## **Prescription For Preaching:**

**The Sermon Doctor** Harry Farra,2000-12-20 The quest to preach well is an endless one The Sermon Doctor combines the preaching and communication expertise of Harry Farra with the wisdom of the masters of all ages classic to modern Substantial help awaits both experienced and younger preachers Seminarians especially will find bedrock principles here to shape their preaching ministry In a unique Socratic format this creative guide to preaching records a series of fictional meetings between the Sermon Doctor and three discouraged preachers in search of a better understanding of effective preaching They have a deep desire to honor God and inspire congregations by revitalizing their faltering preaching techniques Many helpful insights are provided in this practical and creative handbook for today s sermon makers **Using**

**Illustrations to Preach with Power (Revised Edition)** Bryan Chapell,2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they re important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people s hearts long after your sermon is done Prescription for Preaching Woodrow Michael Kroll,1980-01-01 *How*

*Effective Sermons Advance* Ben Awbrey,2010-12-20 Sermon structure has been deemed an important component of preaching throughout the history of preaching by preaching instructors and practitioners alike Many have made a case for the bearing that sermon structure has for the effective preaching of Scripture However sermon structure when incorporated in a sermon often is not as serviceable as it could and should be This book provides instruction for how sermon structure can serve to principle Scripture by using statements of theological principle in the sermon outline Therefore the timelessness and the timeliness of Scripture are prioritized through statements of theological principle providing doctrinal accuracy and personal relevance which are apparent in the outline of the sermon *How Effective Sermons Advance* provides a thorough and comprehensive treatment on the highly significant matter of sermon structure How Effective Sermons End Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the

conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness How Effective Sermons End provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

**Homiletical Handbook** Donald L. Hamilton, 1992-10-01 Homiletical Handbook is a primer for those who are called to preach It is intentionally simple in its explanation of the homiletical task and straightforward in getting to the point It is solid in its theology and biblical in its approach

**Pastoral Leadership Is...** Dave Earley, 2012 Dozens of brief yet powerful entries for pastors about what it really means to be on mission spiritual warriors who lead the local church from a biblical point of view instead of a modern traditional one

**Novel Preaching** Alyce M. McKenzie, 2010-01-01 In this lively and accessible book Alyce McKenzie explores how fiction writers approach the task of writing novels how they develop their ideas where they find their inspiration and how they turn the spark of a creative notion into words on paper that will captivate the masses McKenzie s study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful well crafted sermons Novel Preaching offers a wealth of advice from successful fiction writers including Isabelle Allende Frederick Buechner Julia Cameron Annie Dillard Natalie Goldberg Stephen King Toni Morrison Joyce Carol Oates and Melanie Rae Thorn and also includes a number of sample sermons from McKenzie herself

**The Words of the Wise Are like Goads** Mark J. Boda, Tremper Longman III, Cristian Rata, 2013-03-19 Meaningless meaningless everything is meaningless The word meaningless hebel appears more than 40 times in the book of Ecclesiastes and raises the question why a book that appears to deny meaning or purpose is included in the Bible Many questions of interpretation as well as relevance surround the book of Ecclesiastes including indeed the proper translation and understanding of the word hebel If after all the book does examine the question of the meaning of life what could be more important The present volume explores Ecclesiastes Qohelet on many different levels linguistic text critical theological historical and literary The contributors chosen from many of the leading and emerging experts on the book present both the state of the field and their own assessment of the varied interpretive issues of Ecclesiastes They include scholars preachers and philosophers It should be helpful not only to scholars but also to all who want to study this book seriously The first section of this volume deals with the history of interpretation The second section is concerned with issues of history form and rhetoric Section three is about key concepts and passages The fourth section

focuses on the language and grammar of Qohelet The last section engages practical issues of interpretation The volume is designed to provide exposure to a variety of readers who seek to engage Qohelet in fresh ways in the twenty first century from historians of interpretation to biblical exegetes to linguists to theological students John Lightfoot's Journals of the Westminster Assembly John Lightfoot,2023 This edition brings together the four volumes of John Lightfoot's journals covering a period in the author's life when he was a member of the famous assembly of divines meeting in Westminster Abbey supplementing the formal minutes with his own observations on religious debates riots outside parliament and complicated assembly dynamics **Prophetic Preaching** CHRISTIANITY TODAY, INT'L,2022-05-03 The first book in Hendrickson's new Preacher's Toolbox series brings together a who's who group of today's most influential pastors who share their understanding of prophetic preaching as well as their skills The book is divided into two sections The Calling of Prophetic Preaching and The Craft of Prophetic Preaching which deliver clear themes and practical takeaways on the art of preaching prophetically Speaking with grace and authority preachers such as Francis Chan Mark Buchanan John Ortberg Mark Driscoll Timothy Keller and Anne Graham Lotz offer Biblical and personal messages on prophetic preaching while addressing commonly held questions such as What's the purpose and aim of prophetic preaching How do you do it What are the common misconceptions How does a preacher challenge but not overwhelm people with the call of discipleship

**Review**, 1985 **Prophetic Preaching** Francis Chan,2012 The first book in Hendrickson's new Preachers Toolbox series brings together a who's who group of today's most influential pastors who share their understanding of prophetic preaching as well as their skills The book is divided into two sections The Calling of Prophetic Preaching and The Craft of Prophetic Preaching which deliver clear themes and practical takeaways on the art of preaching prophetically Speaking with grace and authority preachers such as Francis Chan Mark Buchanan John Ortberg Mark Driscoll Timothy Keller and Anne Graham Lotz offer Biblical and personal messages on prophetic preaching *Prescription Against Hereticks* Tertullian,1722 **God's Ambassadors** Andrew Woolsey,2017-06-25 The Westminster Assembly is celebrated for its doctrinal standards and debates on church polity But how often is the assembly noted for its extraordinary intervention in the pulpit ministry of the Church of England In God's Ambassadors Chad Van Dixhoorn recounts the Puritan quest for a reformation in preachers and preaching and how the Westminster Assembly fit into that movement He examines the assembly's reform efforts tracing debates and exploring key documents about preaching in a way that both highlights disagreements within the assembly's ranks and

showcases their collective plan for the church going forward Moreover Van Dixhoorn reveals the rationale behind the assembly's writings and reforms both in terms of biblical exegesis and practical theology Unlike any other book God's Ambassadors draws attention to the lengths to which the Westminster Assembly would go in promoting godly preachers and improved preaching

**The Theology of the Westminster Standards** J. V. Fesko, 2014-06-30 For centuries countless Christians have turned to the Westminster Standards for insights into the Christian faith These renowned documents first published in the middle of the 17th century are still considered by many to be some of the most beautifully written summaries of the Bible's teaching ever produced Church historian John Fesko walks readers through the background and theology of the Westminster Confession the Larger Catechism and the Shorter Catechism helpfully situating them within their original context Organized according to the major categories of systematic theology this book utilizes quotations from other key works from the same time period to shed light on the history and significance of these influential documents

**Preaching Christ from the Old Testament** Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

**Choosing to Preach** Kenton C. Anderson, 2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today's listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC

solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises
