who want only to expand the competencies of the Union and therefore their own power This book tests these views It asks Who are the people who work for the organization What are their educational and professional backgrounds What do officials believe about the role of the Commission in the EU today and whether the Union should have more or less power What leads them to choose to pursue a career in the Commission and how do they navigate its complexities How does the Barroso Commission compare to previous Commissions How harmonious are relations between cabinets and the services What has been the impact on the Commission of reform and of the big bang enlargement Co authored by an international team of researchers this book draws on original data from the largest attitudinal survey ever conducted by independent researchers inside the Commission as well as a structured programme of interviews with senior officials It provides an authoritative account of the European Commission of the twenty first century Research Handbook on Line Managers Keith Townsend, Anna Bos-Nehles, Kaifeng Jiang, 2022-11-11 This timely Research Handbook brings together 24 chapters with a wide range of different theoretical perspectives empirical research and innovative thought provoking ideas relating to an area of organisation and management that has been neglected for many decades line managers **The Outstanding Middle Manager** Gordon Tinline, Cary Cooper, 2016-09-03 Recent research shows that the number of people in senior specialist and middle management positions is growing As organizations continue to flatten the middle becomes the place where many will spend the majority of their careers The Outstanding Middle Manager is the new guide to dealing with those pressures specific to the role and maximizing the opportunities to forge a fulfilling and balanced career in the middle Drawing on the latest research into workplace trends strategic management and work life balance Tinline and Cooper focus on middle management as an opportunity level Readers can discover strategies for managing upwards as well as downwards how to deal effectively with generational differences and an evolving workplace influencing empowerment and team building skills and stress and life management strategies that bring clarity and purpose With a focus on lateral development and progression as a career choice The Outstanding Middle Manager empowers readers to take control of their mid level career to become more fulfilled more resilient and more satisfied **European Journal of Tourism Research** , 2013-04-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words

Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism CompleteCABI Leisure Recreation and TourismProQuest Research Library Individual articles can be rented via journal s page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research

The Palgrave Handbook of the European Administrative System M. Bauer,J. Trondal,2015-01-28 Drawing on research from the administrative sciences and using organizational institutional and decision making theories this volume examines the emerging bureaucratic framework of the EU and highlights that analyzing the patterns and dynamics of the EU s administrative capacities is essential to understand how it shapes European public policy Medical Bulletin of the European Command ,1972 *Handbook on European Union Public Administration* Gijs J. Brandsma,2024-05-02 This Handbook introduces the institutions organisations and policy processes that make up EU public administration including those that typically operate beneath the surface and critically reviews the state of the art in research Paying close attention to the multi level nature of EU governance it is a vital resource for graduate and postgraduate students in the disciplines of European studies political science and EU law This title contains one or more Open Access chapters The Emerging European Enterprise Gareth P Dyas,Heinz T Thanheiser,1976-10-28 Rescaling Social Policies towards Multilevel Governance in Europe Yuri Kazepov,2017-10-24 The workings of multi level governance institutional choices concerning centralisation decentralisation and subsidiarity are widely debated within European public policy but few systematic studies assessing the effects of changing divisions of power for policy making have been carried out This volume offers an assessment of the workings of multi level governance in terms of social welfare policy across different clusters of European states Nordic Southern European Central and East European This book reports on a major comparative study at the European Centre for Social Welfare policy and Research which included partners from universities in Finland France Italy Norway Sweden Poland Spain and Switzerland It reports on three particular policy areas social assistance and local policies against poverty activation and labour market policies and care for the elderly The authors describe different starting points strategies and solutions in European countries which are facing similar challenges and could thus learn from each other They explore the differences between European welfare regimes in terms of territorial responsibilities the changes that have taken place over the past few years and their effects The book is distinctive in highlighting comparative transversal and transnational issues of multi level governance in social welfare policies rather than presenting country reports
