Nicene Post Nicene Fathers Volume 8:

Aspects of the Liturgical Year in Cappadocia (325-430) Jill Burnett Comings, 2005 The fourth century was pivotal in the evolution of the feasts and fasts of late antique Christian communities While earlier scholars have focused on developments in Jerusalem Rome and the Gallican West the liturgical year in Cappadocia remains largely uncharted territory Aspects of the Liturgical Year in Cappadocia 325 to 430 fills that gap relying primarily on the liturgical year homilies of the Cappadocian Fathers in order to provide for the first time a comprehensive study of liturgical calendars from Cappadocia and environs during the period between the Councils of Nicaea and Ephesus This volume is a valuable resource for students of liturgical time the Cappadocians and fourth century doctrinal controversies Christianizing Asia Minor Paul McKechnie, 2019-08 Explores the growth of Christianity in inland Roman Asia as cities and rural communities moved away from polytheistic Greco Roman religion **From Jesus to Christ** Paula Fredriksen, 2008-10-01 Magisterial A learned brilliant and enjoyable study G za Verm s Times Literary Supplement In this exciting book Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology Brilliant and lucidly written full of original and fascinating insights Reginald H Fuller Journal of the American Academy of Religion This is a first rate work of a first rate historian James D Tabor Journal of Religion Fredriksen confronts her documents principally the writings of the New Testament as an archaeologist would an especially rich complex site With great care she distinguishes the literary images from historical fact As she does so she explains the images of Jesus in terms of the strategies and purposes of the writers Paul Matthew Mark Luke and John Thomas D Evelyn Christian Science Monitor **'Being Towards Death'** Sylvie Avakian, 2021-04-19 This book draws the philosophical contribution of Martin Heidegger together with theological spiritual insights from the East especially that of Nikolai Berdyaev Thus it brings into dialogue the West with the East and philosophy with theology By doing so it offers Christian theology an existential spiritual language that is relevant and meaningful for the contemporary reader In particular the work explores Heidegger s being towards death Sein zum Tode as the basis for theological philosophical thinking Only the one who embraces being towards death has the courage to think and poetize This thinking in turn makes being towards death possible and in this circular movement of thinking and being the mystery of being reveals itself and yet remains hidden Since the work aims at demonstrating being towards death through language it transitions away from the common formulations and traditionally accepted ways of writing dogmatic theology towards an original philosophical reflection on faith and spirituality At different points however the work also retrieves the profound thoughts and theologies of the past the insightful creativity of which cannot be denied *A. J. Appasamy and his Reading of Rāmānuja* Brian Philip Dunn, 2016-11-24 In this work Brian Philip Dunn focuses on the embodiment theology of the South Indian theologian A J

Appasamy 1891 1975 Appasamy developed what he called a bhakti devotional approach to Christian theology bringing his own primary text the Gospel of John into comparative interaction with the writings of the Hindu philosopher and theologian R m nuja Dunn s exposition here is of Appasamy s distinctive adaptation of R m nuja s Body of God analogy and its application to a bhakti reading of John s Gospel He argues throughout for the need to locate and understand theological language as embedded and embodied within the narrative and praxis of tradition and for Appasamy and R m nuja in their respective Anglican and rivai ava settings Responding to Appasamy Dunn proposes that the primary Johannine referent for divine embodiment is the temple and considers recent scholarship on Johannine temple Christology in light of rivai ava conceptions of the temple and the temple deity He then offers a constructive reading of the text as a temple procession a heuristic device that can be newly considered in both comparative and devotional contexts today

