

What is Mission Based Management?

Mission-based management is a process for organizational decision-making that is mission-driven, ensures internal accountability, distributes resources in alignment with organization-wide goals, and is based on timely, open, and accurate information. It recognizes the need for medical schools, in this era of constrained resources, to improve their management processes and ensure the quality of the education, research, and clinical care they provide.

Educating Physicians Molly Cooke, David M. Irby, Bridget C. O'Brien, 2010-06-01 EDUCATING PHYSICIANS The current blueprint for medical education in North America was drawn up in 1910 by Abraham Flexner in his report Medical Education in the United States and Canada The basic features outlined by Flexner remain in place today Yet with the past century's enormous societal changes the practice of medicine and its scientific pharmacological and technological foundations have been transformed Now medical education in the United States is at a crossroads those who teach medical students and residents must choose whether to continue in the direction established over a hundred years ago or to take a fundamentally

different course guided by contemporary innovation and new understandings about how people learn Emerging from an extensive study of physician education by The Carnegie Foundation for the Advancement of Teaching Educating Physicians calls for a major overhaul of the present approach to preparing doctors for their careers The text addresses major issues for the future of the field and takes a comprehensive look at the most pressing concerns in physician education today The key findings of the study recommend four goals for medical education standardization of learning outcomes and individualization of the learning process integration of formal knowledge and clinical experience development of habits of inquiry and innovation and focus on professional identity formation Like The Carnegie Foundation's revolutionizing Flexner Report of 1910 Educating Physicians is destined to change the way administrators and faculty in medical schools and programs prepare their physicians for the future

The Charismatic Organization Shirley Sagawa, Deborah Jospin, 2008-10-20 The authors offer a framework that allows organizations to go beyond quick fixes and fundraising strategies to a broader paradigm that encompasses community and organization building What if every person involved with an organization was fully engaged and shared a common goal What if the efforts of a relatively small ring of staff and board members were amplified by everyone touched by the organization including current and former volunteers staff board members clients constituents funders and supporters That the authors show is the way a charismatic organization operates The book provides numerous examples of how successful organizations have made this shift as well as action steps that all organizations can take to perform better In today's interdependent world nonprofit organizations have more opportunity than ever before to make a difference in people's lives Drawing upon their extensive experience in public service Shirley Sagawa and Deborah Jospin identify the traits that give successful nonprofits the competitive edge they need to maximize their effectiveness and sustainability The Charismatic Organization Eight Ways to Grow a Nonprofit That Builds Buzz Delights Donors and Energizes Employees draws an authoritative blueprint for using social capital to transform good intentions into concrete results Former President Bill Clinton
