Vengeance is raised in seclusion under the watchful eye of his deceased mother's Amazonian lover. He is a child whose appearance belies his heritage: half man, half dragon. Marcus is raised in a court and given all of the protections and breeding that would entail. He appears to be completely human, yet his psychic link with the brother he has never known betrays the dragon magic that lies within him. It is up to the dragon emissary who passes himself off as a man, Draconas, to protect them both before the internecine struggle destroys the Parliament of Dragons and brings an oppressive reign of fire down upon all mortal men.

The Dragon Mistress: R. A. Steffan, 2019-02

The survival of the last living dragons rests with me and my misfit friends. So yeah, no pressure. Mind you, this whole thing would be easier if two of our number weren't hell-bent on killing each other. Rayth and Nyx have both been hiding secrets for a very long time, but now they face a choice: let go of their ugly pasts or watch the future burn to the ground. We won't be able to hide five hungry, growing dragons in the mountains forever. As soon as someone catches sight of them, every soldier in Utreá will be after us. And there's no way we can fight for our dragons' survival when we're this busy fighting amongst ourselves. I've always been the queen of questionable life choices, but falling for four proud, stubborn, damaged men at the same time is a new benchmark, even for me. What we're building with the dragons, and each other, could be amazing, beyond belief. It could also end in tragedy, beyond measure. If I want it to be the former, it looks like I need to start banging some heads together. Otherwise, our hopes and dreams could well go down in flames.

The Dragon Mistress

R. A. Steffan, 2019-07

Our secret is out, and now we're marked for death. A lone survivor escaped the mountain battle, carrying news of our dragons' existence to the court of Prince Oblisii. Utreá's dragons were supposed to have been wiped out long ago. Only these five remain: a male and four females. They're all that's left to carry on the species, but first we have to keep them alive. The prince will come soon with his army, and I'm stuck on a mountaintop with my four knights in tarnished armor. Sometimes I think these men will be the death of me long before the royal soldiers arrive. Other times I think they may be my only salvation. Before the five of us can flee Utreá for safer shores, I'll have to form a soul bond with the male dragon. Until then, he's little more than a wild animal: dangerous and unpredictable. And without the male, we're lost, since the future of dragonkind rests on his shimmering white wings. Yet the idea of the soul bond fills me with terror. If I bind myself to him, his death would mean my death, just as my death would mean his. Already, the men I love are binding the female dragons, one by one, tying their souls irrevocably together. With the others already bound, everything depends on me. But danger lurks, whether I accept that dragon bond or not. I was already a wanted woman after I spurned Prince Oblisii and escaped from his harem of

concubines Not only that but I also fled straight into the arms of a group led by Oblisii's disgraced older brother Rathanii the man who should have been Utreas king If Prince Oblisii gets hold of me again death will be the least of my worries And the gods only know what the others might do to try and get me back The Dragon Mistress by USA Today bestseller R A Steffan is a medium burn fantasy romance series where the heroine doesn't have to choose one person at the end It is part of the Eburosi Chronicles along with The Horse Mistress and The Lion Mistress It's not necessary to have read the Horse Mistress or Lion Mistress arcs before starting the Dragon Mistress books A special note for Fantasy readers herein you will find explicit love scenes in several interesting and unconventional permutations including between men If your gut reaction to that is Eww or even Meh you probably won't enjoy this series
