 Super-sleuth! The First Bundle* R T Green,2023-11-11 It all begins with a rose bush mysteriously uprooted in the middle of
 the night revealing a horrific secret If you ve not met our R E D Retired Extremely Daisy heroine yet the first bundle is a
 great way to get to know her and the hit series Three full books for less than the price of two Daisy moved to a village a few
 miles from Kings Lynn in Norfolk a year ago after a very unfortunate incident in London made her decide village life was the
 best option She s adapted to country life quite well although she rather irreverently refers to the village of Great Wiltingham
 as the place people go to wilt She does have a wicked side after all One of the best cozy mystery series I ve ever read A real
 breath of fresh literary air In the first book after some strange goings on and a murder in the village Daisy and Aidan
 together with a young police woman called Sarah whose curiosity gets the better of her set about solving the mystery It all
 begins with a rose bush mysteriously uprooted in the middle of the night revealing a horrific secret In the second book village
 life has reverted to as normal as it ever gets where Daisy is concerned Then one morning everything changes in a very tragic
 way To begin with Daisy believes someone from her past is responsible Before she retired she had a job very few people have
 after all Then a clue from a really unexpected source makes her wonder if it might be someone much closer to home So once
 again she becomes the worm on the hook much to Aidan and Sarah s horror For Daisy there s no choice because this time it s
 just about as personal as it gets In the third book following a surprise lead their daughter might have been sold by traffickers
 to someone in Africa three years ago Daisy Aidan and Sarah head for Uganda But they ve only been in the country a few
 minutes when a mysterious dying man thrusts a note into Daisy s hand As he gasps his last breath he begs her not to involve
 the police She suddenly realises there isn t just one but two mysteries to be solved The extra mystery deepens as three
 different people confess to a murder that took place many years ago But there s a silver lining to solving a case the local
 police closed in the nineteen sixties because it unearths an overgrown path that just might lead them to Celia A path that
 could very well end in an international incident Read all about Daisy Sandie and everything else we do on the new rtgreen

 Preorder a BRAND NEW utterly heartbreaking read from Sheila Norton You d know if something was wrong wouldn t you
 But danger doesn t always wear a mask it can hide in plain sight After a difficult break up my six year old Daisy is finally
 settling into life in two homes She s spending more time with her dad his wealthy and glamorous partner Kirsty and her new
 stepsisters Amelia and Freya She seems happier More relaxed Like she s finally found her place It should be everything I

ever wanted for her So why does it feel like I m losing her Then Daisy confesses something that stops me cold Something I can t ignore That Amelia isn t kind Behind closed doors she s cruel Violent even Everyone says it s just normal sibling tension A bit of jealousy But the more I try to dismiss it the harder it becomes to shake the feeling that something is deeply dangerously wrong What would you do if your child told you they were being hurt by someone you trusted Would you risk everything to protect them even if no one believes you A heart wrenching and emotionally gripping novel for fans of Jodi Picoult Jojo Moyes and Kate Hewitt Praise for Sheila Norton A well crafted and brilliantly suspenseful novel that kept me guessing until the end Jo Bartlett Loved this book Addictive There was no way I was putting it down I literally started reading the book around 10am and couldn t put it down until around 4am Hahaha I m so glad it was the weekend I definitely recommend it Reader review A breathtaking novel about motherhood I felt angst tension compassion empathy surprise and suspicion Do not miss this novel especially if you enjoy reading about families and their realistic struggles and moments of joy Grabbed my heart Phenomenally emotive Reader review A masterpiece story of a family finding their way Hit all the feels for me and I was invested in the story from the beginning to the brilliant end My emotions ran wild throughout this story and I would love to see this become a Netflix hit Reader review A remarkable tale depicting a family s journey through the complexities of emotional challenges Norton s storytelling kept engrossed me from start to finish leaving a lasting impact Truly captivating Reader review