The Primacy of God: The Virtue of Religion in Catholic Theology R. Jared Staudt, 2022-02-08 To contemporary minds the notion of justice toward God is seldom considered and often foreign Far more discussed is how God might either undermine or motivate social justice The Primacy of God by R Jared Staudt offers an important intervention With the aid of St Thomas Aquinas Staudt argues that it is vital for both contemporary society and contemporary Catholic theology to return to the traditional view of God as the one to whom all human and social action must be ordered and to recover the virtue of religion as the virtue which orders all other virtues to God Not only does Staudt helpfully remind readers of the ancient philosophical and biblical notion of worship as a dictate of the natural law he also illuminates the way in which Christian liturgy as an enactment of Christ s high priesthood is the great fulfillment of natural and biblical worship Accordingly Staudt secures religion as essential for the virtue of love This brings Staudt to criticize modern theologians like Karl Barth who claimed that religion is inherently idolatrous as well as Karl Rahner who claimed that love of neighbor is the highest moral act Staudt also considers the question of religious truth in light of the plurality of religions soliciting the assistance of Hans Urs von Balthasar and Joseph Ratzinger as well as the way in which religion relates to the development of culture engaging the great Catholic social historian Christopher Dawson The Primacy of God is a much needed work that ought to set the agenda for Catholic theology in the twenty first century

God and Difference Linn Marie Tonstad, 2015-10-05 God and Difference interlaces Christian theology with queer and feminist theory for both critical and constructive ends Linn Marie Tonstad uses queer theory to show certain failures of Christian thinking about God gender and sexuality She employs queer theory to dissect trinitarian discourse and the resonances found in contemporary Christian thought between sexual difference and difference within the trinity Tonstad critiques a broad swath of prominent Christian theologians who either use queer theory in their work or affirm the validity of

same sex relationships arguing that their work inadvertently promotes gendered hierarchy This volume contributes to central debates in Christianity over divine and human personhood gendered relationality and the trinity and provides original accounts of God sexual difference and Christian community that are both theologically rich and thoroughly queer

Discerning Vocations to the Apostolic Life, the Contemplative Life, and the Eremitic Life Marie Theresa Coombs, Francis Kelly Nemeck OMI, 2018-09-25 Throughout the spiritual journey God's love engenders within every Christian active contemplative and solitary inclinations Consequently each person wants to do some good to have a basic receptivity to God and at times to be alone with God As life unfolds God's love also calls forth within a person an overriding attraction toward one of those three orientations which in due course impels the individual toward a corresponding vocational lifestyle an apostolic life a contemplative life or an eremitic life In this book the authors identify the core features of those three vocational lifestyles In light of each vocational core they then discuss an ensemble of signs and patterns that point to an authentic calling from God This study offers wisdom and insight to those pondering the mystery of their personal vocations to those discerning their vocational direction and to spiritual directors formation personnel ecclesial leadership and Christian educators who accompany them in their quest *The Holy Spirit* J. The Quest for the Fictional Jesus Margaret E Ramey, 2017-03-31 For almost two millennia Jesus story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee has sprung up in the form of novels about the life of Jesus While the novels themselves are as varied as their authors this work aims to introduce readers to some common literary strategies and theological agendas found in this phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these reimaginings and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to re-examine the canonical portraits of Jesus anew **Jesus Ascended** Gerrit Dawson, 2004-05-01 The book presents the Ascension as public truth examining questions such as when did Jesus ascend and how where did he go with what kind of body and into what kind of space It discusses the nature of Jesus victory how it has been challenged how it has been understood at different times in history and how it relates to his second coming The author examines the relevance of the doctrine for personal spiritual life our union with Christ Jesus praying for us worship and our own prayers He goes on to consider living in God's kingdom the tension between waiting for the kingdom and working for it now suffering humanisation and the church and the world today The book approaches the Ascension thematically making it a useful teaching tool Its themes arise from the categories in which the Church Fathers employed the doctrine Gerrit Dawson shows the Ascension to be a vital key to understanding in a fresh way the person and work of Christ union with Christ the mission of the church in the world Christian identity and spiritual theology A unique feature of the book is the way Dawson combines a

full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for Jesus Ascended Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada

Trinitarian Pneumatological Personhood and the Theology of John Zizioulas Ronald L. Adkins II, 2023-02-28 In a growing secular society what distinguishes a Christian from a non Christian Is a Christian identified by certain religious and ceremonial activity social action principles or do their relationships identify them as Christian This book suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit Furthermore this living relationship reflects the eternal relationship of the Father Son and Holy Spirit because people have been created in the image and likeness of the Triune God This book uses historical theological philosophical and biblical approaches to understand the Christian person Throughout this book the reader will be engaged with the modern Greek theologian John Zizioulas However this book is a study on the person of the Holy Spirit though never separated from the trinitarian relationship who makes a human person a Christian

