AN ANECDOTAL HISTORY

*Paul F. Boller, Jr.*

# Presidential Wives

**Lewis L. Gould**

## **Presidential Wives:**

**Presidential Wives** Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday

**The Presidents' Wives** Robert P. Watson, 2000 Traces the development of the First Lady's role from obscurity into an influential force in politics complete with office staff and budgetary resources to rival those of key presidential advisors The author also explores the paradoxes surrounding activism in the office Wives of the American Presidents, 2d ed. Carole Chandler Waldrup, 2006-02-09 Their personalities often set the tone for Washington society from Julia Tyler's open hospitality to Sarah Polk's somber religious devotion Some like Abigail Adams had little formal schooling Others such as Pat Nixon and Hillary Clinton earned college degrees There were those who outlived their spouses as well as women who died before seeing their husbands realize their presidential dreams In spite of differing circumstances these presidential wives influenced sometimes overtly and often inadvertently everything from domestic political agendas to foreign policy through their relationships with their husbands From Martha Washington to Laura Bush this book discusses the lives and circumstances of the 47 women who have been married to an American president It emphasizes the relationship each wife had with her husband and the ways in which this contributed to the success or failure of his presidency Details include birthplace upbringing political viewpoints and final resting place Chapters are also included on women such as Hannah Van Buren and Jane Wyman who although married to men who eventually became president never became first lady *The Presidential Book of Lists* Ian Randal Strock, 2008-10-21 An entertaining and informative compendium of facts and trivia about the U S presidents ranges from George Washington to the results of the 2008 presidential election in a volume organized into more than one hundred different categories American Presidential Candidate Spouses Laurel Elder, Brian Frederick, Barbara Burrell, 2018-03-20 The book offers a comprehensive analysis of public opinion toward presidential candidate spouses over the course of three decades drawing on multiple theoretical frameworks including the concept of new traditionalism and a plethora of empirical data to explore why some spouses engender greater support than others and what these reactions reveal about the American public and the gendered nature of the American presidency Recognizing that presidential candidate spouses are important but understudied political actors this book provides extensive analysis of public evaluations of Bill Clinton and Melania Trump during the 2016 presidential election as well as the presidential candidate spouses in the 1992 and 2012 elections and places public reaction to these individuals in historical context The book considers important trends in U S elections including party polarization from the distinctive vantage points of candidate spouses and explores the symbolic importance of historic firsts including the first African American candidate spouse and the first male candidate spouse No other work provides a systematic exploration of public opinion towards candidate spouses as distinct political entities across the modern political era *Presidential Footprints* Del Hambley, 2009-03 Presidential Footprints presents a

fast read covering the Presidents of the United States of America the major issues that they faced during their Presidency and how well they met their challenge A recurring theme is that things that seem insignificant at the time frequently have a major impact on future events As a result of this theme the author provides the reader with a unique perspective on how minor events not mentioned in a majority of history books have affected the history of our country One is left with a desire to pursue further exploration about the lives of the Presidents and their families William Buhro Retired School Principal

Edith Bolling Galt Wilson James S. McCallops,2003 Edith envisioned her role in marriage to Woodrow Wilson as a helpmate to her husband Thus her second marriage to Woodrow following the untimely deaths of both of their first spouses proceeded quite expectantly His comfort and interests were paramount to her own This was never more evident than in her actions following his debilitating stroke in 1919 For six weeks she closely guarded his privacy and determined which issues demanded his attention and which could wait She lobbied for certain legislation and soundly criticised others Later Edith contended that she was uniquely qualified for this role since she knew her husband s feelings on most issues And as to those who labelled her the first female president Edith refuted such pronouncements claiming she merely acted as Woodrow s helpmate but that he made every decision personally But to historians and students of history Edith s role especially during her husband s incapacitation marked a unique time in United States history when a woman exerted direct control over matters of state Therefore it might be argued that Eleanor Roosevelt in fact built upon Edith s precedent in becoming the influential first lady that she did Jackie Kennedy Mohammed Badrul Alam,2007 The primary purpose of this book is to investigate the various facets of the life of Jacqueline Kennedy Onassis a person who symbolised herself as an American icon for most of her adult life both before during and after her years in the White House as the First Lady of the United States The book also examines the early years of Jacqueline Kennedy in order to find out whether there were any traits in her personality that prepared her for the more challenging times which she had to endure in her later years The book makes an honest attempt to touch upon the fascinating life Jacqueline Kennedy led which touched one and all crossing across various sections of American society Through an organisation of ten chapters the book covers Jackie s life from her early childhood years in East Hampton Long Island to the final days in Manhattan New York City **Lucretia** John Shaw,2004 Fame did not interest Lucretia Garfield wife of our twentieth President In 1882 and again in 1887 she was invited to have her biography included in books about distinguished or famous American women She refused in both cases stating that she was not distinguished The story of James A Garfield s spectacular rise to the presidency of the United States has been told many times But the forceful influence of his wife Lucretia has received little attention So successful was she in staying out of the public eye that her name gradually vanished from sight This new book explores the life of this accomplished and fascinating woman **The Haunting of the Presidents** Joel Martin,William J. Birnes,2010-02-10 The history of paranormal phenomena in the presidential residence is revealed for the first time in a fascinating exploration of the country s most

