Mister Goodbye Easter Island:

Mister Goodbye Easter Island Jon Woodward, 2003 An unconventionally brilliant darkly funny debut *The Far Mosque* Kazim Ali, 2016-05-30 These gently fragmented narrative lyrics pursue enlightenment in long elegant yet plain spoken dark yet ecstatic lines Ali travels by water and by night seeking the Far Mosque and its overarching paradox that when God and Self are one an ascent into Heaven is a voyage within *In the Ghost-House Acquainted* Kevin Goodan, 2016-08-01 These soulful lyrics use allusive imagery and ecumenical diction to consider the pastoral as a life to inhabit not an artifact or idealized place to visit Here the specter of loss makes a world more precious notions of home and love must be ever evolving as colts are stillborn and pigeons slaughtered apple blossoms frozen in spring and dead lambs burned in diesel fire But these poems insist there is beauty in the soil and beauty in birth and death in birth and beauty in death as well And Upon the Earth No Wind Pigeons erupting from a barn Twenty three ewes stand at once ice chunks clinking in their wool I call soft call loud but the mare treads the snow blue Am I born to constant hazard Wood becomes more than wood simply by its burning Steam rises up from the land I call but do not move The moon rising shines even upon all things and I can't tell which is mare and what's weather Silence in eaves ever after It is rare to see a poet work so hard in the physical world serious farm labor and still catch a fleeting glimpse of the spirit Kevin Goodan does this convincingly because his language is so precise and his mind knows when to jump and when to stand still This is a remarkable book James Tate Kevin Goodan received his BA from the University of Montana and his MFA from the University of Massachusetts at Amherst His poems have been published in Ploughshares and other journals *Here, Bullet* Brian Turner, 2014-09-01 A first person account of the Iraq War by a soldier poet winner of the 2005 Beatrice Hawley Award Adding his voice to the current debate about the US occupation of Iraq in poems written in the tradition of such poets as Wilfred Owen Yusef Komunyakaa Dien Cai Dau Bruce Weigl Song of Napalm and Alice James own Doug Anderson The Moon Reflected Fire Iraqi war veteran Brian Turner writes powerfully affecting poetry of witness exceptional for its beauty honesty and skill Based on Turner's yearlong tour in Iraq as an infantry team leader the poems offer gracefully rendered unflinching description but remarkably leave the reader to draw conclusions or moral lessons Here Bullet is a must read for anyone who cares about the war regardless of political affiliation **Goest** Cole Swensen, 2016-05-30 Treating subjects from landscape to sculpture to a 19th century technical encyclopedia the poet is fascinated with light glass mirrors flame ice mercury things transparent evanescent impossible to grasp Likewise Swensen's lyrics which with elliptical phrasing and play between visual and aural change the act of seeing and reading offering glimpses of the spirit or ghost that enters a poem where the rational process breaks down From The Invention of Streetlights Certain cells it's said can generate light on their own There are organisms that could fit on the head of a pin and light entire rooms Throughout the Middle Ages you could hire a man on any corner with a torch to light your home were lamps made of horn and from above a loom of moving flares we watched Notre Dame seem small Now the streets stand still By 1890 it took a pound

of powdered magnesium to photograph a midnight ball Goest sonorous with a hovering ghost which shimmers at the root of all things is a stunning meditation even initiation on the act of seeing proprioception and the alchemical properties of light as it exists naturally and inside the human realm of history lore invention and the whites of painting Light becomes the true mistress and possibly the underlying language of all invention Swensen's poetry documents a penetrating intellectus light of the mind by turns fragile incandescent transcendent Anne Waldman **Poets & Writers**, 2004 **Dear Mr Len!** Len Wilson, 2020 For years Len's friends have encouraged him to write his travel adventures for all to read He is widely acknowledged as a great story teller and enjoys entertaining his friends with travel tales or delivering power point presentations to select audiences Len's first overseas adventure was as part of a delegation of New Zealand University graduates to People's Republic of China in 1977 and he has been constantly traveling since then This book covers over 40 years of travel to over 35 countries Len's aim to entertain and inform the reader and bring laughter to otherwise stressful situations *A Thief of Strings* Donald Revell, 2007 Acclaimed poet's tenth collection chronicles our seeming and apocalyptic liberation from conscience and consciousness itself *The Pitch* Tom Thompson, 2006 Urban experience drives the savvy energetic lyrics of Tom Thompson's impressive second collection Night of a Thousand Blossoms Frank Gaspar, 2004 In these poems the poet restlessly inhabits the night finding it terrifying and beautiful searching for meaning in the yard the neighborhood the heavens and every wise book he owns These urban pastoral meditations employ ritual and repetition to create a kind of mantra seeking surrender to that state of meditation leading to enlightenment yet arguing with the idea of surrendering any attachments at all to this world we've been given to learn and love a city garden cohabitated by ancient Romans and tattooed kids automobiles and hollyhock mauling cats and the Buddha I should be satisfied with the household gods he mourns but is satisfied with nothing determined to fit the whole world into his poems lest the one essential thing slip by From The One God is Mysterious The king and his queen are feasting They recline sumptuously on long divans and are attended by naked servants They can have anything they want this much is clear and I believe they have been having sex with one another and with the servants Why wouldn't they Who among the servants would not be honored to help And it's Babylon after all and doesn't Babylon exist in your memory Isn't Babylon the clear rumbling of your heart at ease with its every craving not the way it is now fenced off with spiked wire and old pipes with signs telling the pedestrians to beware the litter the old cans rusting No this is my own memory of excess and extravagance of abandonment to the weight of everything that pulls me down to ruin those same ticks and voices that lift me up and fill me with breath Frank Gaspar's poems are agile and forceful their narratives clear and absorbing In them he is speaking to the reader but also to himself or perhaps to some hazy divinity or to the blue sky I felt in his voice no attempt to persuade me of anything I felt only the abiding imperative to get it right Which is of course what real writing is all about Mary Oliver **Slamming Open the Door** Kathleen Sheeder Bonanno, 2009 Kathleen Sheeder Bonanno's heartrending autobiographical collection inspires both

compassion for and awe of the human spirit **Matadora** Sarah Verdes Gambito, 2004 This vivid incisive feminist debut skewers Filipina American gender roles with its delightful sense of humor **Begin Anywhere** Frank Giampietro, 2008 Beleaguered appealing self as persona wades through crowded messy rooms of adulthood in this unpredictable debut

Landscapes I & II Lesle Lewis, 2006 The whimsical highly animated landscapes of Lesle Lewis second collection will surprise and delight *Agni*, 2004 The World in Place of Itself Bill Rasmovicz, 2007 This neo baroque hypnotic debut reads like transcribed fever dreams employing elements of film noir and surrealism Door to a Noisy Room Peter Waldor, 2008 This pithy debut collection negotiates through playful meditations our uneasy coexistence in the marketplace and home **Legitimate Dangers** Michael Dumanis, Cate Marvin, 2006 Definitive broadly representative anthology of poets born after 1960 **The Laurel Review**, 2007 **Shelter** Carey Salerno, 2009 Heartrending but absolutely necessary and enlightening this lyric debut is beautiful in its courage and honesty
