Mission To Khartum The Apotheosis Of General Gordon:

Mission to Khartum: the Apotheosis of General Gordon John Marlowe, 1969 **The Political Diaries of the Fourth Earl of Carnarvon, 1857-1890: Volume 35** Peter Gordon, 2009-12-17 Based on the diaries of Henry Herbert Molyneux fourth Earl of Carnarvon this book sheds new light on Conservative politics in the second half of the nineteenth century Few political diaries of this scale and significance have survived and they reveal him to be a shrewd observer of events

British Military Operations in Egypt and the Sudan Harold E. Raugh Jr., 2008-05-02 The British Army's campaigns in Egypt and the Sudan from 1882 to 1899 were among the most dramatic and hard fought in British military history In 1882 the British sent an expeditionary force to Egypt to quell the Arabic Revolt and secure British control of the Suez Canal its lifeline to India The enigmatic British Major General Charles G Gordon was sent to the Sudan in 1884 to study the possibility of evacuating Egyptian garrisons threatened by Muslim fanatics the dervishes in the Sudan While the dervishes defeated the British forces on a number of occasions the British eventually learned to combat the insurrection and ultimately largely through superior technology and firepower vanquished the insurgents in 1898 British Operations in Egypt and the Sudan A Selected Bibliography enumerates and generally describes and annotates hundreds of contemporary current and hard to find books journal articles government documents and personal papers on all aspects of British military operations in Egypt and the Sudan from 1882 to 1899 Arranged chronologically and topically chapters cover the various campaigns focusing on specific battles leading military personalities and the contributions of imperial nations as well as supporting services of the British Army This definitive volume is an indispensable reference for researching imperialism colonial history and British military operations leadership and tactics *Into the Jaws of Death* Mike Snook, 2008-02-28 A study of British military defeats and disasters in the late nineteenth century An enthralling look at the Victorian army in adversity BBC History Magazine Between the Crimean War and the dawn of the twentieth century the British Army was almost continuously engaged in one corner of the globe or another in military operations famously characterized by Kipling as the savage wars of peace In his new work on the most dramatic Victorian campaigns Mike Snook brings the most dramatic clashes of the age of empire back to life Here he focuses closely on defeat and disaster the occasions when things went badly awry for the British The names of these great battles Isandlwana Maiwand Majuba Hill Khartoum Colenso Spion Kop and Magersfontein still resonate down through the ages In a meticulously researched military history the author exposes the true and sometimes embarrassing causes of defeat Overstretch political meddling military incompetence and petty jealousy all played their part Above all else however these are dramatic and perceptive accounts of mere mortal men struggling to deal with the often overpowering dynamics and horrors of nineteenth century warfare on the fringes of Empire **Nineteenth-Century Explorers** Britannica Educational Publishing, 2013-06-01 Although the once fuzzy outlines of the global map had largely been defined by the 19th century much had yet to be learned As some explorers continued to search either for resources or for

unknown regions others increasingly embraced a new kind of discovery that of scientific knowledge Readers will journey alongside a host of notable explorers accompanying Lewis and Clark on their famous expedition during which they both charted much of the United States and identified 178 new plants and marvelling at Charles Darwin s revolutionary findings in the Galapagos Islands Their explorations and many others are chronicled within these pages [Beyond the Reach of Empire](#) Mike Snook,2013-12-09 In the early 1880s the Mahdi unleashed a spectacularly successful jihadist uprising against Egyptian colonial rule in the Sudan Early in1884 Cairo bowed to British pressure to withdraw Beyond the Reach of Empire describes how Major General Charles Gordon was despatched to evacuate Khartoum and turn the Sudan over to self rule It goes on to explain how and why the mission backfired and then homes in on Sir Garnet Wolseley s planning and execution of the long delayed Gordon Relief Expedition which arrived according to popular myth only two days after the city had fallen and Gordon had been killed Colonel Mike Snook s narrative is characterized by scrupulous attention to detail an instinctive grasp of the period and an intimate understanding of its setting The author argues compellingly that the Khartoum campaign was mismanaged from the outset The outcome is the exoneration of Colonel Sir Charles Wilson the man cast in the role of scapegoat and an indictment of Wolseley s generalship over the course of the last and most deeply flawed campaign of his career Full review available at <http://www.warhistoryonline.com/reviews/beyond-reach-empire-wolseleys-failed-campaign-save-gordon-khartoum-review-mark-barnes.html> please copy and paste into your browser As featured in Wye Local Magazine

