## **Missionary And The Libertine:**

**The Missionary and the Libertine** Ian Buruma, 2012-10-17 From Naipaul's India to the last days of Hong Kong and from the ghosts of Pearl Harbor to Benazir Bhutto Buruma delivers an engaging and incisive look at the ways East and West understand and misunderstand each other At home in both worlds Buruma traverses the realms of journalism literary criticism and political analysis to examine the dialogue of fact and fantasy that affects our perception of far away lands Whether deconstructing the films of Satyajit Ray or the novels of Yoshimoto Banana Buruma offers a splendid counterbalance to fashionable theories of clashing civilizations and uniquely Asian values In twenty five illuminating often humorous essays The Missionary and the Libertine shows us why Buruma's reputation for writing the most compelling commentary on the faultlines of the East West divide is so secure

**The Missionary and the Libertine , The Rice Queen Diaries** Daniel Gawthrop, 2010-07 In this moving autobiography Daniel Gawthrop writes about the politics and pleasures of being a self identified rice queen a gay man who is attracted to Asians Navigating through the urban jungles of Western cities like Vancouver and London as well as the humid streets of Bangkok and Saigon Daniel explores the multicultural minefields of sexuality and culture as he articulates the manners and contradictions of his desires The politics of race and the unspoken rules of gay Asian culture in both Western and Eastern settings underscore Daniel's personal journey in which he recalls his teen years spent idolizing Bruce Lee and his fixation on an Asian schoolmate whose hazing becomes a sexual spectacle for him As he enters adulthood his desires become manifest as he explores the subcultures of Long Yang Clubs where gay Asians and their admirers can meet before departing for Asia where his encounters often become transactions and he learns the hard way that sexual desire has a human and emotional cost Evoking the themes of Edward Said's Orientalism The Rice Queen Diaries is as much a personal statement about culture and otherness as it is about gay desire Traversing three continents these diaries are a personal reckoning a bold coming to terms with the nuances of sexuality that has relevance for all of us
