Wright,2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest
scholarship on the biblical theology of mission and missional hermeneutics with Christopher J H Wright s classic text now
fully revised and updated Most Christians would agree that the Bible provides a basis for mission But Christopher Wright
boldly maintains that there is a missional basis for the Bible itself The entire Bible is generated by and is all about God s
mission In order to understand the Scriptures we need a missional hermeneutic an interpretive perspective in sync with the
beating heart of its great mission Wright gives us a new hermeneutical perspective on Scripture through an understanding of
Who God is What he has called his people to be and do How the nations fit into God s mission In this revised edition of The
Mission of God Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics
has developed since its original publication With fully updated citations and additional chapters focused on gospel centered
holistic mission and on the issue of election and supersessionism this new edition addresses the questions criticisms and
insights that have emerged during the intervening two decades God s mission is to reclaim the world and God s people have a
designated role to play Whether you re a pastor scholar or student The Mission of God will benefit your understanding of how
the Bible shapes the story and purpose of God s people **Etude Music Magazine** Theodore Presser,1895 Includes music
