 Dante, 2012-07-18 With his journeys through Hell and Purgatory complete Dante is at last led by his beloved Beatrice to
 Paradise Where his experiences in the Inferno and Purgatorio were arduous and harrowing this is a journey of comfort
 revelation and above all love both romantic and divine Robert Hollander is a Dante scholar of unmatched reputation and his
 wife Jean is an accomplished poet Their verse translation with facing page Italian combines maximum fidelity to Dante s text
 with the artistry necessary to reflect the original s virtuosity They have produced the clearest most accurate and most
 readable translation of the three books of The Divine Comedy with unsurpassable footnotes and introductions likely to be a
 touchstone for generations to come **What Is Theology?** Adam Kotsko, 2021-09-07 The secular world may have thought it
 was done with theology but theology was not done with it Recent decades have seen a resurgence of religion on the social
 and political scene which have driven thinkers across many disciplines to grapple with the Christian theological inheritance
 of the modern world Adam Kotsko provides a unique guide to this fraught terrain The title essay establishes a fresh and
 unexpected redefinition of theology and its complex and often polemical relationship with its sister discipline of philosophy
 Subsequent essays build on this framework from three different perspectives In the first part Kotsko demonstrates the
 continued vibrancy of Christian theology as a creative and constructive pursuit outside the walls of the church showing that
 theological concepts can underwrite a powerful critique of the modern world The second approaches Christian theology from
 the perspective of a range of contemporary philosophers showing how philosophical thought is drawn to theology even
 despite itself The concluding section is devoted to the unexpected theological roots of the modern world system making a
 case that the interplay of state and economy and the structure of modern racial oppression both build on theological patterns
 of thought Kotsko s book ultimately shows that theology is not a scholarly game or an edifying spiritual discipline but a world
 shaping force of great power Lives are at stake when we do theology and if we don t do it someone else will **Annual**
