**Mitten Strings for God** Katrina Kenison, 2009-09-01 Through stories and suggestions Katrina Kenison shares her insights into how to celebrate life's quiet moments softly reminding busy mothers to pause and remember the deep sense of well being comes from a listening ear an open heart and a quiet little space carved out of time Mothers are pulled in a million different directions while trying to give their kids fulfilling productive joyful childhoods They mistake activity for happiness and fill their kids heads with information when they ought to be feeding their souls instead This is a book for mothers who yearn to find a balance in their own and their children's lives Ppk06 Mitten Strings from God Katrina Kenison, 2002-04-01

*Conferring* Patrick Allen, 2023-10-10 In his years of teacher workshops author Patrick Allen has heard it all I don't have time I don't know what questions to ask I don't know what to write in my notes it's too hard In his book *Conferring The Keystone of Reader's Workshop* Allen argues that the benefits of conferring outweigh the challenges and that teachers must put forth the effort of learning how to do it well Inside he shows teachers how to overcome their perceived obstacles and shows them how they can make conferring tangible *Conferring* lays the groundwork for effective reading instruction Conferences with students are purposeful conversations that scaffold reading comprehension strategies to guide the reader's progress Ultimately through the gradual release of responsibility you will create engaged and independent readers Starting with what conferring isn't Allen unpacks the essential components of the process Intimacy the social context of conferring Rigor the cognitive context of conferring Inquiry the analytical context of conferring With his guidance you will be able to set goals for student conferring and elevate student reader conferences from start to finish **Raising A Reader** Jennie Nash, 2013-07-30 What were my kids born to do That is the question I hope to help them answer And because reading is the thing I love most it's only natural for me to hope it will become something they love too The trouble is that reading is a particularly slippery passion to want to pass along because it's a skill most parents would agree their children have to master to one degree or another from *Raising a Reader* Can passion be passed along from parent to child Can you in other words make someone love baseball ballet or books Of course you can't but that doesn't stop parents from trying Jennie Nash was one of those parents a parent so obsessed about getting her kids to read that her desire sometimes strayed into desperation her hope often became an obsession and instead of helping her resolve got in the way In the end she found that like so many of the things we do as parents passing along a passion for reading happens in the push and pull of digging in and letting go day in and day out both because of and in spite of our efforts Nash shares stories and misadventures from the years when her young daughters were learning what it meant to have a relationship with words and she was learning to let them She reminds us how the magic moments happen in their own sweet time by being together in the presence of good books and seeing each child as unique Each chapter of *Raising a Reader* ends with personal practical tips and games that spring straight from the narrative A comprehensive index discusses many of the books Nash has enjoyed with her children providing

a year's worth of titles for parents and their children to explore      Meditations from the Mat Rolf Gates, Katrina Kenison, 2010-10-27 365 daily reflections offering a way to integrate the mindfulness that yoga teaches into everyday life from the acclaimed yoga teacher Rolf Gates who offers a healthy way to find peace and a sense of coming home day by day USA Today As more and more people in the West pursue yoga in its various forms whether at traditional centers in the high powered atmosphere of sports clubs or on their own they begin to realize that far from being just another exercise routine yoga is a discipline of the body and the mind Whether used in the morning to set the tone for the day during yoga exercise itself or at the end of the day during evening reflection the daily reflections in Meditations from the Mat will support and enhance anyone's yoga journey      **Writing Motherhood** Lisa Garrigues, 2008-05-06 Part instruction part inspiration this resource shows women that just as mothering is rich in material for writing writing is an invaluable tool for mothering