Was Jesus Crucified? Keith Prosser, 2016-07-07 An historical research into the life and death of Jesus Christ as described in the Christian Holy Bible Examines early Gnostic Jewish Roman Greek Syrian and Christian historical sources to give a near comprehensive analysis of the subject resulting in a genuine fresh look into the well studied topic A meticulous review is made of what Josephus wrote about Jesus through critical analysis demonstrating why he must have written it A similar examination is made of the Gnostic writings especially the Nag Hammadi gospel of Thomas resulting in textual proof he wrote it after the Bible s gospels The book should prove of great interest to those studying or reading the New Testament as it includes a summarised history of the Faith spanning from the present day to the first century the origins of present day scepticism introduction into manuscript preservation and a glossary of theological terms and early Christian controversies

"The Church as the Image of the Trinity" Kevin J. Bidwell, 2011-06-10 A resurgence of Trinitarian interest gained momentum in the twentieth century and it is showing little sign of abating in the twenty first century This research endeavors to critically evaluate Miroslav Volf s ecclesial model for the church as the image of the Trinity one that he presents with the English title After Our Likeness Volf proposes a social doctrine of the Trinity one that is heavily influenced by the theological writings of Jurgen Moltmann and he puts forward that this nonhierarchical Trinity should be reflected in the

structures and theology of the church If Volf is correct then a radical reshaping is needed for the church to conform to an egalitarian pattern one that is after the likeness Gen 1 26 of an egalitarian God In this critical examination Kevin J Bidwell begins by stating the theological influences that are pertinent to Volf s thesis in *After Our Likeness* and the assumptions that undergird and inform his whole theological paradigm An important theological excursus is offered to assess the theology of John Smyth the first English Baptist who is Volf s representative figure for the location of his own ecclesiology the Free Church A critical analysis follows of Volf s engagement with his two chosen dialogue partners who represent both Western and Eastern theological traditions Joseph Ratzinger and John D Zizioulas Volf presents five theses for the church as the image of the Trinity which could be labeled as Volf s Free Church in the image of Volf s revised doctrine of the Trinity This monograph offers extensive insight into the contemporary debate on the doctrine of the Trinity but it also assesses many aspects of ecclesiology from both Eastern and Western perspectives

Fasting Scot McKnight,2010-12-27 Fasting is the body talking what the spirit yearns what the soul longs for and what the mind knows to be true Scot McKnight Christianity has traditionally been at odds with the human body At times in the history of the church Christians have viewed the body and physical desires as the enemy Now Scot McKnight best selling author of *The Jesus Creed* reconnects the spiritual and the physical in the ancient discipline of fasting Inside You ll Find In depth biblical precedents for the practice of fasting How to fast effectively and safely Different methods of fasting as practiced in the Bible Straight talk on pitfalls such as cheating and motivation Join McKnight as he explores the idea of whole body spirituality in which fasting plays a central role This ancient practice he says doesn t make sense to most of us until we have grasped the importance of the body for our spirituality until we can view it as a spiritual response to a sacred moment Fasting simple primitive and ancient still demonstrates a whole person s earnest need and hunger for the presence of God just as it has in the lives of God s people throughout history The Ancient Practices There is a hunger in every human heart for connection primitive and raw to God To satisfy it many are beginning to explore traditional spiritual disciplines used for centuries everything from fixed hour prayer to fasting to sincere observance of the Sabbath Compelling and readable the Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more

Secrets of Revelation Jacques Doukhan,2002 Jacques B Doukhan an Adventist scholar of Jewish heritage mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium He ties the symbolism of the book to the sanctuary service of ancient Israel showing how the seven sections of the book correspond to the seven feasts of Judaism He argues that the prophecies of Revelation foretell the eventual discrediting of secularism Egypt the resurgence of conservative religion Babylon and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people
