**Questions of Life, Second Edition** John C. Morgan, 2017-01-13 Throughout history philosophers have attempted to unravel the mystery of life. People from many diverse traditions have been invited to sit face to face at the table of philosophy to engage in analytical and critical reflection in what Dr John Morgan calls the great questions of life. This book invites students to explore the meaning of life in an easy and understandable manner through the infamous character Professor Plotimus. The antics of Professor Plotimus make philosophy interesting, uncomplicated, and easy to grasp while deeply compelling. It allows our minds to wonder and listen to the wisdom of the ages that life has meaning and purpose if we only loosen the chains of dogma and venture out of our caves as we attempt to see life in a fresh way from the Preface by Linda Lewis Riccardi, Adjunct Professor of Humanities and Philosophy, Reading Area Community College. *Communication in Everyday Life* Steve Duck, David T. McMahan, 2016-12-01 *Communication in Everyday Life* The Basic Course Edition With Public Speaking Second Edition encourages students to apply basic communication concepts to their daily lives, giving them a deeper understanding of the inseparable connection between relationships and communication. Authors Steve Duck and David T. McMahan expertly combine theory and application to introduce students to fundamental communication concepts and master practical communication skills such as listening and critical thinking, using technology to communicate, understanding nonverbal communication, creating persuasive strategies, and managing group conflict. The fully updated Second Edition offers practical instruction to improve a student's ability to effectively communicate interpersonally in groups, in interviews, and speaking through presentations. Throughout the book, students receive the tools they need to critically analyze their situation, link communication theory to their own experiences, and improve their communication and public speaking skills in the process.

**Communicate!** Rudolph F. Verderber, Kathleen S. Verderber, 2005 This market-leading text is continually praised by reviewers for its clear, practical, and successful method of training students to master the skills of human communication. This introductory human communication text covers interpersonal communication, small group communication, and public speaking. With a consistent model of theoretical explanation followed by numerous practical examples, activities, sample visual scenarios, and speeches, self-assessment, and review, students cannot help but to become ethical, competent communicators in our mediated world. *Microsoft PowerPoint for Beginners: A Step-by-Step Guide to Creating Impressive Presentations* Dizzy Davidson, 2025-02-16 *Microsoft PowerPoint for Beginners: A Step-by-Step Guide to Creating Impressive Presentations* Unlock the power of Microsoft PowerPoint and transform your presentations from ordinary to extraordinary with this comprehensive guide designed for beginners. *Microsoft PowerPoint for Beginners: A Step-by-Step Guide to Creating Impressive Presentations* is your ultimate resource for mastering PowerPoint and creating visually stunning, engaging, and professional presentations.
