MISSING PIECES

A Chronicle of Living With a Disability

WITH A NEW FOREWORD BY NANCY MATHIS

"Important and moving because [Zola] tells his own story, and we really see a man grow, while in the process, and accept his particular vision and complex handicaps."

Polio Voices Julie K. Silver,2007-08-30 Incorporating many rare photographs from the family albums of survivors who tell their stories Harvard professor Julie Silver M D and historian Daniel Wilson help readers understand the sheer terror that gripped parents of young children every spring and summer during the first half of the 20th century as polio epidemics ran rampant Interviewed as part of the Polio Oral History Project directed by Silver and funded by Harvard foundations and private donors the people featured in this book describe what is arguably the most feared scourge of modern times Testimonies are included from people who worked in polio wards as well as from those involved in worldwide eradication efforts The book also addresses the emergence of the polio and disability rights movement the challenges of post

polio syndrome and the state of polio research and developments today And it explores the concern that polio could return in an even more vicious form as a result of bioterrorism **The Social Model of Disability in India** Ranjita Dawn,2021-05-27 This book presents various paradigms and debates on the diverse issues concerning disability in India from a sociological perspective It studies disability in the context of its relationship with concepts such as culture religion media literature and gender to address the inherent failures in challenging prevalent stereotypical and oppressive ideologies It traces the theological history of disability and studies the present day universalized social notions of disablement The volume challenges the predominant perception of disability being only a medical or biological concern and provides deeper insight into the impact of representation through an analysis of the discourse and criteria for normalcy in films from the nineteenth and twentieth centuries It analyzes the formation of perspectives through a study of representation of disability in print media especially children s literature comics and graphic novels The author also discusses the policies and provisions available in India for students with disabilities especially women who have to also contend with gender inequality and gender based discrimination The book will be of interest to scholars and researchers of disability studies educational psychology special education sociology gender studies politics of education and media ecology It will also be useful for educationalists NGOs special educators disability specialists media and communication professionals and counsellors Nothing About Us Without Us James I. Charlton,1998 A study of the global oppression of people with disabilities and the international movement that has recently emerged to resist it A theoretical overview of disability oppression that shows its similarities to and differences from racism sexism and colonialism Jacket Disability Studies and Biblical Literature C. Moss,J. Schipper,2011-11-09 The primary aim of this volume is to synthesize the two fields of disability studies and biblical studies It illustrates how academic or critical biblical scholarship has shown that many texts involving disability in the Bible is much more nuanced than a casual reading or isolated proof texting may indicate **Disability as a Social Construct** Claire H. Liachowitz,2010-11-24 Wounded soldiers injured workers handicapped adults and physically impaired children have all been affected by legislation that reduces their opportunities to live a functional life In Disability as a Social Construct Claire Liachowitz contends that disability is not merely a result of a handicap but can be imposed by society through devaluation and segregation of people who deviate from physical norms She analyzes pertinent American legislation primarily from 1770 to 1920 to provide a new perspective on the mechanisms that translate physical defects into social and civil inferiority
