Taking the Long View Colin Buchanan, 2006 This is a fairly personal book It records 40 years of cut and thrust in the Church of England s General Synod and kindred bodies as I have seen it experienced it and on occasion handed it out myself Much is told from my personal standpoint and the

selection of themes derives my own involvement It is not autobiography but an attempt as in my other writings at accurate journalism Oh yes and remember I am not telling it the way it was No one on earth can do that I am telling it the way I have found it Colin Buchanan from the introduction to Taking the Long View Born in 1934 Bishop Colin received his MA from Lincoln College Oxford and trained for the ministry at Tyndale Hall Bristol He served as curate at Cheadle Chester Diocese from 1961 to 1964 He then went as tutor to the London College of Divinity which moved to Nottingham in 1970 and became St John s College He became Principal of St John s in 1979 and was an Honorary Canon of Southwell Minster from 1981 85 He received a DD from Lambeth in 1993 He became an Assistant Bishop in Rochester in 1989 and then Vicar of Gillingham St Mark from 1991 96 He was elected by the Nottinghamshire clergy to become a founder member of General Synod and was later elected by the suffragans of the Province of Canterbury to be one of their six representatives in the House of Bishops Bishop Colin is well known for his work on liturgy and has published extensively on the subject and others He founded the Grove Booklet Series He still writes booklets for this series and edits the semi official Anglican monthly News of Liturgy He was a member of the General Synod s Liturgical Commission 1964 86 and was one of the architects of the ASB He drafted the Church of England report on the Charismatic Movement 1981 and served on The Doctrine Commission 1986 91 He was one of those responsible for the report We believe in the Holy Spirit 1991 Worship, Justice, and Joy Neal D.

Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E. Smith ,1911 **Of Thine Own Have We Given Thee** Shawn O. Strout,2024-02-29 Every

Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms This act produces questions about what it means to offer God a gift when God has offered humanity the greatest gift in Jesus Christ or the balance of favour or gratitude in the giving of these gifts These very questions and more have had a significant influence on the liturgical theology particularly in the offertory within Anglicanism In Of Thine Own Have We Given Shawn O Strout provides a comprehensive analysis of the offertory rites including in his analysis other churches within the Anglican Communion beyond the Church of England Ordered historically the book encompasses the sixteenth century through to current times scrutinising the offertory and oblationary changes throughout their religious and historical contexts Strout

argues that the development of oblation in the offertory was neither arbitrary nor episodic but rather the result of sustained theological tension Using liturgical theology s tools of historical textual and contextual analyses the book examines why these developments occurred and their importance for the church today **Kierkegaard on God's Will and Human Freedom**

Lee C. Barrett,2023-12-11 S ren Kierkegaard s authorship exhibits two different trajectories concerning the relation of responsible human agency to sovereign divine agency one trajectory stresses free human striving while the other trajectory emphasizes the dominance of divine agency The first theme led to the view of Kierkegaard as the champion of autonomous existential leaps while the second led to the construal of Kierkegaard as a devout Lutheran who trusted absolutely in God s gracious governance Lee C Barrett argues that Kierkegaard influenced by Kant s critique of metaphysics did not attempt to integrate human and divine agencies in any speculative theory Instead Kierkegaard deploys them to encourage different passions and dispositions that can be integrated in a coherent human life making use of literary strategies to foster the different passions and dispositions that are associated with the themes of human responsibility and divine governance Kierkegaard on God s Will and Human Freedom An Upbuilding Antinomy offers an incisive account of what makes Kierkegaard s conception of theology as a matter of edification rather than speculation so distinctive and enduringly worthwhile *A History of Christian Psalmody* Charles H. Cosgrove,2025 A History of Christian Psalmody traces history of Christian psalm singing during the church s first five centuries It describes the formats melodic character and uses of psalmody in a wide range of settings including personal and domestic devotion church liturgy monastic life and public ecclesial events such as processions [Subject Index of the Modern Works Added to the British Museum Library](#) ,1906
