Impulse of Queer Young Adult Literature Angel Daniel Matos,2024-10-01 The Reparative Impulse of Queer Young Adult Literature is a provocative meditation on emotion mood history and futurism in the critique of queer texts created for younger audiences Given critical demands to distance queer youth culture from narratives of violence sadness and hurt that have haunted the queer imagination this volume considers how post 2000s YA literature and media negotiate their hopeful purview with a broader and ongoing history of queer oppression and violence It not only considers the tactics that authors use in bridging a supposedly bad queer past with a better queer present but also offers strategies on how readers can approach YA reparatively given the field s attachments to normative capitalist and neoliberal frameworks Central to Matos argument are the use of historical hurt to spark healing and transformation the implementation of disruptive imagery and narrative structures to challenge normative understandings of time and feeling and the impact of intersectional thinking in reparative readings of queer youth texts The Reparative Impulse of Queer Young Adult Literature shows how YA cultural productions are akin to the broader queer imagination in their ability to move and affect audiences and how these texts encapsulate a significant and enduring change in terms of how queerness is or can be read structured represented and felt

The Lost Quilter Jennifer Chiaverini, 2009-03-31 Master Quilter Sylvia Bergstrom Compson treasures an antique quilt called by three names Birds in the Air after its pattern the Runaway Quilt after the woman who sewed it and the Elm Creek Quilt after the place to which its maker longed to return That quilter was Joanna a fugitive slave who traveled by the Underground Railroad to reach safe haven in 1859 at Elm Creek Farm Though Joanna's freedom proved short lived she was forcibly returned by slave catchers to Josiah Chester's plantation in Virginia she left the Bergstrom family a most precious gift her son Hans and Anneke Bergstrom along with maiden aunt Gerda raised the boy as their own and the secret of his identity died with their generation Now it falls to Sylvia drawing upon Gerda's diary and Joanna's quilt to connect Joanna's past to present day Elm Creek Manor Just as Joanna could not have foreseen that generations later her quilt would become the subject of so much speculation and wonder Sylvia and her friends never could have imagined the events Joanna witnessed in her lifetime Punished for her escape by being sold off to her master's brother in Edisto Island South Carolina Joanna grieves over the loss of her son and resolves to run again to reunite with him someday in the free North Farther south than she has ever been she nevertheless finds allies friends and even love in the slave quarter of Oak Grove a cotton plantation where her skill with needle and thread soon becomes highly prized Through hardship and deprivation Joanna dreams of freedom and returning to Elm Creek Farm Determined to remember each landmark on the route north Joanna pieces a quilt of scraps left over from the household sewing concealing clues within the meticulous stitches Later in service as a seamstress to the new bride of a Confederate officer Joanna moves on to Charleston where secrets she keeps will affect the fate of a nation and her abilities and courage enable her to aid the country and the people she loves most The knowledge that scraps can be pieced and sewn into simple lines beautiful both in and of themselves and also for what they represent and what they can accomplish carries Joanna through dark days Sustaining herself and her family through ingenuity and art during the Civil War and into Reconstruction Joanna leaves behind a remarkable artistic legacy that at last allows Sylvia to discover the fate of the long lost quilter

How to Make an American Quilt Whitney Otto, 2015-05-20 Remarkable It is a tribute to an art form that allowed women self expression even when society did not Above all though it is an affirmation of the strength and power of individual lives and the way they cannot help fitting together The New York Times Book Review An extraordinary and moving novel How to Make an American Quilt is an exploration of women of yesterday and today who join together in a uniquely female experience As they gather year after year their stories their wisdom their lives form the pattern from which all of us draw warmth and comfort for ourselves The inspiration for the major motion picture featuring Winona Ryder Anne Bancroft Ellen Burstyn and Maya Angelou Praise for How to Make an American Quilt Fascinating highly original These are beautiful individual stories stitched into a profoundly moving whole A spectrum of women's experience in the twentieth century Los

Angeles Times Intensely thoughtful In Grasse a small town outside Bakersfield the women meet weekly for a quilting circle piercing together scraps of their husbands old workshirts children s ragged blankets and kitchen curtains Like the richly colored well placed shreds that make up the substance of an American quilt details serve to expand and illuminate these characters The book spans half a century and addresses not only these women s histories but also their children s their lovers their country s and in the process their gender s San Francisco Chronicle A radiant work of art It is about mothers and daughters it is about the estrangement and intimacy between generations A compelling tale The Seattle Times Facts & Fabrications: Unraveling the History of Quilts & Slavery Barbara Brackman,2010-11-05 A renowned quilt historian present s what she considers to be an accurate assessment of slavery quilts and the Underground Railroad Time Recall an unforgettable phase of our nation s history with America s leading quilt historian Barbara Brackman presents the most current research on the role of quilts during the time of slavery emancipation and the Underground Railroad Nine quilt projects combine historic blocks with Barbara s own designs Did quilts really lead the way to freedom What role did quilts play Barbara explores the stories surrounding the Underground Railroad Read about the people who were there First person accounts newspaper and military records and surviving quilts all add clues YOU decide how to interpret the stories and history fabrication and facts as you learn about this fascinating time in history Excellent resource for elementary through high school learners curriculum included Quilters interested in African American slavery and quilting will find many historically accurate teachable moments within these pages The first personal accounts by slaves of their quilt making quilt parties and stolen quilts make emotional reading A must have book for your quilting library Kyra Hicks author of Black Threads Brackman skillfully assembles accurate historical evidence along with beautiful quilt examples infused with slave era symbolism Dr Carolyn Mazloomi author of Threads of Faith Many of persons featured or quoted are women with a connection to the peculiar institution slaves escaped slaves freed slaves plantation owners abolitionists and so forth teaches history through quilting and offers fun projects for history minded quilters the stories offer good starting points for one s own research and the projects are beautiful Beth s Bobbins **This Old Quilt** Margret Aldrich, A collection of writings which pay tribute to quilts and quilting memories from different eras and authors **Texts and Textiles** Diana Mary Eva Thomas,2017-03-07 This study shows how fiction that makes use of textiles as an essential element utilizes synaesthetic writing and synaesthetic metaphor to create an affective link to and response in the reader These links and responses are examined using affect theory from Silvan Tomkins and Brian Massumi and work on synaesthesia by Richard Cytowic Lawrence Marks and V S Ramachandran among others Synaesthetic writing including synaesthetic metaphors has been explored in poetry since the 1920s and more recently in fiction but these studies have been general in nature By narrowing the field of investigation to those novels that specifically employ three types of hand crafted textiles quilt making knitting and embroidery the book isolates how these textiles are used in fiction The combination of synaesthesia memory metaphor and

particularly synaesthetic metaphor in fiction with textiles in the text of the case studies selected shows how these are used to create affect in readers enhancing their engagement in the story The work is framed within the context of the history of textile production and the use of textiles in fiction internationally but concentrates on Australian authors who have used textiles in their writing The decision to focus on Australian authors was taken in light of the quality and depth of the writing of textile fiction produced in Australia between 1980 and 2005 in the three categories of hand crafted textiles quilt making knitting and embroidery The texts chosen for intensive study are Kate Grenville's *The Idea of Perfection* 1999 quilting Marele Day's *Lambs of God* 1997 knitting and Anne Bartlett's *Knitting* 2005 knitting Jessica Anderson's *Tirra Lirra by the River* 1978 embroidery and Marion Halligan's *Spider Cup* 1990 embroidery
