F. McClure, Ken D. Jones, 1972 *Heroes Heavies and Sagebrush* is the result of much time spent in tracing the lives of some of these players not only from the standpoint of historical curiosity but in order to provide an affectionate nostalgic glimpse of a significant aspect of the western movie fare. The lives of the various players represent a study in contrasts. Some embody the rags to riches to lost fame theme so often observed in the lives of Hollywood residents. Some were semi literate while others earned academic degrees. Some retained their wealth and popularity while still others retained neither. A representative group of actors who played heroes heavies sidekicks Indians and assorted character types are included in the investigation.
