Preston Manning Fall From Grace:

Dismantling Canada Brooke Jeffrey, 2015-04-01 Stephen Harper is the first prime minister to represent the new Conservative Party and the first to declare that his goals include nothing less than changing Canada by entrenching conservative values and replacing the Liberals as the country's natural governing party. After nine years of a closed door governing style, his agenda is no longer hidden. As Brooke Jeffrey outlines in compelling detail in *Dismantling Canada*, Harper's agenda is driven by a desire to impose order and tradition at home and to take firm stands on emerging issues abroad. With only thirty-nine per cent of the popular vote in 2011, his government appears to have gone a surprisingly long way towards achieving those objectives with little or no concerted public opposition. Illuminating the importance and influence of British and especially American right-wing conservatives on Harper's strategies, the book explains how he has achieved so much through a combination of stealth pragmatism and ruthless determination. Providing fascinating insight into the origins of a new conservative vision for the economy, federalism and domestic and foreign policies, *Dismantling Canada* explores Harper's successes and failures and evaluates the likely outcome of his long-term agenda to change Canada into a country most Canadians would not recognize. **CM**, 1992

Divided Loyalties Brooke Jeffrey, 2010-01-01 Extremely well documented and well written, *Divided Loyalties* is the definitive record of the Liberal Party through the Turner, Chretien and Martin years. Brooke Jeffrey's interviews with Members of Parliament, high ranking public servants and senior Liberals provide an authentic account of the party's travails and conflicts, making *Divided Loyalties* a truly valuable contribution to Canada's political history. Peter Russell, Professor Emeritus, University of Toronto. *Divided Loyalties* brings together for the first time the complete story of the Liberal Party during its most tempestuous years. Brooke Jeffrey's study of Canada's natural governing party is balanced, authoritative and very relevant to current events. Hugh Thorburn, Professor Emeritus, Queen's University. *Divided Loyalties* stands alone in the literature on Canadian political parties and makes an extraordinary contribution to how we understand this country's contemporary politics. Brooke Jeffrey advances crucial arguments on the Liberal Party's rapid decline that all future evaluations will need to take into account. She is uniquely positioned to communicate the complexity of the relationships between leaders, caucus, constituency associations, voters and election advisers, and her extensive interviews with key Liberal politicians and advisers offer remarkably candid assessments of the party and its policies. **Conservatism in Canada** James Farney, David Rayside, 2013-01-01 *Conservatism in Canada* explores the ideological character of contemporary Canadian conservatism, its support in the electorate, its impact on public policies such as immigration and foreign policy, and its articulation at both federal and provincial levels. **Conventional Choices?** Ian Stewart, David Stewart, 2011-11-01 Selecting a leader is a momentous and defining choice for a political party. Leaders symbolize their party and are a primary factor in election outcomes. While much is known about the selection of national party leaders, less is known about the provincial selection process, particularly in the Maritimes. Breaking new ground, *Conventional Choices*

examines twenty five different leadership elections in three maritime provinces The analysis draws on an extraordinarily rich data set spanning thirty two years to explore the backgrounds attitudes and motivations of those who select party leaders It is an impressive study that offers fresh insights into leadership selection and Maritime party politics Conservative Parties and Right-Wing Politics in North America Rainer-Olaf Schultze,Roland Sturm,Dagmar Eberle,2013-07-02 The thirteen papers assembled in this volume offer a comparative perspective on the state of conservative and right wing populist parties in the North American democracies They deal with Ideological and Value Change in the North American Mass Publics Conservative Ideology and Party Programmes The Changing Landscape of the Two Party Systems The Public Policies of Conservative and Neo Liberal Governments in North America **Leaders & Lesser Mortals** John Laschinger,Geoffrey Stevens,1992 **A New English Dictionary on Historical Principles** James Augustus Henry Murray,1901 Saturday Night ,1992 **A Catalogue of the Harleian Manuscripts in the British Museum** British Museum. Department of Manuscripts,1808 *Faith, Leadership and Public Life* Preston Manning,2017-10-15 The connection between faith leadership and public life is a complex one as Preston Manning knows all too well from his years as a scout and trailblazer on Canada s political frontiers Now in his new book Faith Leadership and Public Life Leadership Lessons from Moses to Jesus he fearlessly tackles this subject by drawing upon his own years in Canada s parliament and political arena and upon relevant lessons to be learned from the public lives of the founding giants of Judaism and the Christian faith Starting with the public life of Jesus himself he also draws upon the experience of those leaders whom Jesus most frequently referenced such as Moses and David as well as examining the lives of leaders such as Joseph and Daniel who were called upon to exercise their faith in societies and political systems hostile to their beliefs He challenges people of faith today to learn from their examples about how to conduct ourselves responsibly at the faith political interface while bringing what Jesus called salt and light to bear on the political issues and structures of our times If you are a person of faith currently active in politics or leadership or contemplating involvement in either the following pages will help you in meeting those challenges **Catalogue of the Harleian Manuscripts, in the British Museum...** British museum,1808 *Report Fall River (Mass.).
