## **Presence Of The Future The Eschatology Of Biblical Realism:**

**The Presence of the Future** George Eldon Ladd, 1996-07-29 George Eldon Ladd's comprehensive treatment of New Testament eschatology has become the definitive discussion of the theological interpretation known as inaugurated eschatology. Reflecting profound biblical insight and a balanced treatment of conflicting views, this volume convincingly develops Ladd's thesis that the kingdom of God involves two great movements: its present fulfillment in Jesus and its future consummation in the last days. Ladd begins this revised edition, formerly titled *Jesus and the Kingdom*, by taking readers step by step through the findings of his predecessors and contemporaries on the great debate as to whether the kingdom of God promised by Jesus is now in the immediate future or in some unknown time to come. He then traces the prophetic expectation of the kingdom in the Old Testament, pursues the development of this expectation through the intertestamental literature, and against this background reconstructs the teaching and mission of Jesus. Ultimately, Ladd finds the key to understanding the kingdom in the concept of the rule of God. His interpretation of the divine reign brings together the Old Testament promise of the kingdom, its fulfillment in history, and its consummation at the end of history. Back cover

**Participation and Covenant** Dick Moes, 2024-03-13 In *Participation and Covenant: Contours of a Theodramatic Theology*, Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center. In doing so, he enters into conversation with covenant or federal theology, particularly as it has been presented by Michael Horton, in which the integrative center is the concept of the covenant. He argues that God's fundamental relationship with humanity does not entail a covenant ontology, a fundamentally legal and ethical relationship to God as we find in Horton's presentation, but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit. For this relationship, we were created, and this participation is therefore natural to us. Accordingly, a theodramatic framework that incorporates a reframed understanding of divine-human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology.

**God and the Future** Christiaan Mostert, 2002-10-15 An introduction to the theology of Wolfhart Pannenberg. Pannenberg's extensive works, especially his recently published *Systematic Theology*, are increasingly regarded as of major importance. Professor Mostert here provides not only a general introduction to Pannenberg's theology and many keys to enable the serious reader of theology to access Pannenberg's individual works, but also sets Pannenberg's complex thought in the broadest context of contemporary philosophical and theological thought.

**The Risen Jesus and Future Hope** Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have. Reading and digesting this

book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future

**The Kingdom of Christ** Russell Moore,2004-10-18 In this scholarly work Russell D Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F H Henry called for it fifty years ago He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms While evangelical scholars and pastors will be interested in this sharp insightful book all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square

**A Soul Prepared for Heaven** W. Britt Stokes,2022-06-13 From his first publication of hymns in 1707 common knowledge regarding Isaac Watts 1674 1748 often revolves around his hymn writing legacy Though Watts legacy as a hymnographer is significant he also functions as a key transitional figure between the English Puritans and the Evangelicals during eighteenth century English dissent As a pastor theologian philosopher and literary mainstay of his era Watts influence grew well beyond his early work in hymnody to impact scores of Christians on both sides of the Atlantic Watts approach to Christian spirituality is an area of his thought thats been unexplored This book provides the first ever analysis of Watts theological vision for the Christian spiritual life In emphasizing the experience of holiness and happiness Watts leans heavily upon his Reformed theological heritage to underscore how knowing and loving God are central to God s preparation of the soul for heaven

**Faithful in the Meantime** Barry L. Callen,2017-06-27 Barry Callen is a church theologian in the finest sense In this book he once again brings the commitments nurtured by Pietist Anabaptist and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology The result is a convincing reminder that Christian teachings about ultimate things eschatology are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful Randy L Maddox Professor of Wesleyan and Methodist Studies Duke University Divinity School In a day when fanciful end times speculations abound the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology Barry Callen is such a voice As he so forcefully declares rather than focusing on dates and times God calls us to be faithful in the meantime Stanley J Grenz Professor Emeritus of Theology Ethics Baptist Heritage

Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment Here we have thanks to Barry Callen a responsible informed interesting and up to date account of our blessed hope Clark H Pinnock Professor Emeritus of Theology McMaster Divinity College *Evangelical Dictionary of Theology* Daniel J. **The Apocalyptic Paul** Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy Critiques of the movement have come from all sides Pauline specialists scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions Non specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement its most important contemporary voices and its key claims In the first

part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present surveying the contemporary situation In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New Testament scholarship Second Temple Jewish apocalypticism and Christian systematic theology

Stanley,2006-09-20 Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known

passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life      *Images of Salvation in the New Testament* Brenda B. Colijn,2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn Instead it presents us with a variety of pictures taken from different perspectives Students of the New Testament and of theology will both find their vision broadened and their understanding deepened by this rich informative study As the author seeks to understand their implications for people of faith she uncovers how New Testament images provide the building blocks of the master story of redemption      **The Last Adam** Brandon D. Crowe,2017-01-31 There is much discussion today about how we are to understand the life of Jesus in the Gospels What was Jesus doing between his birth and death and how does this relate to salvation This book corrects the Christian tendency to minimize the life of Jesus explaining why the Gospels include much more than the Passion narratives Brandon Crowe argues that Jesus is identified in the Gospels as the last Adam whose obedience recapitulates and overcomes the sin of the first Adam Crowe shows that all four Gospels present Jesus s obedient life as having saving significance      The Community of Jesus Kendell H. Easley,Christopher W. Morgan,2013-09-15 A biblical historic systematic and missional theology of the church with contributions from noted academic leaders including Andreas J K stenberger David S Dockery Kendell H Easley Christopher W Morgan and several others      Kingdom Come Christopher D. Marshall,2015-08-20 In recent years the theme of the kingdom of God has come to the forefront in the preaching teaching and popular writing of Christians of all theological persuasions Any attempt to gain clarity on the biblical meaning of the phrase the kingdom of God must take the teaching of Jesus as its major point of reference for the prominence of kingdom terminology today is directly attributable to the great frequency with which he appealed in his teaching to the notion of God s kingdom In this little book the author sets Jesus proclamation of the kingdom of God against its Jewish background and discusses some of the characteristic emphases that appear in Jesus message He then identifies three broad ways in which God s kingdom operated in Jesus ministry which he suggests provide at least in broad outline an agenda for the Church today as it strives to bear witness to the gospel of the kingdom entrusted to it by its Lord