The United States, Great Britain, and Egypt, 1945-1956 Peter L. Hahn,2014-04-15 Egypt figured prominently in United States policy in the Middle East after World War II because of its strategic political and economic importance Peter Hahn explores the triangular relationship between the United States Great Britain and Egypt in order to analyze the justifications and implications of American policy in the region and within the context of a broader Cold War strategy This work is the first comprehensive scholarly account of relations between those countries during this period Hahn shows how the United States sought to establish stability in Egypt and the Middle East to preserve Western interests deny the resources of the region to the Soviet Union and prevent the outbreak of war He demonstrates that American officials desire to recognize Egyptian nationalistic aspirations was constrained by their strategic imperatives in the Middle East and by the demands of the Anglo American alliance Using many recently declassified American and British political and military documents Hahn offers a comprehensive view of the intricacies of alliance diplomacy and multilateral relations He sketches the United States growing involvement in Egyptian affairs and its accumulation of commitments to Middle East security and stability and shows that these events paralleled the decline of British influence in the region Hahn identifies the individuals and agencies that formulated American policy toward Egypt and discusses the influence of domestic and international issues on the direction of policy He also explains and analyzes the tactics devised by American officials to advance their interests in Egypt judging their soundness and success *Asian and African Studies* meisai.org.il, *Civilizing Women* Janice

Boddy,2018-06-05 *Civilizing Women* is a riveting exploration of the disparate worlds of British colonial officers and the Muslim Sudanese they sought to remake into modern imperial subjects Focusing on efforts to stop female circumcision in the Anglo Egyptian Sudan between 1920 and 1946 Janice Boddy mines colonial documents and popular culture for ethnographic details to interleave with observations from northern Sudan where women's participation in z r spirit possession rituals provided an oblique counterpoint to colonial views Written in engaging prose *Civilizing Women* concerns the subtle process of colonizing selfhood the British women who undertook it and those they hoped to reform It suggests that efforts to suppress female circumcision were tied to the continuation of slavery and the rise of commercial cotton growing in Sudan as well as to concerns about infant mortality and maternal health Boddy traces maneuverings among political officers teachers missionaries and medical personnel as they pursued their elusive goal and describes their fraught relations with Egypt Parliament the Foreign Office African nationalists and Western feminists In doing so she sounds a cautionary note for contemporary interventionists who would flout local knowledge and belief

War, the Army and Victorian Literature J. Peck,1998-05-13 A ground breaking study of how literature both reflected and contributed to the eclipse and subsequent revival of militarism in the nineteenth century Focusing on four major disputes in the Crimea India the Sudan and South Africa as well as the role of the army in Britain John Peck examines how Victorian writers responded to military issues At the heart of the book is a dilemma that characterises the Victorian period the impossibility of reconciling imperial aggression with liberal domestic values

Khartoum Michael Asher,2006-11-02 The British campaign in the Sudan in Queen Victoria's reign is an epic tale of adventure more thrilling than any fiction The story begins with the massacre of the 11 000 strong Hicks Pasha column in 1883 Sent to evacuate the country British hero General Gordon was surrounded and murdered in Khartoum by an army of dervishes led by the Mahdi The relief mission arrived 2 days too late The result was a national scandal that shocked the Queen and led to the fall of the British government Twelve years later it was the brilliant Herbert Kitchener who struck back Achieving the impossible he built a railway across the desert to transport his troops to the final devastating confrontation at Omdurman in 1898 Desert explorer and author Michael Asher has reconstructed this classic tale in vivid detail Having covered every inch of the ground and examined all eyewitness reports he brings to bear new evidence questioning several accepted aspects of the story The result is an account that sheds new light on the most riveting tale of honour courage revenge and savagery of late Victorian times

Transnational Transcendence Thomas J.

Csordas,2023-09-01 This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion *Transnational Transcendence* challenges some widely accepted ideas about this relationship in particular that globalization can be understood solely as an economic phenomenon and that its religious manifestations are secondary The book points out that religion's role remains understudied and undertheorized as an element in debates about globalization and it raises questions

about how and why certain forms of religious practice and intersubjectivity succeed as they cross national and cultural boundaries Framed by Thomas J Csordas s introduction this timely volume both urges further development of a theory of religion and globalization and constitutes an important step toward that theory This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion Transnational Transcendence c **The British Army 1815-1914**

Britain and Islam Martin Pugh,2019-01-01 An eye opening history of Britain and the Islamic world a thousand year relationship that is closer deeper and more mutually beneficial than is often recognized In this broad yet sympathetic survey ranging from the Crusades to the modern day Martin Pugh explores the social political and cultural encounters between Britain and Islam He looks for instance at how reactions against the Crusades led to Anglo Muslim collaboration under the Tudors at how Britain posed as defender of Islam in the Victorian period and at her role in rearranging the Muslim world after 1918 Pugh argues that contrary to current assumptions Islamic groups have often embraced Western ideas including modernization and liberal democracy He shows how the difficulties and Islamophobia that Muslims have experienced in Britain since the 1970s are largely caused by an acute crisis in British national identity In truth Muslims have become increasingly key participants in mainstream British society in culture sport politics and the economy *Cromer in Egypt*

John Marlowe,1970 **The Road to Home Rule** Paul A. Townend,2016-11-22 Shows that a rising antipathy in Ireland toward Victorian Britain s expanding global imperialism was a crucial factor in popular support for Irish Home Rule
