Polk A Political Biography** Eugene Irving McCormac,1922      **New Dictionary of South African Biography** E. J. Verwey,1995 This series of publications aims to fill the gaps in our history highlighting in particular the significant roles played by black leaders from all walks of life      **The Almanac of Political Corruption, Scandals, and Dirty Politics** Kim Long,2008-12-18 Watergate Billygate Iran Contra Teapot Dome Monica Lewinsky American history is marked by era defining misdeeds indiscretions and the kind of tabloid ready scandals that politicians seem to do better than anyone else Now for the first time one volume brings together 300 years of political wrongdoing in an illustrated history of politicians gone wild proving that today's scoundrels aren't the first worst and surely won't be the last From high crimes to misdemeanors to moments of licentiousness and larceny this unique compendium captures in complete colorful detail the foibles failings peccadilloes dirty tricks and astounding blunders committed by politicians behaving badly Amid stories of brawlers plagiarists sexual predators tax evaders and the temporarily insane this almanac tells all about The only so far president to be arrested while in office Ulysses S Grant who was allegedly issued a ticket for racing his horse and buggy through the streets of Washington D C The former New Jersey state senator David J Friedland who disappeared during a scuba diving accident in 1985 It turns out he staged the accident and served nine years in prison after being captured in the Maldives Tape recorded instructions from highbrow president Franklin Delano Roosevelt on how his staff should carry out some low down political tricks The bizarre story of U S congressman Robert Potter who castrated two men he suspected of having affairs with his wife Potter won election to the state house while in jail but was kicked out for cheating at cards Texas congressman Henry Barbosa Gonzalez he was charged with assault in 1986 after he shoved and hit a man who called him a communist Gonzalez was seventy years old at the time At once shocking and hilariously funny here's a book that exposes the history of American politics warts and all and makes for hours of jaw dropping fascinating illuminating reading

**The American Presidents From Polk to Hayes** Robert A. Nowlan, Ph.D.,2016-01-31 American Presidents Polk to Hayes What They Did What They Said What Was Said About Them is the second book in a planned five volume series covering all the Presidents These 43 men so far have succeeded in some regards and failed in others as they strove to do the best they could in what is surely one of the most difficult jobs in the world Only they can truly appreciate what it takes to be the president Others can only speculate People feel strongly about U S Presidents Some they admire others they hate It is fair game to criticize a president's actions and policies However questioning their commitment to American ideals seems like hitting below the belt There are no willing villains Most people can find justification for their actions beliefs and prejudices Each president strove to do the best he could for the nation and its people This goal of the book is not to praise presidents nor is it to condemn them The subtitle of each of the five books in the series What They Did What They Said What Was Said About Them perfectly describes the approach adopted to tell their stories in a unique way meant to entertain as well as

inform Readers are asked to make their own judgments of the presidencies based on more information than the semi myths they may recall History courses or what is preached in the many longstanding and despicable negative campaigning mudslinging and character assassination reports they hear from partisans One can find much to admire about each of the presidents and unfortunately much to deplore Soldiers are told that in giving salutes to officers is not honoring the individuals but rather their rank If there are presidents readers just feel they cannot salute hopefully they can salute the presidency

**American Political Leaders** Richard L. Wilson, 2014-05-14 Presents profiles of major figures in American politics from Bella Abzug through Woodrow Wilson arranged alphabetically by area of activity and by year of birth

**The Presidency of Calvin Coolidge** Robert H. Ferrell, 1998 The first book length assessment of Coolidge's presidency in thirty years draws on the recently opened papers of his White House physician for hitherto unknown personal information Ferrell history Indiana U exonerates Coolidge for the failures of his party's foreign policy but holds him accountable for having had insufficient economic savvy to warn Wall Street against the overspeculation that caused the Depression
