Peaceworks, 1995

The Political Crisis of March 2009 in Madagascar Adrien M. Ratsimbaharison, 2017-07-25 Since Independence in 1960 Madagascar has faced several periods of instability and crisis as well as the threat of civil war These periods were cyclical each time the country made some significant economic and social progress an unexpected crisis would occur to bring it to a halt The book focuses on the crisis of March 2009 showing how a brewing conflict between the government of Marc Ravalomanana and the opposition led by Andry Rajoelina escalated and using it as a case for the study of further crises in Madagascar or other African countries The book adopts a conflict approach to the study of crisis Instead of focusing on external symptoms street protests violence looting massacre of protesters military mutiny etc or condemning it as a coup d tat it analyzes the crisis of March 2009 as part of an ongoing conflict between the government and the opposition It uncovers the causal mechanisms of the crisis as well as the process of crisis management and de escalation examining such factors as the context of the crisis the major actors the triggers and the management of the crisis by national and international mediators In addition the book explains how a civil war was averted and who benefited as a result of this political crisis

International Multiparty Mediation and Conflict Management Sinisa

Vukovic,2015-10-05 This volume aims to provide a detailed explanation of the effects of cooperation and coordination on international multiparty mediation in conflicts Contemporary scholarship stresses that the crucial ingredients for a successful multiparty mediation are consistency in interests and cooperation and coordination between mediators This book seeks to supplement that understanding by investigating how much the consistency of interests and cooperation and coordination affect the overall process and what happens to the mediation process when mediating parties do not share the same idea and interest in finding a common solution At the same time it explores the obstacles in achieving coordination and coherence between various mediators in such an environment and how to surmount the problems that multiple mediators face when operating without a common script in attempting to mediate a negotiated settlement The study investigates three distinct mechanisms both on the systemic and contextual level that have the potential to deter defection from a potential member of the multiparty mediation coalition geo political shifts changes in the conflict dynamics and mediators ability to bargain for a cooperative relationship As the number of states and international actors that are involved in mediation increases a careful assessment is necessary not only of their relative institutional strengths and weaknesses but also of how to promote complementary efforts and how to synchronize the whole process when one actor is transferring the responsibilities for mediation to others This book will be of much interest to students of mediation conflict management war and conflict studies security studies and IR The Open Access version of this book available at <https://www.routledge.com/International+Multiparty+Mediation+and+Conflict+Management+Challenges+of/Vukovic/p/book/9781138087897> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Handbook of Development Policy Studies* Gedeon M.
