

FIVE WAYS YOU CAN HELP PREVENT FAMILY VIOLENCE

More than one-third of women and one in twelve men have experienced family violence in their lifetime. *That's too many.* Here's how you can help.

1. ***Don't ignore it.*** If you hear your neighbors engaged in a violent situation, call the police. It could save a life.
2. ***Lend an ear.*** If someone confides in you they are experiencing domestic violence, listen without judgment. Believe what they are telling you and ask how you can help.
3. ***Check in regularly.*** If a loved one or friend is in danger, reach out regularly to ensure his or her safety.
4. ***Be a resource.*** Offer to do the legwork to help ease stress and keep things confidential.
5. ***Lead by example.*** Refuse to support the culture perpetuated in music, movies, television, games and the media that glorifies violence, particularly against women.
