Preston Morton Collection Of American Art:

Circular, 1932 **The Preston Morton Collection of American Art** Katherine Harper Mead, 1981-01-01 **The Preston Morton Collection of American Art** M.W. Schantz, 1981 **Annual Report** National Endowment for the Arts, 1980 Reports for 1980 19 also include the Annual report of the National Council on the Arts *Jerome Myers: the Ash Can Artist of the Lower East Side* Robert L. Gambone, 2017-02-09 The Eight Ash Can School artists who joined ranks in 1908 to challenge the conservative dominance of the National Academy does not count Jerome Myers among its number Yet the pioneering work done by Myers places him in the forefront of contemporary realist artists His focused concentration depicting the environment and inhabitants of New York City's Lower East Side immigrant neighborhood catapults Jerome Myers into the forefront of artists who boldly sought out expressions of contemporary life Myers's work allows us to understand these immigrant neighborhoods in a way that would not be possible today if his art did not exist This book examines Myers's biography and art in detail establishing not only his preeminent claim to a position at the forefront of the Eight but also his role as artist historian of a bygone neighborhood and the positive life of immigrants who lived there **A Concise History Of American Painting And Sculpture** Matthew Baigell, 2018-02-23 This clear thorough and reliable survey of American painting and sculpture from colonial times to the present day covers all the major artists and their works outlines the social and cultural backgrounds of each period and includes 409 illustrations integrated with the text Although some determining factors in American art are considered Matthew Baigell views the rich and diverse achievements of American art as the result of the efforts and talents of a pluralistic society rather than as fitting into a particular mold This edition includes corrections and revisions to the text an updated bibliography and 13 new illustrations Carl W. Peters Richard H. Love, Carl William Peters, 1999 Throughout his life Peters depicted the ordinary places and people of America From Rochester to Rockport Peters made an amazingly coherent group of fascinating masterful American pictures

American Portraits in California Collections Santa Barbara Museum of Art, 1966 **American Paintings in Southern California Collections** Ilene Susan Fort, 1996 *William Harnett's Curious Objects* Nika Elder, 2022-10-04 Introduction Harnett's objects Civil War relics and the end of history painting Text and the transformation of still life Specimens and the art of trompe l'oeil Manufactures and the politics of painting Epilogue still life and its afterlives *Marsden Hartley* Townsend Ludington, 1998 A penetrating biography Ludington offers a psychological portrait of an intense contradictory scornful but gentle man who transcended his nineteenth century roots in Lewiston Maine to view Europe as his home and to make a distinctive contribution to modernism Kirkus Reviews Drawing on Hartley's letters and other writings as well as on the correspondence and reminiscences of the artist's friends Ludington traces the restless career of the painter Hartley had troubled friendships with some of the most important artists and writers of his day Gertrude Stein William Carlos Williams Fairfield Porter Eugene O'Neill Georgia O'Keeffe and others His relationship with Alfred Stieglitz who supported him

financially and exhibited his work runs like a leitmotif through the book and indicates Hartley's character demanding touchy often ungrateful but also compelling This frank and unsentimental account of a life of contradictions and paradoxes returns one to the artist's paintings with a fresh eye Publishers Weekly Marsden Hartley 1877-1943 had a virtually unique role as a modernist painter He was notable not only for his powerful canvases but for his poetry and essays Townsend Ludington's astute portrait of the artist focuses upon his cosmopolitan sensibility in a generation melding modern art with an American tradition of mystical idealism Ludington views Hartley as an essential American artist embarked on a spiritual odyssey Robert Taylor Boston Globe
