aristocratic family became a dedicated Protestant in his younger years and one of the leaders of Dutch and European
Christianity gaining an influential role as pioneer in international Christian thought and parliamentary action He criticized

The Congregationalist and Christian World ,1904 **How Progressivism Destroyed Venezuela** Elizabeth
Rogliani,2022-09-20 On December 6 1998 the Venezuelan people voted in an election that would drastically change the
course of the country After Hugo Chavez Frias won the 1998 election and assumed office in 1999 most Venezuelans felt
hopeful of the promise of change and the opening up of new possibilities and perhaps the return of an era of prosperity such
as Venezuela had known in the 1950s Reality however proved much different The Venezuelan people slowly came to realize
that they had voted for something that could no longer simply vote out of office Over the past two decades Venezuela
experienced a massive political socio economic and ideological transformation It has gone from one of Latin America s most
stable democracies to a failed impoverished state Some believe this marks the end of what once was a bastion of freedom in
South America others more optimistically believe the nation can once regain its former glory despite the devastation *How*
Progressivism Destroyed Venezuela explores the causes of the disaster facing this proud and once prosperous nation
Although the most obvious explanation for Venezuela s tragic situation is Hugo Chavez his corrupt government and his failed
policies the seeds of this disaster were planted in the country long before he ever set foot in the Presidential Palace This book
explores the progressive ideas and events that led up to the election of 1998 It discusses the events policies and attitudes
that defined the late Hugo Chavez Frias s government and how his once unexpected leadership in the country managed to
become entrenched despite its colossal failures and popular protests Venezuelan activist Elizabeth Rogliani who lived
through many of the events she describes shows how a population that was on its way to achieving first world status threw it
all away with a single vote and how fundamental human rights once taken for granted were gradually lost while most of them
slept Elizabeth Rogliani is a political commentator and has appeared on *The Laura Ingraham Show* Ascent of the
