Feinstein, 2005-08-11 Since the liberation of the Nazi concentration camps and recognition of the Holocaust as a watershed event of the twentieth century if not in Western Civilization itself the capacity of art to represent this event adequately has been questioned As it analyzes a cross section of Holocaust art within the context of art history *Absence Presence* addresses the discussion head on and explores the interchange between media and horror The book s contributors include case studies from a broad spectrum of artists in North America Europe and Israel to examine some of the more dominant themes in these artists work In addition to standard readings of Holocaust art the essays help illuminate the issues of eugenics the importance of art for Hitler and the Nazis the immense pilfering of art that occurred during World War II and the length and degree of the destruction of European Jewry which forced artists to reinvent their work through their own fate This selection of essays also provides alternative views to more typical readings on the Holocaust specifically to the story of the Shoah as a relevant art subject and to those who have a right to create art about the Holocaust These issues were the subject of an intense international debate based on an exhibition at New York s Jewish Museum titled *Mirroring Evil* The retrospective brought to art a series of contemporary perspectives that represented both the outer edges as well as mainstream postmodern thinking concerning representations of the Holocaust This book which covers the art from the late 1980s through 2002 includes the work of an array of scholars curators and artists from many countries It will be of great interest to art historians Jewish scholars and anyone interested in learning more about the art and artists of the Holocaust *R. Kitaj: Pictures from an Exhibition**, 1970 *Diaspora and Visual Culture* Nicholas Mirzoeff, 2000 In examining the visual culture of the classic African and Jewish diasporas contributors address different aspects of the multiple viewpoints inherent in diasporic cultures *R. B. Kitaj : Fifty Drawings and Pastels, Six Oil Paintings* R. B. Kitaj, 1979 *American Artists, Jewish Images* Matthew Baigell, 2006-03-16 Born over a fifty year period the artists in this volume represent several generations of twentieth century artists Examining the work of such influential artists as Mark Rothko Max Weber and Ruth Weisberg Baigell directly confronts their Jewish identity as a religious cultural and psychological component

of their lives and explores the way in which this influence is reflected in their art Drawing upon their common heritage Baigell reveals the different ways these artists responded to the Great Immigration the Depression the Holocaust the founding of the state of Israel and the rise of feminism Each artist s varied Jewish experiences have contributed to the creation of a visual language and subject matter that reflect both Jewish assimilation and Jewish continuity in ways that inform modern Jewish history and changes in present day America Offering a fresh examination of well known artists as well as long overdue attention to lesser known artists Baigell s incisive observations are indispensable to our understanding of the Jewish themes in these artists work Written in a lively and spirited prose this book is compulsory reading for those interested in modern American art and Jewish studies
