The war in Afghanistan appeared to be coming to a close when I received sudden orders to proceed at once from England to join the First Battalion of my regiment which was then serving there I had just been promoted Captain and had been married about eighteen months It pained me more than I care to express to part with my wife and baby girl but it was agreed that it would be better for all of us if their coming to India were deferred until it were certain where my regiment would be quartered on its return to the fertile plains of Hindustan from the stones and rocks of barren Afghanistan Besides it was very hot being the height of the hot weather when only those who were absolutely forced to do so went to India and it was a time of year particularly unsuitable for a delicate woman and a babe to travel in so burning a climate It was also not quite certain whether my wife would join me in India as I had the promise of a staff appointment at home but before I could enter upon that I had of necessity to join my own battalion because it was at the seat of war Thus it was annoying to have to go all the same as it was clear that the war was over and that I should be much too late to participate in any of its rewards or glories

though it was quite possible I might come in for much of the hardship and experience of the sojourn for a wild and not to say rough and inhospitable country is Afghanistan besides which it was quite possible for an Afghan knife to put an end to me and that I might fall a victim to a common murder instead of dying a glorious death on the battlefield Altogether my prospects seemed by no means of a rosy color but there was nothing for it but to submit and go which I did with the best grace possible but with a very heavy heart **HER SECRET WEAPON** Beverly Barton,2011-09-15 THE AGENT Burke Lonigan weapons expert and world class charmer THE MISSION To destroy a dangerous traitor while defending his woman and child Facing off with a deadly menace was easy for Burke Lonigan until a beguiling beauty stepped in danger s path The only way Burke could protect Callie Severin was to make her his wife Then Burke discovered his new bride was the beautiful stranger he had taken to his bed one passionate night long ago and the mother of the child he d never known Now Burke was determined to defend his family and damn the consequences to his heart a year of loving dangerously Where passion rules and nothing is what it seems *Newlyweds on Tour* Barbara Penner,2009 An original richly illustrated analysis of American honeymooning 1820 1900 that offers fresh insights into the intersecting histories of tourism consumerism sentiment sexuality and conjugality **Adventure** ,1920 *A Convenient Bride* Angela Wells,2011-07-15 Two weeks to find a wife Getting married was the last thing Luc Benchard wanted to do But if he didn t marry before his thirty third birthday just two weeks away he stood to lose a fortune Aphra Grantly was single and already living in Luc s family home She would make a perfect convenient bride and in theory the idea wasn t altogether unattractive to Aphra After all it would allow her to stay in the house she loved But when Aphra found herself on honeymoon with the most desirable man she d ever met she knew she was in real danger of falling in love with her own temporary husband Which wasn t very convenient at all Not Your Mother's Divorce Kay Moffett,Sarah Touborg,2010-03-24 No matter what your age divorce is one of life s greatest challenges But while your parents friends and lawyers may be chock full of advice the truth is that young women who divorce today face a brand new set of issues and possibilities far removed from those of women a generation before If you re looking for a fresh empowering and thoroughly modern guide to starting this new chapter of your life Not Your Mother s Divorce offers the ultimate roadmap from wading through legal jargon to getting back into society as told by your best girlfriends who ve been there Based on the experiences of more than thirty women who divorced in their twenties and thirties without children Not Your Mother s Divorce offers camaraderie and practical counsel on Breaking the news to family and friends Coping with sudden singledom from living arrangements to changing your name Protecting yourself financially and dividing your assets Legalese 101 making the legal process work for you Reentering the dating scene How to handle encounters with your ex Warm and insightful Not Your Mother s Divorce gives you the tools to find your way through this difficult time and emerge a stronger wiser happier you *The Honeymoon's Over* Andrea Chapin,Sally Wofford-Girand,2007-02-15 In this provocative collection of true stories of love marriage and divorce prominent women including Terry McMillan Joyce Maynard and Annie
