Rabbi Jesus:

Rabbi Jesus Bruce Chilton, 2002-05-14 Beginning with the Gospels interpretations of the life of Jesus have flourished for nearly two millennia yet a clear and coherent picture of Jesus as a man has remained elusive In *Rabbi Jesus* the noted biblical scholar Bruce Chilton places Jesus within the context of his times to present a fresh historically accurate and revolutionary examination of the man who founded Christianity Drawing on recent archaeological findings and new translations and interpretations of ancient texts Chilton discusses in enlightening detail the philosophical and psychological foundations of Jesus ideas and beliefs His in depth investigation also provides evidence that contradicts long held beliefs about Jesus and the movement he led Chilton shows for example that the High Priest Caiaphas as well as Pontius Pilate played a central role in Jesus execution It is however Chilton s description of Jesus role as a rabbi or master of Jewish oral traditions as a teacher of the Cabala and as a practitioner of a Galilean form of Judaism that emphasized direct communication with God that casts an entirely new light on the origins of Christianity Seamlessly merging history and biography this penetrating highly readable book uncovers truths lost to the passage of time and reveals a new Jesus for the new millennium **Walking in**

the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We ll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In *Walking in the Dust of Rabbi Jesus* we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view **Reading the Bible with Rabbi Jesus** Lois Tverberg, 2018-01-02 What would it be

like for modern readers to sit down beside Jesus as he explained the Bible to them What life changing insights might emerge from such a transformative encounter Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes By helping them understand the Bible as Jesus and his first century listeners would have she bridges the gaps of time and culture in order to open the Bible to readers today Combining careful research with engaging prose Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life God and each other She explains age old imagery that we often misinterpret allowing us to approach God and the stories and teachings of Scripture with new eyes By helping readers grasp the perspective of its original audience she equips them to

read the Bible in ways that will enrich their lives and deepen their understanding **The Wisdom & Wit of Rabbi Jesus**

William E. Phipps,1993-01-01 Jesus was more than just a supernatural figure says William Phipps He had much in common with teachers and shared many of the interests of rabbis ethicists philosophers and satirists Phipps provides evidence of this in his thought provoking book and then gives a boarder perspective of Jesus showing that he differed from the traditional ancient wisdom with his rejection of the ideas of female inferiority nationalistic prejudices and intolerance of the unlearned Readers are presented with a view of Rabbi Jesus as the consummate master teacher with a keen sense of humor whose central theme was love **A New Look at Rabbi Jesus** Rabbi Albert (Abraham) I. Slomovitz Ph.D.,2020-01-10 The primary

Young,2007-06-01 *Meet the Rabbis* explains to the reader how rabbinic thought was relevant to Jesus and the New Testament world and hence should be relevant to those people today who read the New Testament In this sense rabbinic thought is relevant to every aspect of modern life Rabbinic literature explores the meaning of living life to its fullest in right relationship with God and humanity However

many Christians are not aware of rabbinic thought and literature. Indeed, most individuals in the Western world today, regardless of whether they are Christians, atheists, agnostics, secular community leaders, or some other religious and political persuasions, are more knowledgeable of Jesus' ethical teachings in the Sermon on the Mount than the Ethics of the Fathers in a Jewish prayer book. The author seeks to introduce the reader to the world of Torah learning. It is within this world that the authentic cultural background of Jesus' teachings in ancient Judaism is revealed. Young uses parts of the New Testament, especially the Sermon on the Mount, as a springboard for probing rabbinic method. The book is an introduction to rabbinic thought and literature and has three main sections in its layout: Introduction to Rabbinic Thought, Introduction to Rabbinic Literature, and Meet the Rabbis, a biographical description of influential Rabbis from Talmudic sources.

This book makes you really eager to sit at the feet of Rabbi Jesus and learn from the One we joyously serve as both Messiah and Lord. I commend it to every follower of Jesus of Nazareth. Dwight A. Pryor, Center for Judaic Christian Studies.

Following Rabbi Jesus Phil Needham, 2018-01-24. Following Rabbi Jesus is a surprising exposure of who the Jesus we find in the Gospels really is: what he teaches those who dare to follow him and how he models what it means to live God's radical kingdom way. The reader of the book will discover in this exploration a very different Jesus from the celebrity or hero of much popular church culture: the tame, ineffective Jesus of compromised Christianity and the inaccessible, conceptual Christ of much academic theology. The reader who takes the chance of honestly engaging the Jesus we meet in the Gospel stories may find an engaging and liberating contrast to the life he is now living. He may even want to make a turn or two and start over.

A Rabbi Looks at Jesus of Nazareth Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don t and can t believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming

evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way *Becoming a True Disciple: The Revolution of Spirit-Led Disciples of Christ* Dr. Stephen L. Gray,2016-03-04 Becoming a True Disciple The Revolution of Spirit Led Disciples of Christ shares the experiences and insights of Dr Stephen L Gray He recounts his journey as a follower of Jesus Christ who heard heeded and acted on God s calling to become a missionary He followed that summons and traveled to the coastal regions of Tanzania and Kenya in East Africa There he worked as a witness to Jesus Christ sharing the gospel so that others might become disciples led by the Holy Spirit The narrative and reflection in Becoming a True Disciple leads the reader to contemplate topics like being a disciple spiritual growth the Holy Spirit a devotional life prayer honoring God s word renewing the mind creating a spiritual environment faith and joining in Christ s Great Commission Becoming a True Disciple The Revolution of Spirit Led Disciples of Christ resists falling into the trap of trying to teach discipleship as a process that one may implement *Altruism in World Religions* Suzanne Neusner,Bruce Chilton,2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one s own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In Altruism in World Religions prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman philia to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied *Worldly Wisdom and Foolish Grace* Barbara Carnegie Campbell,2020-08-07 Rabbi Jesus interpreted the teachings of Torah to his followers The Prophet Mohammad received a divine revelation centuries later that returned his people to the faith of Abraham The holy texts of all three Abrahamic faiths Judaism Christianity and Islam teach compassion generosity and nonviolence While culture and politics often speak one understanding of wisdom each of these faith traditions asks very different and difficult behavior of their followers i e loving enemies showing compassion for all and giving away wealth to serve the poor in other
