Preserving The Dnipro River:

Preserving the Dnipro River V. Y. Schevchuk, 2005 Preserving the Dnipro River is based on a major international research project directed by Ukrainian and Canadian scientists begun in 1994 and completed in 2001 It describes the importance of the Dnipro from an historical perspective details the steps taken by these international scientists to overcome the river s environmental degradation and outlines a strategy to rehabilitate and preserve the Dnipro s unique biodiversity This volume also explores a unique approach to sustainable management that blends together both natural and spiritual concerns and draws together philosophical concepts from numerous intellectual traditions bridging East and West North and South

Preserving the Dnipro River ,2005 The Dnipro River is Europe s second largest and for centuries has been vital to the history culture and economy of Ukraine and to a major part of Eastern Europe Preserving the Dnipro describes the importance of the Dnipro and highlights the steps taken by Ukrainian and Canadian scientists to overcome the river s environmental misfortunes and preserve its unique biodiversity and presents an approach for the sustainable management that blends both the spiritual and natural concerns It digs into the true meaning of sustainable research use as the harmonious coexistence of nature and society Liberally illustrated the book presents a succinct yet powerful and comprehensive message that caring for our planet and achieving the objectives of sustainable development cannot be accomplished without a renaissance of spirituality and a dedication to living in true harmony with nature

Knowledge to Policy Fred Carden, 2009-04-06 Does research influence public policy and decision making and if so how This book is the most recent to address this question investigating the effects of research in the field of international development It starts from a sophisticated understanding about how research influences public policy and decision making It shows how research can contribute to better governance in at least three ways by encouraging open inquiry and debate by empowering people with the knowledge to hold governments accountable and by enlarging the array of policy options and solutions available to the policy process Knowledge to Policy Making the Most of Development Research examines the consequences of 23 research projects funded by Canada s International Development Research Centre IDRC Key findings and case studies from Asia Africa and Latin America are presented in a reader friendly journalistic style giving the reader a deeper grasp and understanding of approaches contexts relationships and events The book will be useful to academics researchers and students of political science public administration development studies and international affairs professionals in donor and development organizations worldwide policy and decision makers in government local and national levels and international arenas particularly trade and finance and development agencies and civil society non governmental organizations concerned with integrating the voice of citizens into policy and decision making processes

Myth and Environmentalism Esther Sánchez-Pardo, María Porrás Sánchez, 2023-07-05 This volume traces the interconnections between myth environmentalism narrative poetry comics and innovative artistic practice using this as a framework through which to examine strategies for

repairing our unhealthy relationship with the planet Challenging late capitalist modes encouraging mindless consumption and the degradation of human nature relations this collection advocates a re evaluation of the ethical relation to living with and sharing the Earth Myth and the environment have shared a rich common cultural history travelling as far back as the times of storytelling and legend with the environment often the central theme Following a robust introduction the book is organized into three main sections Myth Disaster and Present Day Views on Ecological Damage Indigenous and Afro diasporic Myths and Ecological Knowledge Art Practices Myth and Environmental Resilience and concludes with a Coda from Jeanette Hart Mann The methodology draws from diverse perspectives such as ecocriticism new materialism and Anthropocene studies offering a truly interdisciplinary discussion that reflects on the dialogue among environment and myth and a broad range of contributions are included from Canada the United States the Caribbean Ukraine Japan Morocco and Brazil The book joins a long line of approaches on the interrelations between ecological and mythical thinking and criticism that goes back to the early 20th century This volume will be of interest to students scholars activists and experts in environmental humanities myth and myth criticism literature and art on more than human and nature interaction ecocriticism environmental activism and climate change

Environmental Monitoring Technologies for Improving Global Human Health Pasko, Olga Anatolievna, Lebedeva, Nadezhda Anatolievna, 2025-04-22 Effective environmental monitoring is essential for assessing ecological health and responding to emerging threats posed by human activity and climate change As new anthropogenic factors continue to impact ecosystems traditional monitoring methods must evolve to provide accurate real time data for decision making Advancements in monitoring technologies enable targeted interventions that consider regional characteristics natural complexities and varying levels of human impact By developing an innovative monitoring system society can enhance environmental safety mitigate degradation and implement sustainable practices that protect ecosystems for future generations This approach ensures a proactive data driven response to environmental challenges fostering long term ecological balance and resilience **Environmental Monitoring Technologies for Improving Global Human Health** summarizes systematizes and evaluates monitoring technologies to improve the environmental situation and ensure environmental safety It considers regional characteristics specifics of natural complexes level of anthropogenic load and more Covering topics such as biomaterials radioactive elements and satellite data this book is an excellent resource for nature conservationists environmentalists manufacturing specialists scientists professionals researchers scholars academicians and more

