*Mormon History* Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001 *Utah Historians and the Reconstruction of Western History* Gary Topping, 2003 Among historians of Utah and the American West few names have greater resonance than Bernard DeVoto Dale Morgan Juanita Brooks Wallace Stegner and Fawn Brodie Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history In many ways their writing set the standard for scholarship and interpretation and their influence is still felt today Yet they were not flawless As Gary Topping explains in this the first comprehensive appraisal of their work each had serious shortcomings DeVoto and Stegner master storytellers distorted their histories with excessive use of literary and artistic techniques Morgan the thorough researcher failed to see larger contexts and interpretive possibilities Brooks courageous in finding damning new information on the Mountain Meadows massacre stopped short of drawing conclusions that might alienate her from her fellow Mormons and Brodie psychobiographer extraordinaire nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts All five writers experienced Mormon Utah in the formative stages of their lives and whether they wanted to or not fashioned their work on the American West under that indelible influence Topping shows ultimately how despite weaknesses each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship **Making Space on the**

**Western Frontier** W. Paul Reeve, 2010-10-01 Until recently most scholarly work on Chinese music in both Chinese and Western languages has focused on genres musical structure and general history and concepts rather than on the musicians themselves This volume breaks new ground by focusing on individual musicians active in different amateur and professional music scenes in mainland China Hong Kong and Chinese communities in Europe Using biography to deepen understanding of Chinese music contributors present contextualized portraits of rural folk singers urban opera singers literati and musicians on both geographic and cultural frontiers Contributors are Nimrod Baranovitch Rachel Harris Frank Kouwenhoven Tong Soon Lee Peter Micic Helen Rees Antoinet Schimmelpenninck Shao Binsun Jonathan P J Stock and Bell Yung *Quicksand and Cactus* Juanita Brooks, 1992 Juanita Brooks became one of the best known historians of Mormon and Utah history Her autobiography is a valuable source of information on early southern Utah and Mormon history Mormon Women Have Their Say Sherrie L. M. Gavin, Elizabeth J. Mott, Allison Keeney, Susan Woster, Pamela Lindsay Everson, Susan Robison, Lisa Thomas Clayton, Elisa Eastwood Pulido, Amy Hoyt, Taunalyn Ford Rutherford, David Golding, Anna Terry Rolapp, 2013-03-01 The Claremont Women s Oral History Project has collected hundreds of interviews with Mormon women of various ages experiences and levels of activity These interviews record the experiences of these women in their homes and family life their

church life and their work life in their roles as homemakers students missionaries career women single women converts and disaffected members Their stories feed into and illuminate the broader narrative of LDS history and belief filling in a large gap in Mormon history that has often neglected the lived experiences of women This project preserves and perpetuates their voices and memories allowing them to say share what has too often been left unspoken The silent majority speaks in these records This volume is the first to explore the riches of the collection in print A group of young scholars and others have used the interviews to better understand what Mormonism means to these women and what women mean for Mormonism They explore those interviews through the lenses of history doctrine mythology feminist theory personal experience and current events to help us understand what these women have to say about their own faith and lives **Mormonism in Transition** Thomas G. Alexander, 1996 **Mormon Studies** Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s *Mormon Women's History* Rachel Cope, Amy Easton-Flake, Keith A. Erekson, Lisa Olsen Tait, 2017-11-29 *Mormon Women's History Beyond Biography* demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion politics and culture Yet the study of Mormon women has mostly been confined to biographies family histories and women s periodicals The contributors to *Mormon Women's History* engage the vast breadth of sources left by Mormon women journals diaries letters family histories and periodicals as well as art poetry material culture theological treatises and genealogical records to read between the lines reconstruct connections recover voices reveal meanings and recast stories *Mormon Women's History* presents women as incredibly inter connected Familial ties of kinship are multiplied and stretched through the practice and memory of polygamy social ties of community are overlaid with ancestral ethnic connections and local congregational assignments fictive ties are woven through shared interests and collective memories of violence and trauma Conversion to a new faith community unites and exposes the differences among Native Americans Yankees and Scandinavians Lived experiences of marriage motherhood death mourning and widowhood are played out within contexts of expulsion and exile rape and violence transnational immigration establishing civilization in a wilderness and

missionizing both to new neighbors and far away peoples Gender defines limits and opens opportunities for private expression public discourse and popular culture Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms emerging professional identities and developing ritualization and sacralization of lived religion The stories experiences and examples explored in Mormon Women s History are neither comprehensive nor conclusive but rather suggestive of the ways that Mormon women s history can move beyond individual lives to enhance and inform larger historical narratives

**The A to Z of Mormonism** Davis Bitton,Thomas G. Alexander,2009-11-25 Mormonism is the unofficial name for The Church of Jesus Christ of Latter Day Saints which originated in the early 1800s Mormonism refers to the doctrines taught by Joseph Smith doctrines that are believed to be original gospel preached by Jesus Christ The Mormons oppose abortion homosexuality unmarried sexual acts pornography gambling tobacco consuming alcohol tea coffee and the use of drugs Despite its relatively young age the Mormon Church continues to grow and today it contains about 13 million members The A to Z of Mormonism relates the history of the Mormon church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on crucial persons organizations churches beliefs and events Clearing up many of the misconceptions held about Mormonism and its members this is an essential reference

*The Columbia Sourcebook of Mormons in the United States* Terryl L. Givens,Reid L. Neilson,2014-07-15 This anthology offers rare access to key original documents illuminating Mormon history theology and culture in the United States from the nineteenth century to today Brief introductions describe the theological significance of each text and its reflection of the practices issues and challenges that have defined and continue to define the Mormon community These documents balance mainstream and peripheral thought and religious experience institutional and personal perspective and theoretical and practical interpretation representing pivotal moments in LDS history and correcting decades of misinformation and stereotype The authors of these documents male and female not only celebrate but speak critically and question mainline LDS teachings on sexuality politics gender race polygamy and other issues Selections largely focus on the Salt Lake based LDS tradition with a section on the post Joseph Smith splintering and its creation of a variety of similar yet different Mormon groups The documents are arranged chronologically within specific categories to capture both the historical and doctrinal development of Mormonism in the United States

**Excavating Mormon Pasts** Newell C. Bringhurst,Lavina Fielding Anderson,2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century
