Preserving A Righteous Seed:

Preserving the Righteous Seed Joyce Thompson, 2022-05-16 Rearing children is the most important thing you will ever do in your life It is nothing less than an opportunity to actively participate in God s redemptive plan Few parents understand the great privilege it represents or the magnitude of their responsibility before God Throughout the Bible God has conveyed His desire to establish an order that would bring about a righteous seed He could have lived for Himself and skipped the pain of loving rebellious children but instead He chose the role of a father God sent Jesus His only begotten Son to earth to shed His righteous blood that He might gain other sons and daughters and leave a pattern of life for us to follow Our goal as Christian parents is to duplicate His righteous life for our children that they might be prepared to choose God s will and God s ways for their lives The problem is that childrearing can be a slippery slope I know because I have raised four sons and two daughters of my own It is easy to feel overwhelmed and intimidated In the early churches there were special benches for women who were widows with grown children This was possibly a place of honor but more than that it was probably intended to identify the women who were qualified to give advice to the younger women because of their experience Though we do not have benches set aside for such women in our churches today there remains a great need for the wisdom and encouragement of those who have traveled the road ahead and are now able to provide guidelines to help along the way Experience counts

The Survivors of Israel Mark Adam Elliott, 2000 This study challenges the conventional view of scholars like E P Sanders that Late Second Temple Judaism was theologically nationalistic offering in its place a theory which argues that the intertestamental writings do not anticipate the salvation of all Jews but only of a faithful remnant within Israel Working carefully with the major books of the pseudepigrapha and the Dead Sea Scrolls Mark Adam Elliott shows that the authors of such works anticipated an imminent and scathing judgment of Israel that would exclude many or even most Israelites from the saved community This provocative finding not only confronts accepted perspectives on Late Second Temple Judaism but also suggests important implications for our reading of Paul and the New Testament

The Protocol of Spiritual Warfare John Lee Yates, 2018-12-17 It may be difficult to accept but many Christians today have been robbed of their ability to connect with God and one another John Lee Yates offers a measure of encouragement to Christians seeking to develop a closer relationship with God in this commentary on living a godly life It starts with refusing to live in a perpetual state of weakness and blaming your problems on others Drawing on the Bible for inspiration this book will help you Repent in order to find favor with the Lord Use prayer as a weapon to achieve goals Understand how Satan seeks to divide and conquer the people of God Win disciples to succeed in spiritual warfare In terms of earthly wisdom it seems crazy to pursue an invisible God in the face of vehement opposition from society culture and an enemy who is trying to destroy us but is it Discover what Jesus demands from you and help your brothers and sisters in Christ wage battle against the enemy with the guidance in The Protocol of Spiritual Warfare
