Invitation to World Missions Timothy C. Tennent, 2010 A primary resource introducing missions for the passionate follower of Christ *Wesleyan Pneumatology, Pentecostal Mission, and the Missio Dei* Jody B. Fleming, 2021-05-18 In Wesleyan Pneumatology Pentecostal Mission and the Missio Dei Jody B Fleming argues that missiology in a Wesleyan context has been heavily influenced by the Western worldview and needs renewal Spirituality is central to living in many non western cultures integrated with the physical world of everyday life Wesleyan traditions may need to renew and strengthen the pneumatology found in their mission theory and praxis As the center of Christianity is shifting to the global south Pentecostal and charismatic expressions of the faith are becoming more prominent Without forfeiting their solid foundations what might the Wesleyan traditions learn from their theological cousins about engagement with the Holy Spirit How might pneumatology be renewed in order to address spiritual beliefs found in other cultures in both global and local settings Renewal also includes the indigenous voice as essential for understanding cultural dynamics and spirituality Contextualization is not new to missiology and so mission theory is explored from Latin American scholars as another point for renewal Partnerships in mission and the role of the Holy Spirit are highlighted in the of field work conducted in Venezuela In Renewing the Spark the author suggests that a fresh look at pneumatology will more effectively articulate the gospel in holistic and spirit centered non western cultures *The Bible, Cultural Identity, and Missions* Dziedzorm Reuben Asafo, Daniel Kwame Bediako, Daniel Berchie, 2016-04-26 This collection brings together a number of very carefully authored articles that outline practical approaches to three of theology s most intriguing subjects namely The Bible Cultural Identity and Mission Each of these

subjects is indispensable to both the astute Christian theologian and Christian since they form the very core of what Christians believe Each contributor explores a unique theme and carefully through academic exactness and contextual experience communicates this without forgetting to employ very basic and familiar cultural analogies to drive home the missionary imperative of the Christian faith

Going Global Gary V Nelson, Gordon W. King, Terry Smith, 2011-05-01 The ways to be effective in global missions have changed The authors believe that content and values must undergird the North American local church's approach to global mission It is not enough to do something It is in fact possible to do all of the right things in all of the wrong ways with negative results It is also possible that mission over there can have as much or more on the church at home This book discusses common principles and practices that inform and energize local churches as they enter the global ministry arena This book will assist church leadership as they look for resources to help them balance the agenda of short term versus long term mission fund raising and the tension between evangelism and compassionate social ministry

Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God For in Him only is there real love And we can't even begin to understand or fathom what love really means without Him We look for it in all the wrong places But we will never find it there It's not in mankind it's not in anything in this world the way we perceive it Until we realize that it only comes from God we will only find hurt and pain and misery Believe me I know there are lots of Christians still looking for love in the wrong places It's sad to say And we are being destroyed and don't understand why So we think God has let us down and we blame Him for our depression hurt and pain We wonder why the Lord doesn't help us But what we don't realize is that God is helping us even though we don't know it You see the devil is fooling us He is taking our focus off Jesus and putting it on people and things so we can't be all that God has for us to be The failure is not in God it's in us You may say I gave him or her all the love I had and he or she betrayed me How could they do me like that But what we fail to realize is that God is our first love and we must receive His love and give Him our love first John 10:10 says The thief comes to kill steal and destroy And that is what he has been doing But you don't have to let him get away with it Jesus came that we might have life and more abundantly Otherwise Jesus is life in every area of our lives if we let him We need to ask Him to lead and guide us in all things Proverbs 3:5-6 says trust in the Lord with all thine heart lean not unto thine own understanding in all they ways acknowledge Him and He shall direct thy path So the failure is not in God it's in us for not seeking God's help Believe me I know been there done that I gave all I had to give to the wrong men yes men I say men because I kept trying to please them so they would love me But it didn't work They betrayed me jumped on me and stepped on me like a floor mat that said Welcome I know how it feels to be dogged out for love or so called love It sucks As we receive God's love then and only then will we know what love is really about It's not a fancy or fairy tale God's love is divine He is not looking at your faults He is looking at your needs Man's love so called love that is is cold taking and not wanting to give They lie they cheat they take away our pride and self esteem they pull us

down and then they have the nerve to tell us it s our fault that they treat us the way they do The devil is a liar The devil wants us to believe that we have to take all kinds of abuse that is just the way it is But the devil is a liar We don t need that kind of man because you see he s not a real man anyway He s just something wearing a pair of pants Remember we can make it just us and God God will bring us through But we must learn to trust Him I have been through hell and high waters I ve been a floor mat a punching bag I ve been stressed out I have even tried to take my life a few times when I was younger But I thank God that He said You shall live and not die Satan was trying to take me out to stop me Now I know what it is to be dogged out and kicked to the curb I know how it feels to be turned inside out not knowing if you are coming or going not knowing what to do next For some so called love As far as I am concerned they can keep it I don t need it and neither do you Why take less when we can have the best God did not make woman to be a man s floor mat He made us to be his helpmate But we can t help someone if they don t want to take it