famous portal to the unknown     Laura Bush Robert P. Watson,2005 In this book version of the official report presented to First Lady Laura Bush the reader will find the same contents that were included in the actual report This report marks the first ever time that such an undertaking was performed for the nation s first lady The report designed as a service to assist Mrs Bush in meeting the demands of her new role contains advice for the first lady and her senior staff as well as information on the history challenges and duties associated with the Office of the First Lady The contributors include the former first ladies public officials and leading historians of the first ladyship The Office of the First Lady is arguably the most intriguing and demanding unpaid job in the country The president s wife is in the unique position to wield significant power and influence as she presides over White House social affairs and important social projects while serving as the president s most trusted confidante and one of the country s most celebrated women     **Public Opinion, the First Ladyship, and Hillary Rodham Clinton** Barbara Burrell,2001-04-03 This second edition presents Clinton s self repositioning during the 1996 election her official role during the second term her role during the impeachment proceedings and the beginnings of an independent political career     **American First Ladies** Lewis L. Gould,2014-02-04 This volume presents thirty nine interpretive biographical essays on all first ladies from Martha Washington to America s newest First Lady Laura Bush This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry as well as a portrait of the newest First Lady     **Betty Ford** Jeffrey S. Ashley,2003 Betty Ford is remembered as one of the most outspoken and influential first ladies of all time Although she entered into the White House during turbulent times Mrs Ford captivated a nation and provided them with someone they could trust Serving immediately following the Watergate scandal meant that she would be subjected to greater scrutiny than most of her predecessors Fortunately for the country Mrs Ford did not shy away from the challenge Her positive attitude candour and honesty were refreshing remedies for an ailing nation and set the standard for the modern first lady She championed many issues including alcohol and drug abuse women s rights breast cancer awareness and other social concerns This new biography sheds light on this charismatic first lady     White House Studies Compendium Robert W. Watson,2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia consists of the combined and rearranged issues of the journal White House Studies with the addition of a comprehensive subject index Preface     **On Behalf of the President** Lauren A. Wright,2016-04-18 White House expert Lauren A Wright identifies explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton Bush and Obama administrations More than any other time in history the First Lady now bears responsibilities tantamount to those of any high ranking cabinet member This fascinating book documents the growing presence of the president s wife in the communications strategies of the last three administrations explaining why their involvement in a campaign has been critical to its survival The book explores how the First Lady serves to persuade public opinion make personal appeals to the

public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies The author delves into political discussions about what makes presidents and presidential candidates likable what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves The content features dozens of interviews with former White House staff and communications strategists in depth analysis of almost 1 700 public speeches made by Hillary Clinton Laura Bush and Michelle Obama and surveys testing the effect of public relations strategies involving spouses on political opinion Book Reviews on Presidents and the Presidency Frank H. Columbus, 2008 This new book presents 245 in depth and incisive book reviews about presidents and the presidency of the United States This book is a must reference in political science current affairs and sociology

**The American Presidents, Washington to Tyler** Robert A. Nowlan, 2014-01-10 As of 2012 only 43 men have held the office of the President of the United States Some have been sanctified and some reviled This historical work addresses the careers of the first ten presidents men who made vital contributions not only to the office of the presidency but to the course of the fledgling nation From Washington through Tyler every term is recounted in detail and each presidential profile provides as many as a hundred quotations with full source notes by the president his friends family historians and others Each profile ends with an extensive bibliography of books about the president his principles and policies and also provides suggestion for further reading Rigorously nonpartisan in approach this detail rich text describes the early years of what may well be one of the most demanding jobs in the world **Essays on the Presidents** Paul F. Boller, 2013-05-31 Since he first began writing in the 1950s Dr Paul F Boller Jr has had a passion for sharing the humorous intriguing and little known or widely misunderstood aspects of the American presidency Boller has authored many beloved books on American presidents the first ladies presidential anecdotes quotes campaign strategies and common myths This wide variety of topics has been collected for the first time in Essays on the Presidents along with new essays and forewords Boller s prose distinct and inviting causes the reader to see what is often overlooked in the history of American presidents their humanity Boller has searched for those patriotic narratives we have all heard at some point in our lives whether from our schoolteachers coworkers or various trivia books and corrects the misconceptions many Americans deem as truth in a lighthearted and truly characteristic voice From Washington s relationship with the Jews to the electioneering and stump speaking associated with American presidential campaigns readers will not only see the significant changes in the presidential office since its conception but also Boller s lifetime of research and his expertise in the field of American history Personality of the most interesting presidents and of Boller himself is an important theme throughout this collection The in depth retelling of treasured American stories will captivate readers and keep them exploring for more nuggets of truth Boller tracks the relationship between Americans and the presidents uncovering the intricate nature of presidential responsibilities and the remarkable men whose leadership shaped the office into what it is today Celebrating the commanders in chief and the career

of the nationally recognized American historian and TCU Emeritus Professor of political science Essays on the Presidents serves as a unique perspective on American history that fans of both Boller and the presidents will enjoy     The SAGE Encyclopedia of Journalism Gregory A. Borchard,2022-02-22 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted Whether it is National Public Radio in the morning or the lead story on the Today show the morning newspaper headlines up to the minute Internet news grocery store tabloids Time magazine in our mailbox or the nightly news on television journalism pervades our lives The Encyclopedia of Journalism covers all significant dimensions of journalism such as print broadcast and Internet journalism U S and international perspectives and history technology legal issues and court cases ownership and economics The encyclopedia will consist of approximately 500 signed entries from scholars experts and journalists under the direction of lead editor Gregory Borchard of University of Nevada Las Vegas

## **Presidential Wives Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presidential Wives free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presidential Wives free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presidential Wives free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Presidential Wives. In conclusion, the internet offers numerous platforms and websites that allow users

to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidential Wives any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Presidential Wives Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidential Wives is one of the best book in our library for free trial. We provide copy of Presidential Wives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidential Wives. Where to download Presidential Wives online for free? Are you looking for Presidential Wives PDF? This is definitely going to save you time and cash in something you should think about.
