Rhiana Ann Gimpel, 2021-06-29 I'm one of the old ones I've lived many lives done many things I've been called sorceress witch and far worse Mortals have hung me burned me staked me out and left me to die What a pack of fools I'm immortal and their petty attempts were laughable So were they when I stopped their puny pathetic hearts The thrill of ending someone never gets old no matter how unbalanced the contest When I want a break from everything Dorcha my bondmate and I bide with the Circle of Assassins I never mean to stay long but the years have a way of slipping by While I find peace within the Circle Dorcha becomes restive She never used to mind being the only unicorn but she's grown silent withdrawn The place within me where I feel her energy is often empty We need a nice juicy assignment to get things back on track a mission worthy of our skill Excited by the prospect of free flowing blood and the crusty stench of battle I searched for her but she was gone Worse than gone my link with her was buried beneath layers of unicorn enchantment Could I find her Sure but she didn't wish to be found

Samuel,2018-08-01 It s not always the good guys who defeat evil An ancient evil has awoken unleashing a long forgotten darkness upon the world After a mysterious storm Gareth returns home to find his family slaughtered In his grief he vows to destroy the foul creatures responsible Gathering a band of misfits they embark on a quest that will forever change their lives A found relic calls to the wicked Dreualfar the very creatures Gareth swore to destroy But genocide is no easy feat and the Dreualfar will stop at nothing to free their dark patron Can Gareth and his mercenaries serve as the last defenders of a doomed land or will they perish in the battle at their doorstep Find out in Izaryle s Will the epic first installment of the Heroes of Order trilogy **Magick and Misfits, Books 1-4** Ann Gimpel,2021-03-25 Urban fantasy and slow burn romance wrapped into a serial that will keep you up reading long into the night Over a thousand pages of pure delight Strange bedfellows rock worlds Court of Rogues Reluctant recruit to the nines I became Faery s regent by default Sure I was next in line for the throne but I never believed Oberon and Titania were gone for good until first a decade rolled by and then two and then ten They ll never be back and the land is mourning Or pissed It s hard to tell which and I m not sure what difference it makes I split my time between Faery and Earth searching for a way to mend the rift that s killing my realm I haven t made much progress Time is running through the glass mocking my paltry efforts A sultry Witch is barely a blip on the radar So what if she counts cards in the casino I run on Earth and makes my pit boss a little nuts Out of the blue she spits out the unbelievable and I discover she s not a Witch after all A glamour hid her Fae Sidhe blood so well she d fooled me Her mixed blood is an affront By rights I should haul her before the Court to face justice She understood the chance she took revealing herself to me and her offer to join forces is tempting but it could cost me my throne Some risks are worth the price If I cross the line there ll be no going back Midnight Court My days as Faery s reluctant regent have crashed and burned Either I left the land to rot in a squalid soup of broken promises or I destroyed her enemies one by one No choice there Not really I d known some of those enemies since childhood which was centuries ago They say familiarity breeds contempt In my case it bred sorrow as I consigned Fae who d been friends to eternal destruction and fed them to the land Dariyah the Witch who wasn t one crossed my path for reasons I m still figuring out Her long lost mother presided over one of Faery s many dirty secrets the Midnight Court Some like to believe Fae blood is pure It s not We and the Sidhe are joined at the hip and the Midnight Court was once a living symbol of our bond Court of the Fallen Faery has changed so much I barely recognize her

The worst part is I didn't see this coming. A few minor skirmishes sure, but the Unseelie fielded tens of thousands against us. The King of Winter is finally exacting revenge against the consort who spurned him. The rest of us are collateral damage. He played his hand well, attracted powerful allies, and punted us into a definite one-down position. For the moment, Pegasus is the king's primary ally. I possess knowledge that will blow their partnership sky-high. And proof, in case neither of them believes me. Timing is everything, though. We must wrest Faery from the enemy. I finally hold the land link, but success is far from a foregone conclusion. More blood will flow before we're done. Buckets of the stuff, but I can't let that stop me. Court of Destiny. Faery's castle lies in ruins, a reflection of the rest of a land I love. My land, my realm, has altered almost beyond recognition. The part that hasn't changed is the incredible people and creatures who live in Faery: Unicorns, Fauns, Satyrs, Fae, Sidhe. Their spirits have been indomitable, and it makes me proud to call them brothers. But then the Unseelie used to be brethren too. Now they stand against us, along with a collection of monsters intent on sucking every last breath of life from Faery. The worst part about all of this has been not knowing whom I can call friend. As we lurch into the endgame, my life, soul, and fortunes are linked with the woman I love. We rise or fall together. If it comes down to a gut-wrenching choice, will I pick Faery or Dariyah?

Where's the best place to find the complete recording?" That Magic Feeling answers these and thousands of similar questions. With more than 500 entries, it includes recording sessions, concerts, newsreel footage, press clips, TV and film performances, home movies, radio interviews, documentaries, studio outtakes, home demos, and alternative mixes, all of which are given complete coverage for the first time. Author John C. Winn has spent two decades poring over, scrutinizing, organizing, and analyzing hundreds of hours of audio and video recordings, and compiling them into a digestible chronological framework, creating the ultimate reference guide to the Beatles' legendary musical and cultural evolution.

Aunt Maria Diana Wynne Jones, 2012-01-31. In Cranbury-on-Sea, Aunt Maria rules with a rod of sweetness far tougher than iron and deadlier than poison. Strange and awful things keep happening in Cranbury. Why are all the men apparently gray-suited zombies? Why do all the children, if you ever see them, behave like clones? And what has happened to Mig's brother, Chris? Could gentle, civilized Aunt Maria, with her talk and daily tea parties, possibly have anything to do with it? Diana Wynne Jones once again has created a fantastic magical world. Her brilliant storytelling and wonderful sense of humor totally involve the reader in the lives of a lovable young heroine and a