U.S. Assistance to the New Independent States United States. Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs, 1992 *TRANSBALTICA XIII: Transportation Science and Technology* Olegas Prentkovskis, Irina Yatskiv (Jackiva), Paulius Skačkauskas, Pavlo Maruschak, Mykola Karpenko, 2023-02-21 This book reports on innovative research and developments in the broad field of transportation It covers solutions relating to intelligent vehicles and infrastructure energy and combustion management vehicle dynamics and

Influye la investigación en las políticas públicas y en la toma de decisiones Y si es así como Este libro aborda esta cuestión estudiando los efectos de las investigaciones en el ámbito del desarrollo internacional Comienza partiendo de un conocimiento sofisticado sobre cómo la investigación influye en las políticas públicas y en la toma de decisiones Pone de manifiesto cómo los estudios pueden contribuir a una mejor gobernanza al menos de tres maneras estimulando la investigación y el debate sin cortapisas habilitando a la gente para que mediante el conocimiento se dote de gobiernos que rindan cuentas y ampliando el conjunto de opciones y soluciones políticas disponibles en el proceso político Del conocimiento a la política analiza las consecuencias de 23 proyectos de investigación financiados por el Centro Internacional de Canadá de Investigaciones para el Desarrollo en África y Latinoamérica con un estilo periodístico y ameno El libro será útil para profesores universitarios investigadores y estudiantes de ciencias políticas administrativas políticas desarrollo y cuestiones internacionales profesionales de organizaciones donantes y del desarrollo de todo el mundo responsables políticos y de toma de decisiones en la esfera gubernamental e internacional y agencias del desarrollo y organizaciones de la sociedad civil interesadas en incorporar la voz de los ciudadanos a los procesos políticos y de toma de decisiones Una importante aportación a un aspecto poco estudiado y peor entendido aunque decisivo del desarrollo John Young director de Programas Investigación y Políticas del Grupo del Desarrollo RAPID Instituto de Desarrollo en el Exterior Londres Fred Carden es actualmente director de Evaluaciones del Centro Internacional de Investigaciones para el Desarrollo en Ottawa Canadá En 2007 y 2008 fue investigador de Ciencias de la Sostenibilidad en el Centro para el Desarrollo Internacional de la Universidad de Harvard Ha escrito sobre los ámbitos de la evaluación la cooperación internacional y la gestión medioambiental **Ecological Aspects of Soil and Land Preservation** Pasko, Olga Anatolievna, Lebedeva, Nadezhda Anatolievna, 2024-07-16

Agricultural lands worldwide are deteriorating becoming acidic and losing essential humus content This impacts global food quality and nutrition Causes include extreme natural events and harmful human activities like deforestation The consequences are stark shrinking agricultural land reduced fertility lower crop yields and increased costs Developing nations face food shortages population decline and shortened life expectancy The urgency demands international cooperation legislation and technological advancements Ecological Aspects of Soil and Land Preservation delves into this critical issue emphasizing the need for collective action and sustainable solutions Ecological Aspects of Soil and Land Preservation serves as a resource for scholars students and professionals committed to addressing the crisis This book collects summarizes and analyzes the latest information on agricultural land and forest degradation

Beyond that it introduces groundbreaking hypotheses theories and solutions enriching the scientific community's understanding. The objective is clear to be an informative resource that not only sheds light on the problem but also catalyzes actionable solutions.

Digest of the Soviet Ukrainian Press, 1975 **Des connaissances aux politiques** Fred Carden, 2009 La recherche exerce t elle une influence sur la conception des politiques et la prise de decision de la part de l administration publique et si c est le cas comment Ce livre est le dernier en date a aborder cette question et ce en examinant les effe

Historic Preservation, 1993 *Fieldwork in Ukrainian Children's Literature* Mateusz Świetlicki, Anastasia Ulanowicz, 2025-03-24 *Fieldwork in Ukrainian Children's Literature* showcases the work of prominent scholars of children's literature from Ukraine and the diaspora as it traces the history of books written marketed for and circulating among young people since the rise of Ukraine's nationhood in the nineteenth century. This book encompasses a full range of texts and genres e.g. fiction nonfiction poetry picturebooks graphic novels with special attention given to the most important authors and works as defined by aesthetics literary excellence popularity or historical and cultural significance. In its focus on ideology and historical context the collection takes an interdisciplinary and transnational approach. It places titles and trends in broader context considering the socio political situation changing taste and the history of institutions that shape the production and reception of children's literature. The collection addresses folklore and the beginnings of a distinct tradition of Ukrainian children's literature produced in the nineteenth century the role played by children's literature in the maintenance of the Ukrainian literary tradition during the Soviet era and the flourishing Ukrainian book market with the appearance of numerous new genres and forms and the growing significance of Ukrainian books around the world. The collection highlights the importance of familiarizing non Ukrainian students and scholars of children's literature with the richness of the country's literary history and cultural distinctiveness. *Fieldwork in Ukrainian Children's Literature* is intended primarily for scholars of children's literature and culture including specialists in the fields of literary studies education and Slavic studies.

