Quiet Voice Of Soul:

The Quiet Voice of Soul Tian Dayton, Ph.D.,1995-03-01 We hear the word soul in song lyrics and read about it in books and poems it has been analyzed and scrutinized by songwriters poets and researchers throughout history Though soul may seem mysterious it is hardly inaccessible It is with us all the time quietly waiting to be discovered In this soulful work Dr Tian Dayton opens our eyes to the many truths and expressions of soul through family relationships feelings play the universe and spirituality The soul is not only ephemeral but fundamentally ordinary and familiar It is available to us at all times and exists in all things The thought provoking quotes illustrative vignettes and practical exercises in this marvelous book will serve as your road map to a more meaningful life You may be pleasantly surprised at just how rich your life can be by appreciating where you are right now *I Am God* John C. Robinson,2024-01-26 A paradigm shifting journey into God as Self and the World as Heaven on Earth Upon turning 75 I felt the compelling need to spend time in solitude to live more fully the mystical consciousness I have been writing about for 25 years As the experience deepened I began writing mystical poetry in the tradition of Hafez Rumi Kabir and Gibran Hundreds of verses poured forth an amazing surprise I had found a new voice poetry became a new spiritual practice and wisdom and revelation now flow from the One One Consciousness God s consciousness fills the universe Everything contains and expresses it The world is alive awake aware loving and breathtakingly intelligent We each share this consciousness though we wrap it in personal identity and assume everyone s version is uniquely theirs What does this mean It means you have direct access to the consciousness of God This realization alone can begin your awakening *A Still, Small Voice* Echo Bodine,2010-10-05 In *A Still Small Voice* famed psychic Echo Bodine turns to a subject she knows deeply and is passionate about intuition Using humorous anecdotes and a positive readable style this sequel to *Echoes of the Soul* explores what intuition is where it s located what it sounds like and how to cultivate it The author who comes from a family of psychics exposes the various internalized voices that can mask one s intuition These include the voices of parents grandparents peers therapists significant others religious figures and society along with emotions such as anger fear guilt and despair The book challenges the cliché that psychic abilities and intuition are the same or that they are evil One chapter is devoted to the many practical benefits that come from listening to intuition another looks at the faith building times in life and how to cope with others negative reactions to setting off on the spiritual path **Advocate for America** Ralph M. Aderman,Wayne R. Kime,2003 In later decades he played a continuing role in the cultural life of the young nation numbering among his friends and associates a great many other writers editors and publishers *Vibration Experiment* Lisa Dekeuster,2018-07-16 *Vibration Experiment* is about our souls big experiment called LIFE why we came here in the first place and playing with little holistic healing experiments to get high on vibes so everything becomes easier and a lot more FUN Well explore how holistic healing metaphysics science and playtime connect Methods to help you get through life and deal with death include meditating yoga Reiki tapping clearing chakras connecting

with spirits vibing with sounds crystals and pendulums dumping dukkha sleeping in noni trees and more Do you want to know why your life is what it is Explore your charted fate free will intuition the sneakily quiet but powerful unconscious mind and the energies of attraction Theyre all in the works for you and you can learn how to experiment with them to work even better for you Find out how to navigate through doors that are meant for you and how to identify ones that arent so you can stop trying to push your way through to places you dont belong Also lets get real about our TRUE home Thats where we were in the first place when we decided to come here to this low vibe place where negativity exists Youll be back there soon Oh and spoiler alert aliens and ghosts do exist Its all part of the vibration experiment [The Empowered Life + Part 2](#)

Cassandra Blizzard,2014-06-15 Ready to change your life So empowering Loved the book The book is well written and keeps you interested It brings new approaches as well as reminds us of lessons already learned but put aside Just buy it There are very few people who escape this physical life without having the experience of feeling like giving up Life can get so hectic and out of control at times that we feel like we don t have any control at all What we believe about ourselves becomes our reality and in so many ways what we believe about ourselves forms our future I m not speaking in airy fairy New Age terms here I am talking about the real deal Our paradigms drive us one way or the other You have to willfully choose how you want to be steered If you are the captain of your boat called life then your hands need to firmly remain on the wheel that moves the rudder You can t be the captain of your boat called life if you allow other people to form your paradigms your beliefs about Self Don t allow others to shape your beliefs about yourself Read The Empowered Life Success coach Cassandra Blizzard offers an intensive look at how we inadvertently give away our personal power and how we can regroup and bring ourselves back into balance This book is the culmination of years of working with people and teaching clients how to trust in their Soul live a more balanced life and find fulfillment and happiness in the world Build a bridge of trust with your own Soul become self actualized and take charge of your life like never before Learn how to get rid of old baggage and break up old belief systems that hold you back and be bold about moving forward in positive ways You can have the good life a balanced life and an emotionally healthy life Cassandra shows readers how to appreciate respect and value Self how to lay down positive boundary lines in relationships and how to transform your life overall Break through wrong thinking overcome obstacles restore hope and create personal success Using this book together with The Empowered Life The Workbook you can transform yourself and your life reconnect with your Soul and develop inner peace Wouldn t you like to feel better about your life Empowerment is just a choice away Sometimes we make major changes in life just by taking one small step or making one simple decision But those decisions are not always easy to make We tend to cater to other people s whim or we are afraid of hurting someone s feelings Afraid to take a risk to step out of that dead end job and aim for something higher Afraid to make a decision to get out of a bad relationship Afraid fearful anxious Too often these are the emotions that rule our lives and make our decisions for us But it doesn t have to be that way You can empower yourself to be more in control of your

life to be more centered to make more positive decisions for self and to understand how the soul works in your life to bring you to a better place always Whether in business relationship or just within yourself you can learn how to take control and be a much more balanced much happier person Relationship Self Esteem Depression Empowerment Healing Confidence Personal Power Intuition

The Human Soul: Essays in Honor of Nalin Ranasinghe Predrag Cicovacki, 2022-02-01 This collection of essays is dedicated to a recently deceased philosopher and humanist Nalin Ranasinghe His central philosophical and humanistic preoccupation was with the human soul Not surprisingly his greatest inspiration was Socrates credo Care for your soul and the title of his first book was The Soul of Socrates In this and his later writings Ranasinghe expressed his growing concern over the idea that the human soul has been hijacked due to the way our civilization has developed the highest and noblest aspirations of our civilization have been replaced by our obsession with money pleasure and power We now live in a time where we do not know who we are nor who the people around us are Despite all of the technical gadgets connecting us virtually this is the age of disconnect and loneliness as well as of the degradations of humanity Ranasinghe insisted that the two keys for recovery are the self knowledge of the soul and a continuous dialogue with others We need to relearn how to relate to ourselves and others as unique individuals not as objects for the satisfaction of our needs Following his ideas the twenty essays presented here are divided into two parts the soul in reflection and the soul in dialogue The contributors come from various countries around the globe and work in different disciplines and their chapters aim to revive our interest in the soul and the obscured core of our humanity This book will appeal to undergraduate and graduate students of philosophy however the essays are written in a non technical language also making them accessible to the general audience
