

How to make **SOCIAL MEDIA** **SAFER** AND **KINDER**

Social media can be a great way to connect with your friends, but it can also be a cruel and dangerous world. Here's how you can make it a better place for yourself and others.

Don't say anything that you wouldn't say to the other person's face. Insults hurt online too.

Don't post things you'd be embarrassed about if everyone could see them. Secrets are never safe online.

Remember that everything you post online could stay there forever, even if you delete it.

Don't talk behind other people's backs or make fun of them online.

Don't accept friend requests from people you don't know.

Don't share personal information online, and never give anyone your password.

Where do you live?

000 Private Street

Don't post other people's pics or tag them without their permission.

If a friend is in trouble online, talk to an adult.

Report hateful, violent or inappropriate posts and comments.
