effort risk and sometimes hard work A lot happens in life that we cannot control but many times our efforts make a difference Critical to performance is having the will to consciously set goals and strategize a plan to achieve them and then discipline one s self to work the plan Knowing what is right and wrong is not that difficult doing what is right can be very difficult at times Being truthful and faithful runs counter to human nature We innately look out for number one Only with the help of the Spirit can we develop the character which rejects values outside ourselves Some relationships come easy They deepen and grow as we begin to enjoy each other Still other relationships are strained bumpy and even nonexistent due to missing grace Recognizing that relationships take two and often the hard work is done by the recipient rather than the aggressor can be hard to grasp Self control is difficult to exercise because it does not always allow us to vindicate ourselves In the end we must give up to God and trust that he will show us the bigger picture by pouring his wisdom over us **Federal Trade**
