Quiet Time A Visit Through Nature:

Crossing the Great Divide: Walking with God Through Nature Dr. Charles R. Frazier, 2022-01-06 For I know the plans I have for you declares the Lord plans to prosper you and not to harm you plans to give you hope and a future Then you will call on me and come and pray to me and I will listen to you You will seek me and find me when you seek me with all your heart I will be found by you declares the Lord and will bring you back from captivity Jeremiah 29 11 14 Walking in the path of darkness I never looked up to see God's light I had put God on the shelf I was making my way in life I was gaining notoriety and recognition for my accomplishments My pride arrogance and selfishness were shining in my fleshly success I was rolling and life was rocking until one day God placed a boulder in my path I could not move In the blink of an eye I lost my career and my marriage was coming to an end My Heavenly Father had stopped my fleshly ways to show me the deep darkness of my soul He would take the pieces of clay from my brokenness place me back on His pottery wheel remold me with His loving hands and put me through the fire to purify my soul He would lead me to His place The Back Porch where He would teach me to meditate show me visions give me peace in His quietness and open my ears to hear His voice I would listen as He would speak through the pen and I would record His spoken words Exhausted tired and weary a broken man was being healed through the writings of his Heavenly Father In this journey He will use my love for nature to share with me the simple things in life explain my visions and gain understanding as we walk through this journey together God shines His light and speaks to every man and woman You must take the time to see His light and be still in His presence to hear His voice Open this book take a journey with me and experience how God heals and remolds a broken man He led me to write this book so you can see how God changed me and experience how God can change you *With Nature in Mind* Andy
