Quiet Heroines:

Becoming a Heroine Quietly Constance Wootten Malloy, 1988 *Poems* Ruby Gardner, 1909 **Sisters In Arms** Nicola Tyrer, 2008-09-18 The remarkable true story of the Queen Alexandra frontline nurses in the Second World War The amazing experiences of the Queen Alexandra nurses in the Second World War form one of the greatest adventure stories of modern times and incredibly remain largely untold Thousands of middle class girls barely out of school were plucked from sheltered backgrounds subjected to training regimes unimaginably tough by today's standards and sent forth to share the harsh conditions of the fighting services They had to deal with the most appalling suffering yet most found reserves of inner strength that carried them through episodes of unrelieved horror Over 200 nurses died torpedoed in hospital ships bombed in field hospitals or murdered in Japanese prison camps Dozens won medals for gallantry From the beaches of Dunkirk to Singapore and D Day they saw it all Whether tending burned pilots from the Battle of Britain or improvising medical treatment in Japanese death camps their dedication was second to none This is their story **Quiet Rebellion** Mary Anne Schofield, 1982 *Belsen in History and Memory* David Cesarani, Tony Kushner, Jo Reilly, Colin Richmond, 2013-11-05 Drawing on documentary and oral sources in Yiddish Hebrew German Dutch and French this book challenges many stereotypes about Belsen and reinstates the groups hitherto marginalized or ignored in accounts of the camp and its liberation

The charm of the Cross Samuel Horton, 1903 **Monomania** Marina Van Zuylen, 2005 Monomania explores the cultural prominence of the *id e fixe* in Western Europe during the 19th and 20th centuries The author revives the term monomania to explore the therapeutic attributes of obsession **India At War** Yasmin Khan, 2015-09-10 World War II was a global catastrophe Far broader than just the critical struggle between Allies and Axis its ramifications were felt throughout the world It was a time of social relocation reorienting ideas of patriotism and geographical attachment and forcing the movement of people across oceans and continents In *India at War* Yasmin Khan offers an account of India's role in the conflict one that takes into consideration the social economic and cultural changes that occurred in South Asia between 1939 and 1945 and reveals how vital the Commonwealth's contribution was to the war effort Khan's sweeping work centers on the lives of ordinary Indian people exploring the ways they were affected by a cataclysmic war with origins far beyond Indian shores In manpower alone India's contribution was staggering it produced the largest volunteer army in world history with 2.5 million men Indians were engaged in making the raw materials and food stuffs needed by the Allies and became involved in the construction of airstrips barracks hospitals internee camps roads and railways Their lives were also profoundly affected by the presence of the large Allied army in the region including not only British but American African and Chinese troops Madras was bombed by the Japanese and the Andaman and Nicobar Islands were occupied while the Bengal famine of 1943 in which perhaps three million Bengalis died was a man made disaster precipitated by the effects of the war This authoritative account offers a critically important look at the contributions of colonial manpower and resources essential to

sustaining the war and emphasizes the significant ways in which the conflict shaped modern India Before the Poison Peter Robinson, 2011-10-04 From bestselling author Peter Robinson comes this atmospheric suspenseful and thrilling standalone novel Through the years of success in Hollywood composing film scores Chris always promised his wife they'd return to the Yorkshire Dales one day Now a widower Chris feels he must not forget his promise Back in the Dales he rents an isolated house that will allow him the space to grieve and the peace to compose his piano sonata But when he finds that the house was the scene of a murder in the 1950s and the convicted murderer was one of the last women hanged in England he finds himself increasingly distracted by the events of sixty years before *The National Exposition Souvenir* Lydia Hoyt Farmer, 1893 This souvenir of the Columbian Exposition includes essays on women's accomplishments in the arts sciences etc as well as biographical sketches of individual women A Companion to World War II Thomas W. Zeiler, Daniel M. DuBois, 2012-12-21 A Companion to World War II brings together a series of fresh academic perspectives on World War II exploring the many cultural social and political contexts of the war Essay topics range from American anti-Semitism to the experiences of French African soldiers providing nearly 60 new contributions to the genre arranged across two comprehensive volumes A collection of original historiographic essays that include cutting edge research Analyzes the roles of neutral nations during the war Examines the war from the bottom up through the experiences of different social classes Covers the causes key battles and consequences of the war **Memoirs of a Fat Bastard** Chris Gibson, 2010-07-01 Chris Gibson is one fat drunk angry bastard He's tried every diet Atkins South Beach Pritikin Problem is he still can't get his pants on in the morning And he got none of the genes of his movie star brother Mel In his early 40s with a job he hates and a lifestyle that is killing him Chris is having more than a mid life crisis He's having a life and death crisis *Memoirs of a Fat Bastard* is a bittersweet account of how a middle aged man on the road to destruction turned his life and health around on his own terms It's a telling and frequently hilarious story of the ways in which some men can lose their way and the way back to finding meaning and happiness amid the competing pressures of being provider family man and all round good Aussie bloke Mr. and Mrs. Disraeli Daisy Hay, 2015-02-17 The first biography to give Mary Anne Lewis her due and to examine her singular marriage to Benjamin Disraeli When Mary Anne Lewis met Benjamin Disraeli she was married to Wyndham Lewis a rich mildly successful politician at the center of nineteenth century British high society The three became friends and with his deep pockets Wyndham helped Disraeli young ambitious and swimming in debt get his start in the political arena Mary Anne even referred to him as her Parliamentary protégé But when Wyndham suddenly died of a heart attack Mary Anne's friendship with Disraeli fifteen years her junior soon evolved into a peculiarly romantic and undoubtedly advantageous marriage Mary Anne avoided life as a widow while Benjamin used her financial means to stay out of prison and make a run for office Anecdotally the Disraelis cultivated an outrageous reputation Once asked if he had read any new novels Benjamin reportedly replied When I want to read a novel I write one Mary Anne on the other hand supposedly once told Queen Victoria

