## **Quitting The Nairobi Trio A Memoir:**

Quitting the Nairobi Trio Jim Knipfel, 2000 The author describes his six month residence in a locked door psych ward where he was committed after another suicide attempt *Humanizing Mental Illness* Abigail Gosselin, 2021-08-15 Mental illness stigma is rooted in a perceived lack of agency but stigma itself undermines agency While most philosophical accounts of the matter are concerned with the question of how much agency a person with mental illness has this book asks how we can enhance the agency of people with mental illness *Humanizing Mental Illness* explains and explores these connections arguing that all of us can and should adjust our social practices to enhance the agency of people with mental illness This agency is complicated and nuanced as it is often directly constrained due to a person's symptoms and indirectly constrained due to stigma Abigail Gosselin both a scholar in the field of social philosophy and a person with a psychiatric disability illustrates the importance of social interaction for developing and exercising agency By overcoming mental illness stigma and by adopting certain epistemic and moral virtues we can interact with people who have mental illness in ways that help enhance their agency and enable them to flourish *Humanizing Mental Illness* demonstrates that we need to challenge our explicit and implicit biases and learn to interact with mental illness in more intentional supportive and inclusive ways

**Forties Film Funnymen** Wes D. Gehring, 2014-01-10 The twelve classic comedy films examined within these pages are distinguished by an equal number of defining comic performances Ranging from *The Great Dictator* 1940 to *A Southern Yankee* 1948 each film focuses on the most central theme of clown comedy Resilience the encouragement or hope that one can survive the most daunting of life's dilemmas even during the war torn 1940s And each film can be regarded as a microcosm of the antiheroic world of its central clown or clowns Among the performers represented are Charlie Chaplin W C Fields Abbott and Costello Jack Benny Eddie Bracken Bob Hope Bing Crosby Danny Kaye the Marx Brothers Harold Lloyd and Red Skelton This lavishly illustrated work includes an introduction by noted film critic and historian Anthony Slide

**Will Cuppy, American Satirist** Wes D. Gehring, 2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman's metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona **Red Skelton** Wes Gehring, 2013-09-10 For more than twenty years Hoosier comic Red Skelton entertained

millions of viewers who gathered around their television sets to delight in the antics of such notable characters as Freddie the Freeloader Clem Kaddiddlehopper Cauliflower McPugg and Sheriff Deadeye. Noted film historian Wes D Gehring examines the man behind the characters someone who never let the facts get in the way of a good story. Gehring delves into Skelton's hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes his days on the road on the vaudeville circuit the comedian's early success on radio his up and down movie career with Metro Goldwyn Mayer and his sometimes tragic personal life The American Journal of Psychiatry, 2000-10 *The Blow-off* Jim Knipfel, 2011-07-12 Monster Stalks NYC When a local drunk is mugged near the toxic Gowanus Canal by a hulking hairy beast who smells really bad Hank Kalabander thinks nothing of blaming the assault on the legendary Bigfoot. His sardonic crime blotter for The Hornet a local Brooklyn rag often gleefully recounts the tragedies that befall the borough's dimmer residents. But when an upstart reporter from The Eagle a tabloid paper lifts his piece and implicates Bigfoot in two more attacks the crimes become local news fodder and the hunt for the Gowanus Beast takes off. Pretty soon the G B is to blame for everything from murder and robberies to playground scuffles and a pie's disappearance and neighborhood watch patrols have taken to the streets. Alarmed by the populace's response Hank decides it's his responsibility to disprove the existence of this menacing beast and with the help of an old carny colleague put an end to the growing hysteria. In *The Blow off* acclaimed writer Jim Knipfel has crafted an astoundingly funny send up of our current times an intoxicating blend of sharp cultural references wildly comical scenes discerning commentary and unforgettable characters Why People Die by Suicide Thomas Joiner, 2009-07-01 Drawing on extensive clinical and epidemiological evidence as well as personal experience Thomas Joiner provides the most coherent and persuasive explanation ever given of why and how people overcome life's strongest instinct self preservation **The Portable MFA in Creative Writing** New York Writers Workshop, 2006-04-29 Get the core knowledge of a prestigious MFA education without the tuition. Unplugging Philco Jim Knipfel, 2009-04-14 Wally Philco is a gentle midlevel insurance industry operative living with his wife Margie in Brooklyn In the years since those terrible events took place in Tupelo Mississippi though the world and Brooklyn too has become a very different place Nobody s sure exactly what happened on the day now known as Horribleness Day but it became pretty clear afterward that the Australians were involved somehow Long after all the initial craziness has petered out

the Horribleness is still being used as an excuse for everything from insomnia and lower back pain to joblessness bank robbery higher taxes drunk driving and murder Likewise everything from icy sidewalks to earthquakes to casino bus accidents is being cited as the work of terrorists Now it s every Mutual Citizen s job to keep an eye on his neighbor and to report anything amiss Wally s neighbor Whit Chambers has been busy practically setting a world record for turning in suspicious characters and Unmutuals to the local authorities and in fact Whit s had his eye and his telescope trained on Wally for some time now When Wally finally snaps he finds refuge with the Unpluggers an underground movement fighting for just a few minutes of peace and quiet With a cast of Dickensian characters from stroller wielding Brooklyn mothers to former Kennedy spooks and Norwegian cowboys Jim Knipfel s Unplugging Philco is a wildly funny look at our life and times filled with sharp cultural references and vivid witty prose that testifies to a dangerously perceptive mind behind the madness

Beat where the loonies call and tell him in meticulously deranged detail what it's like to live in their bizarre and lonely world. Lately Baragon's been writing stories about voodoo curses and alien abductions about fungus riddled satellites falling to earth and thefts of plumbing fixtures from SRO hotels by strange aquatic looking creatures. Not exactly New York Times material. Maybe it's the radioactive corpse that puts him over the edge. Or maybe it's the guy who claims to have been kidnapped by the state of Alaska. But Baragon is now convinced that a vast conspiracy is under way that could take the whole city down something so deeply strange that it could be straight out of one of the old Japanese monster movies that he watches every night before he goes to sleep. But stuff like this only happens in the movies. Right. The Buzzing marks the fictional debut of the acclaimed author of Slackjaw. It is a novel of deep paranoia and startling originality. And it could certainly never happen. Right. Right.
