Mistress Of Evercrest:

Mistress of Evercrest Cathy Lajko Joswiak,1990 **Languages of the Himalayas** George van Driem,2022-09-12 The survey work *Languages of the Himalayas* provides a bird's eye view of Himalayan languages and language communities. It also constitutes a primary source for much new hitherto unpublished data on several languages. The demographic mosaic of the Himalayas today is viewed in a historical and comparative linguistic perspective. The reader will find an outline of the historical and prehistorical developments that have determined the modern ethnolinguistic composition of the Himalayan region involving various independent linguistic stocks or language families. Maps illustrate the distribution of language communities and trace the routes of ancient migrations. There is an illuminating discussion of grammatical features found in Himalayan languages. The print edition is available as a set of two volumes 9789004103900 **Behind Everest** Kate Nicholson,2024-06-30 *Behind Everest* embarks on a captivating exploration that intertwines the remarkable life of Ruth Mallory, wife of legendary Everest climber George Mallory, with a parallel journey a century later. Through examining Ruth's attitude to danger a century ago, Kate Nicholson explores our evolving attitudes towards risk and responsibility. Kate's quest to understand Ruth takes her to forgotten corners of archives in the UK and USA, to conversations with the few remaining people who knew both George and Ruth, and into private recollections and precious private collections. Using two decades of research, the author unveils the real story behind Ruth and George Mallory's marriage, shedding light on George's relationships with women such as Jelly d'Aranyi, Mary Ann O'Malley, and Stella Cobden Sanderson. Stella, like Ruth, hailed from Arts and Crafts royalty; both women were daughters of strong feminists, but only Ruth chose to climb. Ruth was a natural and accomplished climber, a founder member of the first all-female rock climbing club in the UK, the Pinnacle Club. As Kate experiences the challenges and triumphs of rock climbing with that still thriving club, she discovers not only the elusive key to George Mallory but also an inspiring and resilient companion in Ruth. This book goes beyond expeditions to Everest, offering readers a profound glimpse into the real story of the Mallorys. Through Ruth's lens, the book explores the complexities of marriage, the indomitable spirit of early female climbers, and the enduring impact of the First World War, the League of Nations, and the Empire on individual lives. This is a non-fiction masterpiece that intertwines personal and historical narratives, inviting readers to scale the heights of human experience. **Paperbound Books in Print**,1991 **The Irish Bride** Cynthia Bailey Pratt,2012-08-05 Rietta Ferris has been courted before for her wealth. But it is always her younger sister, Blanche, beautiful and vivacious, who wins the men's affections. So Rietta, to protect herself, disguises her own beauty, hoping that a gentleman will love her for herself.  George Mallory and Guy Bullock became the first westerners and almost certainly the first human beings to set foot on Mt
 Everest and thereby claimed the last remaining major prize in the history of exploration With 2021 bringing the 100th