that she always slept with her arms around her husband's neck My wife is a very clever woman Benjamin said but she can never remember who came first the Greeks or the Romans An unusual story of Victorian romance and politics Mr and Mrs Disraeli moves beyond the anecdotes to reveal the interior life of one of Britain's most influential couples Often eclipsed by Benjamin Mary Anne had at least as much political acumen as her husband and this dual biography shows that she was frequently his voice of reason In the wake of British Romanticism Daisy Hay examines the paths available to women like Mary Anne and chronicles a relationship that is surprising unconventional and deeply inspiring **Social Justice in**

Twentieth-Century Europe Martin Conway,Camilo Erlichman,2024-03-07 Provides the first historical analysis of the evolution of social justice in Europe during the twentieth century **On Radji Beach** Ian W. Shaw,2010-09-01 When Singapore fell dramatically to the Japanese on 15 February 1942 hundreds of people scrambled to leave Amongst the evacuees were 65 Australian nurses who boarded coastal freighter Vyner Brooke which Japanese bombers sank The largest group of nurses that made it to shore gathered at Radji Beach Eventually the shipwreck survivors surrendered to the Japanese rather than slowly starve to death The Japanese did not accept their surrender and divided the Europeans into three groups and killed all in turn The Australian nurses were in the third group and 21 of them died in a hail of bullets as they walked into the waters off the beach There was one survivor Vivian Bullwinkel and she went on to survive the various camps and diseases that took away several of her friends Werner Scholem Mirjam Zadoff,2018-02-02 In Werner Scholem A German Life Mirjam Zadoff has written a book that is at once a biography of an individual a family chronicle and the story of an entire era Walking Solo but Not Alone Jane Pitkin Archibald,2025-04-15 Every one of the books I note here is a light each a gift from someone reaching from another time and place to offer us strength The human spirit is capable of magnanimity that many of us have not even imagined Loss and loneliness along the way need not weaken the wayfarer Walking Solo but Not Alone is a collection of fifteen discrete essays that present the warmth of our humanity in the 2024 context of a somewhat unsettled earth It is a book about the author's and humankind's journey to a destiny shaped meaningfully by our forebears Part personal memoir and part reflection on far sighted literary characters the essays guide us to chosen purpose and hope Lifelong learners of all ages are invited to consider how we might keep earth and our kind safe in this new Anthropocene era The memoir serves primarily to present the author's growth toward the responsibility each of us bears for protecting the earth's environment Wise witty and superbly humane fictional characters become illuminating guides to readers who might sense loss or defeat or who might simply stumble or fear the sharp edge of loneliness Although the fifteen essays are discrete they also work sequentially presenting earth and nature as our one home and all Homo sapiens as our worldwide family Appearing with the text of appropriate essays conversations between fictional characters reveal humane standards for our connection with nature for respectful interaction with others and for the memorable human capacity for self restraint and self sacrifice Since the essays detail the richness of our humanity Walking Solo but Not Alone
