## **Mission Of Honor:**

*Mission of Honor* David Weber, 2010-07-01 The Star Kingdom of Manticore and the Republic of Haven have been enemies for Honor Harrington's entire life and she has paid a price for the victories she's achieved in that conflict. And now the unstoppable juggernaut of the mighty Solarian League is on a collision course with Manticore. The millions who have already died may have been only a foretaste of the billions of casualties just over the horizon and Honor sees it coming. She's prepared to do anything, risk anything to stop it and she has a plan that may finally bring an end to the Havenite Wars and give even the Solarian League pause. But there are things not even Honor knows about. There are forces in play, hidden enemies in motion, all converging on the Star Kingdom of Manticore to crush the very life out of it and Honor's worst nightmares fall short of the oncoming reality. But Manticore's enemies may not have thought of everything after all. Because if everything Honor Harrington loves is going down to destruction, it won't be going alone. At the publisher's request, this title is sold without DRM (Digital Rights Management).

**Mission of Honor** Tom Clancy, Steve Pieczenik, 2002-06-04 The Ops Center team faces untold chaos on a mission in Africa in the ninth novel in the 1 New York Times bestselling series created by Tom Clancy and former Department of State official Steve Pieczenik. On the surface it seems a simple case: a group of African militiamen have kidnapped a priest and ordered all Catholic missionaries to leave the nation of Botswana. But the Vatican thinks otherwise. At its urging, Op Center investigates and finds out that the real purpose of the crime is a plan by outside forces to destabilize the government and seize the nation's diamond mines. With its military team, Striker, out of commission, Op Center must reinvent itself and head straight into the crossfire of an African war.

**A Mission of Honor** Daniel J. Henry, 2013-08-07 Two families see their sons off to war. One family from the upper middle class in Los Angeles. The other from a poor family from a small town in Ohio. One lively young man was engaged to a beautiful young lady and the other a rambunctious single youth who was unattached yet loved life. One married his sweetheart before shipping overseas as a skilled fighter pilot. Both men would unknowingly cross paths on the fateful final mission for one of them. The pilot became just another statistic that day in March of 1944 when he joined the ranks of thousands of missing in action and left a grieving young widow behind. The other flew over two dozen bombing missions before being shot down and listed as killed in action. The missing pilot was recovered two years later from a small village cemetery in France and the other from a distant corner in a German country cemetery. Each of their families knew so very little of what had happened to them that we could only accumulate a paragraph of information between the two. Nearly sixty years after the war, with each family's permission, I set out to discover the truth of their service and missions, including their final mission and ultimate sacrifice. Through modern technology and detective work, I located those that served with them and discovered the truth of what happened to each. The local witnesses of these tragic events came forward to not only tell their story but to honor two strangers from a far-off land from decades ago. I realized I could not just tell the facts but I was also compelled to remember them for the uncles, brothers,

sons and heroes that they were Especially for a an 88 year old widow who never remarried and still waits to be reunited with the love of her youth This journey this story to bring Bradford Wikholm and Lawrence Hambel out from the stack of WWII statistics tell their stories and remember them My quest for truth ultimately became a mission of honor **Men** ,1896