The city trip guide for Brovary (Ukraine), 2025-09-26 **Early Ukraine** Alexander Basilevsky, 2016-04-05 As the Dark Ages enveloped Europe a civilization was born on the banks of the Dnieper River. Rus whose capital at Kiev surpassed in grandeur most cities of Europe was home to the Ukrainian people whose princes made war on Constantinople and established the city states of what would become Russia. The cities of Rus were destroyed by the Mongols their remains falling to the Polish Lithuanian kingdom. With the steppe restored to wilderness the kraina borderlands of the hardy frontiersmen known as Cossacks who in the 17th century destroyed powerful Polish Lithuanian and Muscovite armies gained Ukrainian independence and established a unique social order. Drawing on English Ukrainian and French sources this book chronicles the military and social origins of Ukraine and describes the differences between Ukraine and its neighbors. The author refutes the claim that Ukraine and Russia were once united in a common political system.

National-Socialist Archaeology in Europe and its Legacies Martijn Eickhoff, Daniel Modl, Katie Meheux, Erwin Nuijten, 2023-08-14 This edited volume is

dedicated to national socialist archaeology as a Europe wide phenomenon It analyses national socialist attempts to denationalize the archaeologies of European nations by creating a new unifying European archaeology on a racial basis From the beginning of the nineteenth century archaeology began to develop into an important force behind processes of nation building At the same time structures of transnational academic collaboration contributed strongly to the internal dynamics of the research field which was primarily organized on a national basis In those European countries that were confronted with national socialist occupation and repression between 1939 and 1945 these transnational archaeological networks were to prove crucial for the development of national socialist archaeological policies This volume will reveal how national socialist archaeology was to an extent valued positively in its time as highly innovative even influencing the archaeology of non occupied countries Although in the final instance it generally failed to displace the national archaeologies in Europe the volume also analyses the long term impact of national socialist rule on the development of European archaeology How did the attempts to create a unified European archaeology after 1945 continue to influence networks methods and terminologies institutional structures or popular representations of the early past

The complete camper guide for Ukraine ,

Memoirs of Nikita Khrushchev: Commissar, 1918-1945 Nikita Sergeevich Khrushchev, Serge_ Khrushchev, 2004 Nikita Khrushchev's proclamation from the floor of the United Nations that we will bury you is one of the most chilling and memorable moments in the history of the Cold War but from the Cuban Missile Crisis to his criticism of the Soviet ruling structure late in his career the motivation for Khrushchev's actions wasn't always clear Many Americans regarded him as a monster while in the USSR he was viewed at various times as either hero or traitor But what was he really like and what did he really think Readers of Khrushchev's memoirs will now be able to answer these questions for themselves and will discover that what Khrushchev really said at the UN was we will bury colonialism This is the first volume of three in the only complete and fully reliable version of the memoirs available in English In this volume Khrushchev recounts how he became politically active as a young worker in Ukraine how he climbed the ladder of power under Stalin to occupy leading positions in Ukraine and then Moscow and how as a military commissar he experienced the war against the Nazi invaders He vividly portrays life in Stalin's inner circle and among the generals who commanded the Soviet armies Khrushchev's sincere reflections upon his own thoughts and feelings add to the value of this unique personal and historical document Included among the Appendixes is Sergei Khrushchev's account of how the memoirs were created and smuggled abroad during his father's retirement

Advances in Computer Science for Engineering and Education III Zhengbing Hu, Sergey Petoukhov, Ivan Dychka, Matthew He, 2020-08-05 This book comprises high quality refereed research papers presented at the Third International Conference on Computer Science Engineering and Education Applications ICCSEEA2020 held in Kyiv Ukraine on 21-22 January 2020 organized jointly by National Technical University of Ukraine Igor Sikorsky Kyiv Polytechnic Institute National Aviation University and the International Research Association of Modern Education and Computer Science The topics discussed in
