**DEMONS&CURSES** Jean TSHIBANGU, 2015-04-27 Jean TSHIBANGU as Doctor gives us not only the diagnosis of demonic powers but also spiritual prescription When you live a life of endless deadlocks of continuous drought the chronically ill the abortions or regular miscarriages repeated accidents fines and breakdowns pop up when you deploy many efforts but you give birth a mouse poverty has found home in the family divorce or generalized celibacy do not hesitate to see the spiritual doctors The author tries to answer by this book to many questions commonly asked thereon when darkness taking over on the light and nights of misery are choking the lives of some When the ordinary becomes extraordinary the world seems to turn upside down man in distress needs help the consolation which can only come from the comforter In this book the author expounds the methodology of wrestle against these forces      **Prevailing Prayer** Eli Wigle, 1900

**Man-Up** Ricky Spann LTC US Army, 2008-02-25 As a black man in America Ricky Spann sees the need for African American males to unite and provide leadership for the inner city youth in America Actions speak louder than words and complaining about the problems in inner cities is no longer an option In basketball and in life crying foul exposes our weaknesses and does not get us anywhere It s time to determine solutions without violence and stop blaming others for the current state of affairs Self governance with political and economic actualization is needed to help African Americans serve the community and to facilitate more influence on the global scene While assistance can be obtained from others black men must do most of the heavy lifting in their own communities to defeat the enemies of any society crime poverty and illiteracy Spann proposes a formal organized body of African American leaders named the Black Strategic Alliance BSA to promote unity and prosperity among African Americans and help them increase their contributions to society by creating jobs training workers preparing leaders and securing more government positions at local state federal and global levels      **Prevailing Prayer Lifestyle** Ovo Imoedemhe, 2019-03-13 Prevailing Prayer Lifestyle is a great addition to the volume of literature about prayer Quite honestly and arguably believers pray There seems to be no other time that believers have prayed more than in this generation yet the Lord is calling for more prayers This addition essentially encourages believers worldwide to continue to enforce God s will and superimpose his original intent for creation Accordingly rather than being reactionary in prayer i e being prompted to pray when unsavory situations occur and rather than being provoked to anger by obnoxious laws believers should engage the seven P words to prioritise the place of prayer take the appropriate posture be precise be purposeful be persistent and be proportionate in prayers While the proof of prayer may be in the answers and the physical manifestations of the things we pray about Prevailing Prayer Lifestyle is a continuum ad infinitum      Care and Serve Missionary Upholders Trust, 2022-02-10 Care Serve is the magazine that connects the Friend of MUT Published every quarter this provides updates

[The Self Possessed](#) Frederick M. Smith,2006 *The Self Possessed* is a multifaceted diachronic study reconsidering the very nature of religion in South Asia the culmination of years of intensive research Frederick M Smith proposes that positive oracular or ecstatic possession is the most common form of spiritual expression in India and that it has been linguistically distinguished from negative disease producing possession for thousands of years In South Asia possession has always been broader and more diverse than in the West where it has been almost entirely characterized as demonic At best spirit possession has been regarded as a medically treatable psychological ailment and at worst as a condition that requires exorcism or punishment In South and East Asia ecstatic or oracular possession has been widely practiced throughout history occupying a position of respect in early and recent Hinduism and in certain forms of Buddhism Smith analyzes Indic literature from all ages the earliest Vedic texts the Mahabharata Buddhist Jain Yogic Ayurvedic and Tantric texts Hindu devotional literature Sanskrit drama and narrative literature and more than a hundred ethnographies He identifies several forms of possession including festival initiatory oracular and devotional and demonstrates their multivocality within a wide range of sects and religious identities Possession is common among both men and women and is practiced by members of all social and caste strata Smith theorizes on notions of embodiment disembodiment selfhood personal identity and other key issues through the prism of possession redefining the relationship between Sanskritic and vernacular culture and between elite and popular religion Smith s study is also

comparative introducing considerable material from Tibet classical China modern America and elsewhere Brilliant and persuasive The Self Possessed provides careful new translations of rare material and is the most comprehensive study in any language on this subject **Mighty Prevailing Prayer** Wesley L.
