Echoes Of Home Elles Lohuis, 2023-03-21 Sometimes even good hearts take the wrong path to do the right things Tibet 1286 Nordun doesn't hesitate when Karma her love asks her help to search for his long lost mother in Mongolia Even if it means he might never return home with her Joined by old friends and family they set off on the treacherous trade roads to the far east to where the Mongol warriors cries roar on the battlefield and victory is granted to those who deem themselves Gods As they uncover the traces of Karma's precarious past suspicions arise between the traveling companions Nordun knows the secrets she's harboring but what are the others hiding When they reach their destination a terrible truth unfolds and Nordun loses everything she holds dear Now even her precious faith has deserted her where will she find the strength to fight for what she believes in Join Nordun in her search for far away kin as she finds that the definition of family isn't always in the blood it's in those who treasure you for who you are no matter what Echoes of Home is Book Three in the historical fiction series Nordun's Way and can be read as a stand alone novel Nordun's Way A Tibetan Epic Ride with Nordun through the turbulent times of thirteenth century Tibet with its royal clans Mongolian invaders smugglers and SilkRoad traders to the places where demons lurk and through the trials which afflict every family and human life courage and cowardice love and lust loyalty and treachery and cruel endings which do not always sprout into the new beginnings we desire them to be

Ancient Wisdom for Westerners Marilyn Magazin, 2022-04-07 A clear and concise introduction into the ancient and profound tradition of Tibetan Medicine The holistic system of Tibetan medicine has proven over centuries to be extremely effective and complementary to modern Western medicine especially for chronic diseases One of the most striking differences between modern Western medicine and Tibetan medicine is how Tibetan medicine looks at health and disease from the energetic point of view as well from an anatomic and physiological one Tibetan medicine thus provides the answers to many questions about the human body and disease that can not be explained in terms of modern medical teachings Ancient Wisdom for Westerners explores the origins of Tibetan medicine and outlines Tibetan Buddhist terms It offers explanations to the primary causes and conditions that give rise to sickness how to avoid and treat them and how to prevent them from reoccurring It explains how the three subtle energies of Tibetan medicine are

responsible for all bodily functions and gives examples of how nutrition and behaviour are conducive to good health It also details accurate diagnostic methods some of which are particularly useful for babies and small children *Wheel of Initiation* Julie Tallard Johnson,2010-07-12 A guide to personal spiritual initiation through the transformation of habitual patterns apathy and resistance Based on the Native American medicine wheel the Vedic wheel and the universal initiatory mandala Enables readers from any tradition to initiate themselves through practices of thought transformation narrative medicine meditation exercises rituals and journaling Facilitates breaking through personal and societal illusions that perpetuate resistance and apathy Intentions and spiritual principles meditation and contemplation ritual and risk taking are the conditions that comprise an initiated life Regrettably in modern society we do not have rites of initiation that break through the personal and societal illusions that instill and perpetuate negative habits that keep us in states of resistance Lacking initiation practices we often remain trapped in ways of being in the world that were formed by our past conditions and attachments We tend to identify too strongly with the status quo which must be challenged to prevent stagnation and to encourage happiness and authenticity Julie Tallard Johnson shows how to become initiated into an authentic life through practices of thought transformation cultivating attention journaling storytelling and rituals found in the four directions of the universal mandala She begins the Wheel of Initiation in the South where initiates set their intentions then moves into the West where they free themselves from habitual patterns and core beliefs then into the North the direction of cultivating attention and unity and finishes in the East the direction of regeneration and initiation Drawing upon the life experiences of those who have successfully navigated the wheel Johnson demonstrates that once fears assumptions and ingrained beliefs are confronted and transformed initiates emerge ready to reenter society with renewed energy and vision that will enrich their own lives and their communities **The Horse Master's Daughter** Elles Lohuis,2022-04-08 A heartfelt heroine s journey

sprinkled with nuggets of timeless Buddhist wisdom Tibet 1285 Hidden away in her grandmother s monastery after her mother s tragic death Nordun s life has been shrouded in secrets Born into a family of royal horse masters she was divined to become the first ever female horse master but that destiny was never shared with her Now the karmic winds are blowing and Nordun is riding home where she s challenged by friends and foes to do the impossible claim her heritage to the stables The last thing Nordun wants is to tame a feral horse but if she refuses her cherished childhood home could be lost Desperately unprepared and armed with only her compassionate heart Nordun ventures into the far and rugged unknown Will she fulfill the ancient divination and turn the tables on her family s fate or return to her sisters in solitude to serve all sentient beings as has been her aspiration for most of her life Aided by unconventional allies Nordun soon learns that you never have to question your path as long as you re true to your wild and tender heart Join Nordun on her reluctant quest through the turbulent times of thirteenth century Tibet with its royal clans Mongolian invaders smugglers and Silk Road traders to the places where demons lurk and through the trials which afflict every family and human life courage and cowardice love and
